TRIVE NEW YORK, LLC
(A LIMITED LIABILITY COMPANY)
(formerly known as GK Trade New York, LLC)
NOTES TO FINANCIAL STATEMENT
FOR THE YEAR ENDED JUNE 30, 2025

NOTE 1 – ORGANIZATION AND DESCRIPTION OF BUSINESS:

Trive New York, LLC (f/k/a GK Trade New York, LLC) (the "Company") was formed as a limited liability company in Delaware on January 4, 2012. The Company is a registered broker-dealer under the Securities Exchange Act of 1934 and is a member of the Financial Industry Regulatory Authority, Inc. ("FINRA").

The Company is authorized by FINRA to be a mutual fund retailer, a broker or dealer selling tax shelters or limited partnerships in primary distributions, to conduct private placements of securities and act as a selling agent of 34 Act Funds. The Company did not conduct any securities business for the year ended June 30, 2025.

On May 20, 2022, the Company filed a name change with the State of Delaware from GK Trade New York LLC to Trive New York LLC. As of June 30, 2025 the Company was wholly-owned by the Parent.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Presentation

The Company follows Generally Accepted Accounting Principles ("GAAP"), as established by the Financial Accounting Standards Board (the "FASB"), to ensure consistent reporting of financial condition, results of operation, and cash flows, and uses the accrual basis of accounting.

Use of Estimates

The preparation of financial statement in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

As a limited liability company, the Company is not subject to federal income taxes. The Company's member separately accounts for its share of the Company's items of income, deductions, losses and credits. Therefore these financial statement do not include any provision for federal income taxes. FASB guidance requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained "when challenged" or "when examined" by the applicable tax authority.

Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as a tax benefit or expense and assets or liability in the current year. For the year ended June 30, 2025 management has determined that there are no material uncertain income tax positions. The Company's tax returns are filed as part of Trive Investment B.V. returns, on a consolidated basis. The current and prior three tax years generally remain subject to examination by U.S. federal and most state tax authorities.

New Accounting Pronouncements

In November 2023, FASB issued Accounting Standards Update No. 2023 – Segment Reporting (Topic 280) Improvements to Reportable Segment Disclosures. The amendments in this update improve reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses on an annual and interim basis for all public business entities to enable investors to develop more decision-useful financial analyses. Most prominent about the changes in the standard is the entity is required to report a measure of segment profit or loss that the chief operating decision maker uses to assess segment performance and make decisions about allocating resources. The Company adopted ASC 2023-07. See Note 9.

TRIVE NEW YORK, LLC
(A LIMITED LIABILITY COMPANY)
(formerly known as GK Trade New York, LLC)
NOTES TO FINANCIAL STATEMENT
FOR THE YEAR ENDED JUNE 30, 2025

NOTE 3 - COMMITMENTS AND CONTINGENCIES:

The Company has an operating lease for office space that is not subject to ASC 842, as it falls under the short-term lease exemption. The Company recognizes the lease cost associated with this lease on a straight-line basis over the lease term. The Company currently leases office space on a short-term basis in New York, NY. The current lease was renewed through October 31, 2025.

NOTE 4 – NET CAPITAL REQUIREMENTS:

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). Under SEC Rule 15c3-1, the Company is required to maintain “net capital” of 6 2/3 percent of “aggregate indebtedness” or \$5,000, whichever is greater, as these terms are defined. As of June 30, 2025, the Company had net capital of \$14,647, which was \$9,647 in excess of its required net capital of \$5,000. The Company’s ratio of aggregate indebtedness to net capital was 1.59%.

Distributions and other equity withdrawals are subject to certain notification and other provisions of the net capital rules of the SEC.

NOTE 5 – CONCENTRATIONS OF CREDIT RISK:

Cash

The Company maintains principally all cash balances in one financial institution which, at times, may exceed the amount insured by the Federal Deposit Insurance Corporation. The exposure to the Company is solely dependent upon daily bank balances and the respective strength of the financial institutions. The Company has not incurred any losses on this account. At June 30, 2025, the amount in excess of insured limits of \$250,000 was \$0.

NOTE 6 – INDEMNIFICATIONS:

In the normal course of business, the Company enters into contracts that contain a variety of representations and warranties that provide indemnifications under certain circumstances. The Company’s maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Company that have not yet occurred. The Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements for these indemnifications.

NOTE 7 - SEGMENT REPORTING:

The Company follows ASC 280, Segment Reporting (including adoption of ASU 2023-07), which requires companies to disclose segment data based on how management makes decisions about allocating resources to segments and evaluating performance. The Company conducts its business activities and reports financial results as a single reportable segment, brokerage services segment. Using the management approach and qualitative and quantitative criteria established by ASC 280, the Company is considered a single reportable segment. The Chief Operating Decision Maker (“CODM”), the CEO, makes decisions about allocating resources and assessing performance in a manner consistent with the way the Company operates its business and presents its financial results. The nature of business and accounting policies of the brokerage services segment are the same as described in the organization and description of business and summary of significant accounting policies.

The parent is committed to continuing to fund the ongoing operations of the Company.

The Company has evaluated subsequent events through the date which the financial statements were available to be issued. No events were noted which would require recognition or disclosure in the footnotes to the financial statement.
