- ☑ Build a strong company that prioritizes ingredient transparency.
- ☑ Create really good food.
- ☑ Make that good food affordable & accessible.

In order to capitalize on this growing segment of affordable & healthy snacks we've had to operate at a loss that has been financed primarily through personal investment & revenue based debt notes issued through Maininvest but we are finally seeing all of our hard-work and sacrifice come to fruition.

Equipped with nearly 15 years of sales and leadership experience, I have operated Wicked BOLD with a corporate-like structure paying close attention to our costs, pipeline and meticulously building a strong brand and image.

Building a startup from the ground up is a treacherous and extremely risky undertaking but I believe in our mission and I believe in myself to execute against our strategy, much of that strategy will be outlined and described throughout our offering page.

Our Offerings

We offer premium chocolate without the premium price tag and firmly believe that good food should be affordable. We offer four varieties in vibrant packaging - Classic, Sea Salt, Cayenne & Hazelnut with several exciting products in the pipeline for future release.
