## Instructions

**READ THESE INSTRUCTIONS CAREFULLY BEFORE COMPLETING OR REVIEWING THE APPLICATION. THE FAILURE TO ANSWER ALL QUESTIONS COMPLETELY AND ACCURATELY OR THE OMISSION OF REQUIRED INFORMATION MAY RESULT IN THE DENIAL OR REVOCATION OF REGISTRATION.**

### DEFINED TERMS

Words that are underlined in this form are defined terms and have the meanings contained in the Definition of Terms section.

### GENERAL

Read the Instructions and Questions Carefully

A question that is answered incorrectly because it was misread or misinterpreted can result in severe consequences, including denial or revocation of registration. Although this applies to all questions in the application, it is particularly important to the questions in the Disciplinary Information Section.

Rely Only on Advice from NFA Staff

A question that is answered incorrectly because of advice received from a lawyer, employer, a judge or anyone else (other than a member of NFA's Registration, Compliance, Legal or Information Center ("RCLI") departments) can result in severe consequences, including denial or revocation of registration. This also applies to all questions in the form, but is particularly important regarding the Disciplinary Information Section. If the language of a question in the Disciplinary Information Section requires disclosure of a matter, a "Yes" answer to the question is required no matter what other advice has been received from anyone other than NFA's RCLI staff. Additionally, the applicant or registrant remains responsible for failures to disclose even if someone completes the form on the applicant's or registrant's behalf.

Update the Information on the Application

If information provided on the application changes or a matter that would have required disclosure on the application occurs after the application is filed, the new information must be promptly filed. APs and Principals should advise their Sponsors of the new information, and the Sponsor must file the update on their behalf. The failure to promptly update information can result in severe consequences, including denial or revocation of registration.

Compliance with Disclosure Requirements of Another Regulatory Body is not Sufficient

With some exceptions, which are described below in the Regulatory and Financial Questions sections, if any question requires the provision of information, that information must be provided. In particular, if a question in the Disciplinary Information Section requires disclosure of a matter, the question must be answered "Yes" and additional documents must be provided even if the matter has been disclosed to another regulatory body such as FINRA, an exchange or a state regulator. Similarly, disclosure is required even if another regulatory body does NOT require disclosure of the same matter.

## Call NFA with Questions

If there is any question about whether particular information must be provided, whether a particular matter must be disclosed or whether a particular question requires a "Yes" answer, call the NFA Information Center at (312) 781-1410. Representatives are available from 8:00 a.m. to 5:00 p.m., Central Time, Monday through Friday. If the advice of NFA staff is sought, a written record containing the date of the conversation, the name of the NFA staff person giving the advice and a description of the advice should be made during the conversation and kept in the event an issue concerning disclosure of the matter arises later.

## DISCIPLINARY INFORMATION SECTION

### Criminal Disclosures

Some common mistakes in answering the criminal disclosure questions involve expungements, diversion programs and similar processes. The Commodity Futures Trading Commission requires a "Yes" answer even if the matter has been expunged or the records sealed, there was no adjudication or finding of guilt, the guilty plea was vacated or set aside or the matter was dismissed upon completion of the diversion program.

Another common error regarding criminal matters concerns matters that do not involve the futures industry. All criminal matters must be disclosed, even if a matter is unrelated to the futures industry, unless the case was decided in a juvenile court or under a Youth Offender law.

### Regulatory Disclosures

Regulatory actions taken by the Commodity Futures Trading Commission, NFA or domestic futures exchanges do not need to be disclosed since NFA is already aware of them once they are entered into NFA's BASIC system.

### Financial Disclosures

It is not necessary to disclose arbitration or CFTC reparations matters unless the applicant or registrant has failed to pay an award issued in a futures-related arbitration or an order entered in a

reparations matter.

Only adversary actions that a bankruptcy trustee or a trustee's attorney files must be disclosed. Adversary actions that creditors file are not disclosable. A [person](#) named as a party to an adversary action in a bankruptcy proceeding must disclose the action, even if the [person](#) is not the bankrupt [person](#).

## ADDITIONAL DOCUMENTS

For any matter that caused a "Yes" answer, a written explanation detailing the events and conduct must be provided. That explanation can be entered on the Matter pages by giving it a name, e.g., the docket number of the case, and describing it in the text box. Alternatively, the explanation can be sent in hard copy format to NFA.

In addition to the required explanation, other documents about the matter must be sent to NFA. If court documents are unavailable, a letter from the court verifying that must be sent to NFA. If documents other than court documents are unavailable, the [person](#) must provide a written explanation for their unavailability.

