RISK FACTORS

The U.S. Securities and Exchange Commission does not pass upon the merits of any securities offered or the terms of the offering, nor does it pass upon the accuracy or completeness of any offering document or literature.

These securities are offered under an exemption from registration; however, the U.S. Securities and Exchange Commission has not made an independent determination that these securities are exempt from registration.

8. Discuss the material factors that make an investment in the issuer speculative or risky:

Our companies may not succeed and this will reduce our forecasted revenue. Our intention is to mitigate this with the quantity and quality of companies we invest in.

We may fail in our objective to find the best companies in the world to invest in, even though we have several associates out searching for these companies.

Our training program may not be sufficiently good to move the growth and investment needle for the companies we invest in.

We may not raise additional funds to invest in more companies in the future, limiting the revenue upside.

We might not be able to invest in the companies that we want to invest in, due to competition from other investors.

COVID & market downturn might interfere with the startup ecosystem and slowdown success rate within startups, as well of the amount of new founders and companies on the market.

Our current or our future portfolio companies might give us bad PR which then will affect Expert DOJO negatively, and add the risk that startups don't want our funding.

As the portfolio grows we need to keep up with hiring the same high level of staff within our fund. We could potentially fail in quality.

The Company may never receive a future equity financing or elect to convert the Securities upon such future financing. In addition, the Company may never undergo a liquidity event such as a sale of the Company or an IPO. If neither the conversion of the Securities nor a liquidity event occurs, the Purchasers could be left holding the Securities in perpetuity. The Securities have numerous transfer restrictions and will likely be highly illiquid, with no secondary market on which to sell them.

INSTRUCTION TO QUESTION 24: name the creditor, amount owed, interest rate, maturity date, and any other material terms.

The Company works in tandem with its affiliate Expert Dojo Ventures LLC, a California Limited Liability Company (“Ventures”). Ventures was formed for the purpose of holding interest in the startup portfolio of companies that go through the Company’s accelerator program. Ventures invests in the startup companies accepted into the accelerator program in exchange for various equity interests. Ventures and the Company operate under an agreement that current and future training fees earned from providing various services and training sessions to each startup company will be earned by the Company only. If the Expert Dojo brand was acquired, both the Company and Ventures would be required to be collectively acquired. Ventures does not earn revenue or incur operating expenses.

As of December 31, 2021 and 2020, the Company had intercompany payables of \$533,500 and \$443,500, respectively.

INSTRUCTIONS TO QUESTION 26: The term transaction includes, but is not limited to, any financial transaction, arrangement or relationship (including any indebtedness or guarantee of indebtedness) or any series of similar transactions, arrangements or relationships.

Beneficial ownership for purposes of paragraph (2) shall be determined as of a date that is no more than 120 days prior to the date of filing of this offering statement and using the same calculation described in Question 6 of this Question and Answer format.

The term “spousal equivalent” means a cohabitant occupying a relationship generally equivalent to that of a spouse.

Compute the amount of a related party’s interest in any transaction without regard to the amount of the profit or loss involved in the transaction. Where it is not practicable to state the approximate amount of the interest, disclose the approximate amount involved in the transaction.

Since then, we have:

- Most VC Investors Average Under 10% Returns, Expert DOJO has averaged 38% annually since 2019
- Traditional VC favors insiders; we built a model to share ownership with the community
- Our best-performing companies have grown 50X in value in only 6 months, following our investment
- We actively help founders grow revenue—not passive, hands-off investing
- Expert DOJO is an asset vehicle of 266 startups across sectors with over 7 years investment history
- We buy company stakes early at ~70-90% discounts to reduce risk before growth
- We have grown from \$0 to \$100M AUM since 2019, with a clear path to \$500M by 2030

Related Party Transaction

Refer to Question 26 of this Form C for disclosure of all related party transactions.

Liquidity & Capital Resources

To-date, the company has been financed with \$2,404,952 in equity.

After the conclusion of this Offering, should we hit our minimum funding target, our projected runway is 18 months before we need to raise further capital.

We plan to use the proceeds as set forth in this Form C under "Use of Funds". We don't have any other sources of capital in the immediate future.

We will likely require additional financing in excess of the proceeds from the Offering in order to perform operations over the lifetime of the Company. We plan to raise capital in 18 months. Except as otherwise described in this Form C, we do not have additional sources of capital other than the proceeds from the offering. Because of the complexities and uncertainties in establishing a new business strategy, it is not possible to adequately project whether the proceeds of this offering will be sufficient to enable us to implement our strategy. This complexity and uncertainty will be increased if less than the maximum amount of securities offered in this offering is sold. The Company intends to raise additional capital in the future from investors. Although capital may be available for early-stage companies, there is no guarantee that the Company will receive any investments from investors.

Runway & Short/Mid Term Expenses

Expert Dojo, Inc. cash in hand is \$8,000, as of March 2023. Over the last three months, revenues have averaged \$12,000/month, cost of goods sold has averaged \$5/month, and operational expenses have averaged \$70,000/month, for an average burn rate of

\$58,005 per month. Our intent is to be profitable in 6 months.

There have been no material changes or significant trends in our finances or operations since the date covered by these financial statements.

We expect our day-to-day expenses and revenue to stay the same in 2026. However, we expect income from our portfolio since some of them will likely sell or be acquired in 2026. In 2027, we're launching our new marketing department out of India, and expect our revenue to be at \$50-100k.

Our profits come from the sale of companies, and our shares of those sales. Our expectation is that 1-2 of our companies will generate significant liquidity events this year, and a profitable 2026.

