To the Board of Directors and Member of
PineBridge Securities LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of PineBridge Securities LLC (the "Company") as of December 31, 2025 and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2025, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. We believe that our audit provides a reasonable basis for our opinion.

Notes to Statement of Financial Condition

December 31, 2025

1. Business and Organization

PineBridge Securities LLC (the “Company”), a Delaware limited liability company, is a wholly owned subsidiary of PineBridge Investments Holdings US LLC (the “Parent” or “Member”), whose ultimate parent is MetLife, Inc., which acquired the Company and Parent on December 30, 2025. The Company is registered under the Securities Exchange Act of 1934 as a broker-dealer in securities and a member of the Financial Industry Regulatory Authority (“FINRA”).

The Company acts as placement agent for private funds in the United States. There are no employees in the Company.

2. Significant Accounting Policies

Basis of Presentation

The preparation of the statement of financial condition in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the statement of financial condition. Actual results could differ from those estimates.

Cash

Cash includes cash held in a non-interest bearing account. Cash as of December 31, 2025 was \$545,272.

Distribution Fees

The Company earns Distribution fees by acting as a placement agent in connection with the offering of limited partnerships interests, alternative investment funds, shares, units of beneficial interest or other types of securities services irrespective of the success of the offering of securities.

The Company’s Distribution fee revenue is for performance obligations related to a monthly standing services arrangement, and the Company recognizes its revenue pertaining to this performance obligation over the passage of time. A time-elapsed output method is used to measure progress. The Company has determined that this method provides a faithful depiction of the transfer of services to the customer. For performance obligations recognized in accordance with a time-elapsed output method, the Company’s efforts are expended on a when-and-if available basis.

Fair Value of Financial Instruments

At December 31, 2025, the carrying value of the Company’s Cash approximates its fair value and is considered a Level I asset. Accounts payable and accrued expenses are placed in Level II of the fair value hierarchy.

3. Income Taxes

The Company is a wholly owned, disregarded entity of PineBridge Investments Holdings US LLC. The tax obligations of the Company are passed through to their owners and are not the responsibility

of the single member LLC. As a result, the Company is not required to provide for an Income Tax provision.

4. Regulatory Requirements

The Securities and Exchange Commission's "Uniform Net Capital Rule" (Rule 15c3-1) requires the Company to maintain minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1.

At December 31, 2024 the Company's net capital was \$445,272 above its required net capital of \$50,000. The Company's aggregate indebtedness to net capital percentage was 10.1%.

The Company is an introducing broker-dealer and does not carry customer accounts. This exempts the Company from the provisions of SEC Rule 15c3-3 under Footnote 74.

5. Related Parties

In the normal course of conducting business, the Company is party to various transactions with its affiliates. All revenue generated by the Company was derived from a related party. The following is a summary of related party transactions.

- The Company has a service agreement with PineBridge Investments LLC ("PBI"), a wholly owned subsidiary of the Parent, whereby the Company will act as a placement agent in connection with the offering of limited partnerships interests, alternative investment funds, shares, units of beneficial interest or other types of securities services.
- During the year ended December 31, 2025, the Parent allocated support expenses to the Company.
- During the year ended December 31, 2025, PBI allocated compensation and benefit expenses to the Company.

Due to the above related party transactions, the financial condition of the Company may differ from those that would have been achieved had the Company operated autonomously or as an entity independent of its affiliates.

6. Concentrations of Credit Risk

The Company's cash is held at a major U.S. based money center bank with a credit rating of A+ at December 31, 2025. The Company's cash balance typically exceeds Federal Deposit Insurance Corporation ("FDIC") coverage amounts; therefore, the Company is subject to a concentration of credit risk with this major U.S. based money center bank. The Company regularly monitors the credit ratings of the U.S. bank to mitigate the credit risk that exists with the balances not protected by FDIC insurance.

7. Commitments and Contingencies

In the normal course of business, the Company may enter into contracts that contain a variety of warranties and indemnifications that provide general indemnifications. The Company's maximum exposure under these arrangements is unknown, as this would involve future claims that may be
