Report of Independent Registered Public Accounting Firm

The Board of Directors and Management of Gallagher Securities, Inc.

We have reviewed management's statements, included in the accompanying GALLAGHER SECURITIES, INC. EXEMPTION REPORT, in which Gallagher Securities, Inc. (the Company) stated that:

- (1) The Company claimed an exemption from 17 C.F.R. § 240.15c3-3 (k): ((2)(i) and (2)(ii)) (the "exemption provisions")
- (2) The Company met the identified exemption provisions of §240.15c3-3 (k) throughout the most recent fiscal year ended December 31, 2025 without exception
- (3) The Company is also filing this Exemption Report because the Company's other business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 are limited to: (1) receiving transaction-based compensation for identifying potential merger and acquisition opportunities for clients, and (2) participating in distributions of securities, and the Company (1) did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers; (2) did not carry accounts of or for customers; and (3) did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year ended December 31, 2025 without exception.

Management is responsible for compliance with 17 C.F.R. § 240.15c3-3 and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with 17 C.F.R. § 240.15c3-3. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Rule 15c3-3 under the Securities Exchange Act of 1934 and pursuant to Footnote 74 of SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, FINRA, other regulatory agencies that rely on Rule 17a-5 under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and other recipients specified by Rule 17a-5(d)(6) and is not intended to be and should not be used by anyone other than these specified parties.

Report of Independent Accountants on Material Inadequacies required by Commodity Futures Trading Commission Regulation 1.16

The Board of Directors and Management of Gallagher Securities, Inc.

In planning and performing our audit of the financial statements and supplemental schedules (collectively “the financial statements”) of Gallagher Securities, Inc. (the “Company”) as of and for the year ended December 31, 2025, in accordance with the auditing standards generally accepted in the United States of America,, we considered the Company’s internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Company’s internal control over financial reporting.

Also, as required by Regulation 1.16 of the Commodity Futures Trading Commission (CFTC), we have evaluated the practices and procedures followed by the Company, including consideration of control activities for safeguarding customer and firm assets. This included practices and procedures that we considered relevant to the objectives stated in Regulation 1.16 in making the periodic computations of minimum financial requirements pursuant to Regulation 1.17. Because the Company is an introducing broker (as defined by CFTC Regulation 1.3), we did not evaluate the practices and procedures followed by the Company in making the following:

1. The daily computations of the segregation requirements of Sections 4d(a)(2) and 4d(f)(2) of the Commodity Exchange Act and the regulations thereunder, and the segregation of funds based on such computations; and
2. The daily computations of the foreign futures and foreign options secured amount requirements pursuant to Regulation 30.7 of the CFTC

The Company’s management is responsible for establishing and maintaining internal control over financial reporting and the practices and procedures referred to in the preceding paragraph (“the practices and procedures”). Two of the objectives of internal control over financial reporting and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized acquisition, use or disposition, and that transactions are being executed only in accordance with management’s authorization and recorded as necessary to permit the preparation of financial statements in conformity with U.S. generally accepted accounting principles. Regulation 1.16(d)(2) lists additional objectives of the practices and procedures.

Because of inherent limitations in internal control over financial reporting and the practices and procedures, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

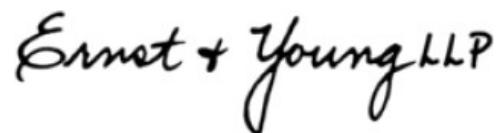

A deficiency in internal control over financial reporting exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. A material weakness is a deficiency, or combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses and therefore, material weaknesses may exist that were not identified.

Given these limitations, during our audit, we did not identify any deficiencies in internal control over financial reporting or control activities for safeguarding customer and firm assets that we consider to be material weaknesses as of or during the year ended December 31, 2025.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the CFTC to be adequate for their purposes in accordance with the Commodity Exchange Act and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our evaluation, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2025, to meet the CFTC's objectives.

This communication is intended solely for the information and use of the Board of Directors, management, the CFTC, National Futures Association, and other regulatory agencies that rely on Regulation 1.16 of the CFTC in their regulation of registered introducing brokers and is not intended to be and should not be used by anyone other than these specified parties.
