Highly proficient in: Ruby, Rails, JavaScript, Vue.js, HTML, CSS, SQL

---

## Experience

### CaterCow

#### Product

January 2019 - Present (7 years 5 months)  
Brooklyn, New York, United States

### Zencare.co (We're hiring!)

#### Technical Advisor

October 2018 - October 2020 (2 years 1 month)  
Brooklyn, New York, United States

### VAWAA - Vacation With An Artist

#### CTO / Technical Co-Founder

May 2016 - January 2020 (3 years 9 months)  
Brooklyn, New York, United States

Built and managed the website for VAWAA.

### ClearVoice

#### Senior Software Engineer

August 2013 - March 2019 (5 years 8 months)  
Phoenix, Arizona Area

Responsible for the all back-end work on the ClearVoice platform.

I joined ClearVoice in its early stages (a couple months into development), and helped grow the product until the company was acquired by Fiverr in early 2019.

---
