Exciting Update! We're making a big move — and we'd love for you to be part of it.

We originally planned to launch Pacific Soul on Kickstarter, but after receiving incredible support and multiple recommendations from people who loved our products, purpose, and vision, we've decided to shift to Wefunder.

Why the change? Because so many of you wanted to be more than customers — you wanted to be part of our journey. Wefunder allows our community to invest early and grow with us as we build something truly meaningful.

Our campaign is now live for early reservations!
Check it out here: <https://lnkd.in/gddtQFi9>

Your investment will help us:

- ✓ Scale up production.
- ✓ Launch our retail-ready line of superfruit snacks & brews.
- ✓ Bring wellness to more families.
- ✓ Uplift Colombian farmers and reduce food waste.

If you believe in the power of food to heal and in investing with purpose — now's your chance to join us.

Let's eat well. Do good. Feel great. 🌱

Pacific Soul started at home. When our family faced health challenges, we became more aware of how abundant ultra-processed foods are and how scarce the truly healthy options can be. That's when we committed to doing something about it.

We're building **Pacific Soul Inc.** to give families healthier choices while creating real impact for farmers and ecosystems. More demand for underused superfruits means more biodiversity protected, less food wasted, and better livelihoods for growers.

We're still early, but we've done our homework. The need is clear, and the momentum is real.

Our WeFunder campaign is live. If this mission resonates with you, whether as an investor or simply someone who believes in food with impact, I invite you to check it out, share it, and join us.

We Did It!!! 🥳

We've officially exceeded our family & friends crowdfunding goal — \$53,130 raised from 30 incredible investors! And now our WeFunder campaign is officially LIVE!!!

We did this together with the support of families and friends all over the world. From Colombia, Brazil, Switzerland, the US, Italy, Germany, Australia, and Spain. We are beyond grateful. Every single message of encouragement, every note reminding us to keep going, has fueled us in ways we cannot describe. It's been deeply emotional. 🥰

This journey hasn't been easy. Starting **Pacific Soul Inc.** meant putting in everything we had — our savings, our time, our hearts. As parents, the stakes feel even higher. The process of pitching your own dream, especially to those closest to you, has been one of the hardest challenges of my career. It's vulnerable, emotional, and sometimes overwhelming.

But today, we feel an overwhelming sense of gratitude and hope. The trust placed in us by mentors, colleagues, lifelong friends, family, and even those we've only recently met gives us both the responsibility and the motivation to keep pushing forward. 💪

This is just the beginning. With your support, we're more determined than ever to bring **Pacific Soul Inc.**'s vision to life to nourish families, uplift farmers, and share the superfruit power of Colombia with the world.

♥️ Thank you to our investors for believing in us. The best is yet to come!!

Gracias!!!
