

Right Proper Brewing Company has established roots in a third DC neighborhood to help us further our mission — to be a community hub and a hometown brand for those who call DC home. We are so excited to open another neighborhood brewpub in the Eckington neighborhood, a residential area in NoMa, located across from the Bouldering Project and near Alethia Tanner Park and the Metropolitan Branch Trail. Construction is anticipated to start in July of 2025 with an opening slated for the end of 2025.

## **Become a part of it!**

We have launched a crowdfunding campaign on Wefunder to help supplement our project costs and to offer the community a chance to join us in the new location from the ground up.