Like answering the questions correctly, providing all documents to NFA is important. Failure to do so will delay the registration process and may result in a denial of the application.

## Privacy Act and Paperwork Reduction Act Notice

The information in Forms 7-R, 7-W, 8-R and 8-T and on the fingerprint card is being collected pursuant to authority granted in Sections 2c, 4f, 4k, 4n, 4s, 8a and 19 of the Commodity Exchange Act [7 U.S.C. §§ 6f, 6k, 6n, 6s, 12a and 23]. Under Section 2c, it is unlawful for anyone to engage in off-exchange foreign currency futures transactions or off-exchange foreign currency leveraged, margined or financed transactions with persons who are not eligible contract participants without registration, or exemption from registration, as a retail foreign exchange dealer, futures commission merchant, introducing broker, commodity pool operator or commodity trading advisor, as appropriate. Under Section 4d of the Commodity Exchange Act [7 U.S.C. §6d], it is unlawful for anyone to act as a futures commission merchant or introducing broker without being registered in that capacity under the Act. Under Section 4m of the Commodity Exchange Act [7 U.S.C. §6m], it is unlawful for a commodity trading advisor or commodity pool operator to make use of the mails or any means or instrumentality of interstate commerce in connection with his business as a commodity trading advisor or commodity pool operator without being registered in the appropriate capacity under the Act, except that a commodity trading advisor who, during the course of the preceding 12 months, has not furnished commodity trading advice to more than 15 persons and does not hold himself out generally to the public as a commodity trading advisor, need not register. Under Section 4s of the Commodity Exchange Act [7 U.S.C. §6s], it is unlawful for anyone to act as a swap dealer or major swap participant without being registered in that capacity under the Act. Under Section 19 of the Commodity Exchange Act [7 U.S.C. §23] and Section 31.5 of the CFTC's regulations, it is unlawful for anyone to act as a leverage transaction merchant without being registered in that capacity under the Act.

The information requested in Form 7-R is designed to assist NFA and the CFTC, as appropriate, in determining whether the application for registration should be granted or denied and to maintain the accuracy of registration files. The information in Form 7-W is designed to assist NFA and the CFTC in determining whether it would be contrary to the requirements of the Commodity Exchange Act, or any rule, regulation or order thereunder, or the public interest to permit withdrawal from registration.

The information requested in Form 8-R and on the fingerprint card will be used by the CFTC or NFA, as appropriate, as a basis for initiating an inquiry into the individual's fitness to be an associated person, floor broker or floor trader or to be a principal of a futures commission merchant, swap dealer, major swap participant, retail foreign exchange dealer, introducing broker, commodity trading advisor, commodity pool operator, leverage transaction merchant or non-natural person floor trader. Portions of the information requested in Form 8-R will be used by the CFTC and, in appropriate cases, by NFA, to confirm the registration of certain associated persons. The information requested in Form 8-T will be used by the CFTC, and, in appropriate cases, by NFA, to record the registration status of the individual and, in appropriate cases, as a basis for further inquiry into the individual's fitness to remain in business subject to the CFTC's jurisdiction.

With the exception of the social security number, all information in Forms 8-R and 8-T must be furnished. Disclosure of the social security number is voluntary. Disclosure of the Federal employer identification number is voluntary. The social security number and the Federal employer identification number are sought pursuant to the Debt Collection Improvement Act of 1996. Under the Debt Collection Improvement Act, a social security number or a taxpayer identifying number furnished to the CFTC as part of the registration process can be used for purposes of collecting and reporting on any debt owed to the U.S. Government, including civil monetary penalties. The furnishing of a social security number or Federal employer identification number, however, assists the CFTC and NFA in identifying individuals and firms and therefore expedites the processing of those forms.

The failure by an applicant, registrant or principal to timely file a properly completed Form 7-R and all other related required filings may result in the denial of an application for registration or withdrawal thereof or, in the case of an annual records maintenance fee, treating the registrant as having petitioned for withdrawal. Failure by an applicant, registrant or principal to timely file or cause to be filed a properly completed Form 8-R or 8-T, any other required related filings, or a fingerprint card may result in the lapse, denial, suspension or revocation of registration, withdrawal of the application or other enforcement or disciplinary action by the CFTC or NFA.

