# Jonathan L. Glashow

Orthopedic Surgeon in NYC / Sports Medicine Surgeon in NYC at  
J.L. Glashow, M.D. P.C.  
New York, New York, United States

## Summary

NYC Orthopedic Surgeon / Sports Medicine Surgery  
New York Magazine's "Best Orthopedic Surgeon in NYC"  
<http://www.flashowmd.com>

Dr Jonathan L. Glashow is a Board Certified Orthopaedic Surgeon, Co-Chief of Sports Medicine/Clinical Associate Professor at Mount Sinai Medical Center and Chief Medical Officer/ Team Physician for the NBA's Philadelphia 76ers. Being in private practice for 20 years, Dr. Glashow specializes in Shoulder, Knee and Hip injuries. Using cutting edge technologies to return athletes of all levels back to their prime condition, Dr. Glashow's clinical and research interests include: Arthroscopic cartilage repair and transplantation, anterior cruciate ligament (ACL) reconstruction, rotator cuff, and labrum tears.

Dr. Glashow received his medical degree from Cornell University Medical College, completed his residency at Lenox Hill Hospital in Orthopaedic Surgery. Dr. Glashow went on to the Southern California Orthopedic Institute/UCLA in Los Angeles, California earning a subspecialty fellowship training in Sports Medicine and Arthroscopic surgery: followed by a traveling shoulder fellowship in London, Ontario, and the University of Texas at San Antonio. Castle Connolly, a major healthcare research company, has repeatedly ranked him one of America's Best Doctors. New York magazine has featured him in numerous annual Best Doctors issues, and he has been listed as one of New York Metro Area's Best Doctors every year since 2000.

Specialties: Specializing exclusively in shoulder, knee and hip injuries including advanced arthroscopic all-inside anterior cruciate ligament (ACL) reconstruction, double-row suture bridge rotator cuff repairs, as well as state of the art techniques to repair labral, meniscal and condral injuries.
