4. Series Members.

a. Capital Contributions. The Series Members shall make the initial capital contribution to the Series as set forth in Exhibit B attached hereto (the “Schedule of Series Members”). An unlimited number of Units is hereby authorized. Outstanding Units shall be shown on the Schedule of Series Members kept with the Company’s transfer agent and registrar.

c. Distributions.

i. Distributions. The Series Members may receive “Distributable Cash” from the Series. “Distributable Cash” shall mean net proceeds after the “Management Performance Bonus” and/or “Final Gross Proceeds Fee,” payment of certain liabilities or contractual obligations and sufficient working capital and related reserves. The Series Manager intends to operate the Separate Assets of the Series in such a manner as to generate Distributable Cash for distribution to the Series Members. The Series Manager shall evaluate Distributable Cash quarterly or at more frequent intervals, in the Series Manager’s sole discretion. Distributable Cash shall be determined in the sole discretion of the Series Manager. Distributions of Distributable Cash to Series Members, when made, will be allocated among them in proportion to their Membership Interests in the Series. Distributable Cash, if any, will be distributed in the order described in (a) and (b) below, depending on the phase of operation of the Series. The Series Manager anticipates that

Distributions of Distributable Cash will not be made for at least the first twelve (12) months following the acquisition of the Asset and will be evaluated quarterly thereafter. This shall be calculated as the dividends available multiplied by a fraction with the fraction being the number of Membership Interests held by the Series Member as the numerator and the total number of outstanding Membership Interests as the denominator.

ii. Working Capital Reserves. The Series Manager shall determine the cash available for dividends after retention of reasonable working capital reserves. Working capital reserves may include pre-paid insurance and administrative expenses for an Asset for up to three (3) years. Working capital expenses may be as much as the cost of the interest in the Asset.

d. Withdrawal or Reduction of Members’ Contributions to Capital. Except as otherwise provided herein, a Series Member may not receive out of the Series’ property a return of any part of such Series Member’s capital contributions until all other liabilities of the Company have been paid or there remains property of the Company sufficient to pay such other liabilities. A Series Member shall not be entitled to demand or receive from the Series the liquidation of such Series Member’s Membership Interest in the Series until the Series is dissolved in accordance with the provisions hereof or other applicable provisions of the Act.

e. Restrictions on Transferability. Restrictions on Transferability shall be governed by the provisions set forth in the Company Agreement.

a. Authority to Dissolve Series. The Series Manager may dissolve the Series at any time once the Separate Assets have been sold. The dissolution may only be ordered by the Series Manager or the Company, not by an owner of Series Membership Interests or by any Series Member.

b. Distribution upon Dissolution. Upon dissolution of the Company, the Separate Assets of the Series will be distributed as follows:

i. First, to pay the creditors of the Series, including the Series Manager, any Series Member or third party who loaned or advanced money to the Series or has deferred any reimbursements or fees;

ii. Second, to establish Reserves against anticipated or unanticipated Series liabilities; and

c. Severability. Each provision of this Series Agreement is severable, and if for any reason any provision or provisions herein are determined to be invalid, unenforceable or illegal under any existing or future law, such invalidity, unenforceability or illegality does not impair the operation of or affect those portions of this Series Agreement which are valid, enforceable and legal.

d. Entire Agreement. This Series Agreement and the exhibit(s) to this Series Agreement constitute the entire agreement of the Parties with respect to the subject matter hereof. The exhibit(s) to this Series Agreement are incorporated into and made a part of this Series Agreement by reference. This Series Agreement is intended to be and shall constitute a legally binding document.

e. Counterparts. This Series Agreement may be executed in any number of counterparts with the same effect as if all Parties had signed the same document. All counterparts shall be construed together and shall constitute one instrument.