We have individuals who invest directly in Expert Dojo, the Expert DOJO cap table. We also continue to put in our own funds.

All projections in the above narrative are forward-looking and not guaranteed.

INSTRUCTIONS TO QUESTION 28: The discussion must cover each year for which financial statements are provided. For issuers with no prior operating history, the discussion should focus on financial milestones and operational, liquidity and other challenges. For issuers with an operating history, the discussion should focus on whether historical results and cash flows are representative of what investors should expect in the future. Take into account the proceeds of the offering and any other known or pending sources of capital. Discuss how the proceeds from the offering will affect liquidity, whether receiving these funds and any other additional funds is necessary to the viability of the business, and how quickly the issuer anticipates using its available cash. Describe the other available sources of capital to the business, such as lines of credit or required contributions by shareholders. References to the issuer in this Question 28 and these instructions refer to the issuer and its predecessors, if any.

OTHER MATERIAL INFORMATION

31. In addition to the information expressly required to be included in this Form, include:

- (1) any other material information presented to investors; and
- (2) such further material information, if any, as may be necessary to make the required statements, in the light of the circumstances under which they are made, not misleading.

The Lead Investor. As described above, each Investor that has entered into the Investor Agreement will grant a power of attorney to make voting decisions on behalf of that Investor to the Lead Investor (the "Proxy"). The Proxy is irrevocable unless and until a Successor Lead Investor takes the place of the Lead Investor, in which case, the Investor has a five (5) calendar day period to revoke the Proxy. Pursuant to the Proxy, the Lead Investor or his or her successor will make voting decisions and take any other actions in connection with the voting on Investors' behalf.

The Lead Investor is an experienced investor that is chosen to act in the role of Lead Investor on behalf of Investors that have a Proxy in effect. The Lead Investor will be chosen by the Company and approved by Wefunder Inc. and the identity of the initial Lead Investor will be disclosed to Investors before Investors make a final investment decision to purchase the securities related to the Company.

The Lead Investor can quit at any time or can be removed by Wefunder Inc. for cause or pursuant to a vote of investors as detailed in the Lead Investor Agreement. In the event the Lead Investor quits or is removed, the Company will choose a Successor Lead Investor who must be approved by Wefunder Inc. The identity of the Successor Lead Investor will be disclosed

to Investors, and those that have a Proxy in effect can choose to either leave such Proxy in place or revoke such Proxy during a 5-day period beginning with notice of the replacement of the Lead Investor.

The Lead Investor will not receive any compensation for his or her services to the SPV. The Lead Investor may receive compensation if, in the future, Wefunder Advisors LLC forms a fund (“Fund”) for accredited investors for the purpose of investing in a non-Regulation Crowdfunding offering of the Company. In such as circumstance, the Lead Investor may act as a portfolio manager for that Fund (and as a supervised person of Wefunder Advisors) and may be compensated through that role.

Although the Lead Investor may act in multiple roles with respect to the Company’s offerings and may potentially be compensated for some of its services, the Lead Investor’s goal is to maximize the value of the Company and therefore maximize the value of securities issued by or related to the Company. As a result, the Lead Investor’s interests should always be aligned with those of Investors. It is, however, possible that in some limited circumstances the Lead Investor’s interests could diverge from the interests of Investors, as discussed in section 8 above.

Investors that wish to purchase securities related to the Company through Wefunder Portal must agree to give the Proxy described above to the Lead Investor, provided that if the Lead Investor is replaced, the Investor will have a 5-day period during which he or she may revoke the Proxy. If the Proxy is not revoked during this 5-day period, it will remain in effect.

Tax Filings. In order to complete necessary tax filings, the SPV is required to include information about each investor who holds an interest in the SPV, including each investor’s taxpayer identification number (“TIN”) (e.g., social security number or employer identification number). To the extent they have not already done so, each investor will be required to provide their TIN within the earlier of (i) two (2) years of making their investment or (ii) twenty (20) days prior to the date of any distribution from the SPV. If an investor does not provide their TIN within this time, the SPV reserves the right to withhold from any proceeds otherwise payable to the Investor an amount necessary for the SPV to satisfy its tax withholding obligations as well as the SPV’s reasonable estimation of any penalties that may be charged by the IRS or other relevant authority as a result of the investor’s failure to provide their TIN. Investors should carefully review the terms of the SPV

investors should carefully review the terms of the S-1 Subscription Agreement for additional information about tax filings.

INSTRUCTIONS TO QUESTION 30: If information is presented to investors in a format, media or other means not able to be reflected in text or portable document format, the issuer should include:

- (a) a description of the material content of such information;*
- (b) a description of the format in which such disclosure is presented; and*
- (c) in the case of disclosure in video, audio or other dynamic media or format, a transcript or description of such disclosure.*

ONGOING REPORTING

32. The issuer will file a report electronically with the Securities & Exchange Commission annually and post the report on its website, no later than:

120 days after the end of each fiscal year covered by the report.

33. Once posted, the annual report may be found on the issuer's website at:

<http://expertdojo.com/invest>

The issuer must continue to comply with the ongoing reporting requirements until:

1. the issuer is required to file reports under Exchange Act Sections 13(a) or 15(d);
2. the issuer has filed at least one annual report and has fewer than 300 holders of record;
3. the issuer has filed at least three annual reports and has total assets that do not exceed \$10 million;
4. the issuer or another party purchases or repurchases all of the securities issued pursuant to Section 4(a)(6), including any payment in full of debt securities or any complete redemption of redeemable securities; or the issuer liquidates or dissolves in accordance with state law.
