REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member
of Four Points Capital Partners, LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Four Points Capital Partners, LLC as of December 31, 2025, and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of Four Points Capital Partners, LLC as of December 31, 2025 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of Four Points Capital Partners, LLC's management. Our responsibility is to express an opinion on Four Points Capital Partners, LLC's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Four Points Capital Partners, LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Ohab and Company, P.A.

We have served as Four Points Capital Partners, LLC's auditor since 2019.

FOUR POINTS CAPITAL PARTNERS, LLC

NOTES TO FINANCIAL STATEMENT

DECEMBER 31, 2025

NOTE 1 - NATURE OF BUSINESS

Four Points Capital Partners, LLC (the “Company”) was chartered by the State of Texas as a Limited Liability Company (“LLC”) in July 23, 1997. The purpose of the corporation is to carry on a securities brokerage business. On May 20, 2013 the Company was sold by its former owner ATB Holdings Company LLC (“ATB”) to 5M Holdings LLC (“5M”), a Delaware limited liability company. As of that date 100% of the membership interests were transferred from ATB to 5M and continue to be held by 5M.

The Company is a registered broker-dealer under the Securities Exchange Act of 1934 with the Securities and Exchange Commission (the “SEC”). The Company is also a member of the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investor Protection Corp (“SIPC”). It operates out of its home office in New York State. The Company is licensed to conduct business as a retail securities broker-dealer.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

USE OF ESTIMATES IN THE FINANCIAL STATEMENTS

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

CREDIT LOSSES

The Company follows ASC Topic 326, Financial Instruments – Credit Losses (“ASC 326”). ASC impacts the impairment model for certain financial assets requiring a current expected credit loss (“CECL”) methodology to estimate expected credit losses over the entire life of the financial asset. Under the accounting update, the Company has the ability to determine that there are no expected credit losses in certain circumstances (e.g., based on the credit quality of the customer).

NOTES TO FINANCIAL STATEMENT

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES(CONTINUED)

COMMISSIONS RECEIVABLE

The Company receives commissions from its clearing firm. At December 31, 2025, the amount due from the clearing firm was \$79,061.

DEPOSITS WITH CLEARING BROKER

Deposits with clearing broker on the statement of financial condition consist of cash balances that the Company is required to maintain with the clearing broker which are restricted to use.

CASH AND CASH EQUIVALENTS

The Company considers all highly liquid temporary cash investments with an original maturity of three months or less when purchased to be cash equivalents. At December 31, 2025, the Company had no cash equivalents.

INCOME TAXES

The Company is a single-member limited liability company. The Company is considered to be a disregarded entity for tax reporting purposes and is not subject to federal and state income taxes and does not file income tax returns in any jurisdiction. All items of taxable income or expense are reported on the member's tax return. The Company may be subject to New York City Unincorporated Business Tax ("NYCUBT") however, the member of the Parent also reports any income derived from New York City source income that may be subject to NYCUBT on his personal tax return.

The Company accounts for income taxes under the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective income tax bases, and operating loss and tax credit carry-forwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in operations in the period enacted. A valuation allowance is provided when it is more likely than not that a portion or all of a deferred tax asset will not be realized. As of December 31, 2025 there were no deferred taxes or allowances.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES(CONTINUED)

COMPENSATED ABSENCES

Employees of the Company are entitled to paid vacations, paid sick days and personal days off depending on job classification, length of service and other factors. It is impracticable to estimate the amount of compensation for future absences, and, accordingly, no liability has been recorded in the accompanying financial statements. The Company's policy is to recognize the costs of compensated absences when actually paid to employees.

LEASES

The Company calculates its operating lease right-of-use asset and operating lease liability using its incremental borrowing rate and terms under the lease agreement. Lease payments for leases with a term of 12 months or less are expensed on a straight-line basis over the term of the lease with no lease asset or liability recognized. The Company amortizes the operating lease right-of-use asset over the lease term.

NOTE 3 - FAIR VALUE

The Company defines fair value as the price at which an asset would sell for or an amount paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Where available, fair value is based on observable market prices or parameters or derived from such prices or parameters. Where observable prices or parameters are not available, valuation models are applied. These valuation techniques involve some level of management estimation and judgment, the degree of which is dependent on the price transparency for the instruments or the market on which they are primarily traded, and the instruments' complexity. Assets and liabilities recorded at fair value in the statement of financial condition are categorized based upon the level of judgment associated with the inputs used to measure their fair value.

- Level 1 Inputs use quoted prices in active markets for identical assets or liabilities that the Company has the ability to access.
- Level 2 Inputs use other inputs that are observable, either directly or indirectly. These inputs include quoted prices for similar assets and liabilities in active markets as well as other inputs such as interest rates and yield curves that are observable at commonly quoted intervals.
- Level 3 Inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset or liability.