With the exception of the fingerprint card, any information contained in the Personal Information Section and any information contained in Matter Information pages related to the Disciplinary Information Sections on Form 8-R and on Form 8-T or Item 7 on Form 8-W, the Forms 7-R, 7-W, 8-R and 8-T are considered by the CFTC to be public records and will be available for inspection by any person. Copies will be maintained by National Futures Association, Registration Department, Suite 1800, 300 S. Riverside Plaza, Chicago, IL 60606-6615. Further, the CFTC or NFA may disclose the fingerprint card and any other information described above to third parties pursuant to routine uses which the CFTC has published in the Federal Register or as otherwise authorized under the Privacy Act, [5 U.S.C. §552a], and the Commodity Exchange Act. Disclosure of such information may be made by the CFTC as follows: (1) in connection with administrative proceedings or matters in litigation; (2) in connection with investigations; (3) where the information is furnished to regulatory, self-regulatory and law enforcement or other governmental agencies to assist them in meeting responsibilities assigned to them by law or made available to any member of Congress who is acting in his or her capacity as a member of Congress; (4) where disclosure is required under the Freedom of Information Act [5 U.S.C. §552]; (5) in connection with an employer's hiring or retention of an employee; (6) in connection with the verification of information submitted for sponsorship purposes; (7) in other circumstances in which the withholding of such information appears unwarranted; and (8) in connection with legally required or authorized reports. Disclosure may be made by NFA in accordance with rules approved by the CFTC.

If an individual believes that the placing in the CFTC's or NFA's public files of any of the information contained in the Personal Information Section or in Matter Information pages related

to Disciplinary Information on Form 8-R and on Form 8-T or Item 7 on Form 8-W, or on the fingerprint card would constitute an unwarranted invasion of his personal privacy, the individual may petition the CFTC, pursuant to 17 CFR 145.9, to treat such information as confidential in response to requests under the Freedom of Information Act (FOIA) [5 U.S.C. §552]. The CFTC will make no determination as to confidential treatment of information submitted unless and until the information is the subject of an FOIA request. The filing of a petition for confidential treatment, however, does not guarantee that the information will be treated confidentially in response to an FOIA request.

Forms which have not been prepared and executed in compliance with applicable requirements may not be acceptable for filing. Acceptance of this form shall not constitute any finding that the information is true, current or complete. Misstatements or omissions of fact may constitute federal criminal violations [7 U.S.C. §13 and 18 U.S.C. §1001] or grounds for disqualification from registration.

This notice is provided in accordance with the requirements of the Privacy Act [5 U.S.C. §552a(e)(3)] and summarizes some of an individual's rights under the Privacy Act [5 U.S.C. §552a] and the Freedom of Information Act [5 U.S.C. §552]. Individuals desiring further information should consult the CFTC's regulations under the Privacy Act, 17 CFR Part 146, and under the Freedom of Information Act, 17 CFR Part 145, and the CFTC's annual notice, published in the Federal Register, pursuant to the Privacy Act, of the existence and character of each system of records maintained by the CFTC.

**Instructions**

---

**READ THESE INSTRUCTIONS CAREFULLY BEFORE COMPLETING OR REVIEWING THE APPLICATION. THE FAILURE TO ANSWER ALL QUESTIONS COMPLETELY AND ACCURATELY OR THE OMISSION OF REQUIRED INFORMATION MAY RESULT IN THE DENIAL OR REVOCATION OF REGISTRATION.**

**THE FAILURE TO DISCLOSE A DISCIPLINARY MATTER EITHER IN AN APPLICATION OR AN UPDATE WILL RESULT IN THE IMPOSITION OF A LATE DISCLOSURE FEE IN ACCORDANCE WITH NFA REGISTRATION RULE 210(c).**

Not every section applies to every applicant. Certain sections apply depending on the registration category or categories being applied for. The text above these sections explains who must complete the section.

**DEFINED TERMS**

Words that are underlined in this form are either defined terms and have the meanings contained in the Definition of Terms section or links to the text of Commodity Exchange Act provisions, CFTC Regulations or NFA Rules.

**GENERAL**

Read the Instructions and Questions Carefully

A question that is answered incorrectly because it was misread or misinterpreted can result in severe consequences, including denial or revocation of registration. Although this applies to all questions in the application, it is particularly important to the questions in the Disciplinary Information Section.

**Rely Only on Advice from NFA Staff**

A question that is answered incorrectly because of advice received from a lawyer, employer, a judge or anyone else (other than a member of NFA's Registration Investigations or Legal (RIL) staff) can result in severe consequences, including denial or revocation of registration. This also applies to all questions in the form, but is particularly important regarding the Disciplinary Information Section. If the language of a question in the Disciplinary Information Section requires disclosure of a matter, a "Yes" answer to the question is required no matter what other advice has been received from anyone other than NFA's RIL staff. Additionally, the applicant or registrant remains responsible for failures to disclose even if someone completes the form on the applicant's or registrant's behalf.