FOUR POINTS CAPITAL PARTNERS, LLC

NOTES TO FINANCIAL STATEMENT

DECEMBER 31, 2025

NOTE 3 - FAIR VALUE (CONTINUED)

Certain financial instruments are carried at cost on the balance sheet, which approximates fair value due to their short-term, highly liquid nature. These instruments include cash, accrued expenses and other liabilities, which have been classified as Level 1.

NOTE 4 - CONCENTRATIONS AND CREDIT RISK

The Company maintains all of its cash in a financial institution, which is insured by the Federal Deposit Insurance Corporation ("FDIC"). At times, cash may be uninsured, or in deposit accounts which exceed the FDIC insurance limit. The Company has not experienced any losses in such accounts and believes it is not subject to any significant credit risk.

The Company will engage in various investment and brokerage activities on which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of instrument. It is the Company's policy to review the credit standing of each counterparty as necessary.

NOTE 5 - DUE FROM CLEARING BROKER

The Company has a clearing agreement with a clearing broker, which will provide the clearing and depository operations for the Company's security transactions. Pursuant to the Clearing agreement, the Company is obligated to maintain a deposit of \$50,000. This deposit is included in the amounts due from clearing broker in the statement of financial condition.

The Company has agreed to indemnify its clearing broker for losses that the clearing broker may sustain from the customer accounts introduced by the Company.

NOTE 6 - NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule ("SEC Rule 15c3-1"), under which the Company is required to maintain a minimum net capital, as defined, of the greater of \$50,000 or one-fifteenth of aggregate indebtedness and requires that the ratio of aggregate indebtedness to net capital, as defined, shall not exceed 15 to 1. At December 31, 2025, the Company had net capital of \$194,700, which exceeded required net capital by \$144,700, and a total aggregate indebtedness of \$333,372. The Company's aggregate indebtedness to net capital ratio was 1.7122 to 1 at December 31, 2025.

FOUR POINTS CAPITAL PARTNERS, LLC

NOTES TO FINANCIAL STATEMENT

DECEMBER 31, 2025

NOTE 6 - NET CAPITAL REQUIREMENTS(CONTINUED)

The Company qualifies under the exemptive provisions of Rule 15c3-3 as the Company does not carry security accounts for customers or perform custodial functions related to customer securities.

NOTE 7 - INCOME TAXES

The Company evaluates its uncertain tax positions under the provisions of ASC 740 "Income Taxes". ASC 740 prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. Differences between tax positions taken or expected to be taken in a tax return and the benefit recognized and measured pursuant to the interpretation are referred to as "unrecognized benefits". A liability is recognized (or amount of net operating loss carry forward or amount of tax refundable is reduced) for an unrecognized tax benefit because it represents an enterprise's potential future obligation to the taxing authority for a tax position that was not recognized as a result of applying the provisions of ASC 740. As of December 31, 2025, no liability for unrecognized tax benefits was required to be recorded.

In accordance with ASC 740, interest costs related to unrecognized tax benefits are required to be calculated (if applicable) and would be classified as "interest expense, net" in the consolidated statements of operations. Penalties would be recognized as a component of "general and administrative expenses". As of December 31, 2025, no interest or penalties were required to be recorded.

The Company is no longer subject to local income tax examinations by tax authorities for years prior to 2022.

NOTE 8 - SEGMENT REPORTING

The Company is engaged in a single line of business as a securities broker-dealer, which is comprised of several classes of services, including principal transactions, agency transactions, investment banking, investment advisory and venture capital business. The Company has identified its Managing Partner as the chief operating decision maker ("CODM"), who uses net income to evaluate the results of the business, predominantly in the forecasting process, to manage the Company. Additionally, the CODM uses excess net capital (see Note 2), which is not a measure of profit and loss, to make operational decisions while maintaining capital adequacy, such as whether to reinvest profits or pay dividends. The Company's operations constitute a single operating segment and therefore, a single reportable

FOUR POINTS CAPITAL PARTNERS, LLC

NOTES TO FINANCIAL STATEMENT

NOTE 8 - SEGMENT REPORTING(CONTINUED)

segment, because the CODM manages the business activities using information of the Company as a whole. The accounting policies used to measure the profit and loss of the segment are the same as those described in the nature of business and summary of significant accounting policies.

NOTE 9 – COMMITMENTS AND CONTINGENCIES

The company is the subject of a claim regarding proper due diligence. The statement of claim seeks compensating damages of \$1.4 million. The Company plans on rigorously defending the claim. Outside counsel represents they cannot predict the outcome or estimate any potential liabilities.

NOTE 10– LEASING AGREEMENT

The Company's lease expired in October 2025. It currently leases space on a month to month basis at the rate of \$4,500 per month.

NOTE 11 – SUBSEQUENT EVENTS

Management has evaluated the Company's subsequent events and transactions that occurred through the date which the financial statements were available to be issued and determined the Company has no events and transactions occurring that require disclosure.