**Update the Information on the Application**

If information provided on the application changes or a matter that would have required disclosure on the application occurs after the application is filed, the new information must be promptly filed. APs and Principals should advise their Sponsors of the new information, and the Sponsor must file the update on their behalf. The failure to promptly update information can result in severe consequences, including denial or revocation of registration.

**Compliance with Disclosure Requirements of Another Regulatory Body is not Sufficient**

With some exceptions, which are described below in the Regulatory and Financial Disclosures sections, if any

question requires the provision of information, that information must be provided. In particular, if a question in the Disciplinary Information Section requires disclosure of a matter, the question must be answered "Yes" and additional documents must be provided even if the matter has been disclosed to another regulatory body such as FINRA, an exchange or a state regulator. Similarly, disclosure is required even if another regulatory body does NOT require disclosure of the same matter.

### **Call NFA with Questions**

If there is any question about whether particular information must be provided, whether a particular matter must be disclosed or whether a particular question requires a "Yes" answer, call the NFA Information Center at (800) 621-3570 or (312) 781-1410. Representatives are available from 8:00 a.m. to 5:00 p.m., Central Time, Monday through Friday. If the advice of NFA staff is sought, a written record containing the date of the conversation, the name of the NFA staff person giving the advice and a description of the advice should be made during the conversation and kept in the event an issue concerning disclosure of the matter arises later.

## **DISCIPLINARY INFORMATION SECTION**

### **Criminal Disclosures**

Some common mistakes in answering the criminal disclosure questions involve expungements, diversion programs and similar processes. The Commodity Futures Trading Commission requires a "Yes" answer even if the matter has been expunged or the records sealed, there was no adjudication or finding of guilt, the guilty plea was vacated or set aside or the matter was dismissed upon completion of the diversion program.

Another common error regarding criminal matters concerns matters that do not involve the derivatives industry. All criminal matters must be disclosed, even if a matter is unrelated to the derivatives industry, unless the case was decided in a juvenile court or under a Youth Offender law.

### **Regulatory Disclosures**

Regulatory actions taken by the Commodity Futures Trading Commission, NFA or U.S. futures exchanges do not need to be disclosed since NFA is already aware of them once they are entered into NFA's BASIC system.

### **Financial Disclosures**

It is not necessary to disclose arbitration awards or CFTC reparations matters unless the applicant or registrant has failed to pay an award related to a CFTC-related product or an order entered in a reparations matter.

Only adversary actions that a U.S. bankruptcy trustee files must be disclosed. Adversary actions that creditors file are not disclosable. A person named as a party to an adversary action in a bankruptcy proceeding must disclose the action, even if the person is not the bankrupt person.

## **ADDITIONAL DOCUMENTS**

For each matter that caused a "Yes" answer, a Disclosure Matter Page (DMP), which is accessible using NFA's DMP Filing System, must be filed. In addition to the required DMP, other documents about the matter must be provided to NFA. If court documents are unavailable, a certified letter from the court verifying that must be sent to NFA. If documents other than court documents are unavailable, a written explanation for their unavailability must be provided. Electronic copies of the documents can be uploaded using NFA's DMP Filing System or documents may be sent to NFA by email to [registration@nfa.futures.org](mailto:registration@nfa.futures.org), fax to (312) 559-3411 or mail to NFA Registration Department, 300 S. Riverside Plaza, Suite 1800, Chicago, IL 60606.

Providing all documents to NFA is important. Failure to do so will delay the registration process and may result in a denial of the application.

### Instructions

---

READ THESE INSTRUCTIONS CAREFULLY BEFORE COMPLETING OR REVIEWING THE APPLICATION. THE FAILURE TO ANSWER ALL QUESTIONS COMPLETELY AND ACCURATELY OR THE OMISSION OF REQUIRED INFORMATION MAY RESULT IN THE DENIAL OR REVOCATION OF REGISTRATION.

THE FAILURE TO DISCLOSE A DISCIPLINARY MATTER EITHER IN AN APPLICATION OR AN UPDATE WILL RESULT IN THE IMPOSITION OF A LATE DISCLOSURE FEE IN ACCORDANCE WITH NFA REGISTRATION RULE 210(c).

Not every section applies to every applicant. Certain sections apply depending on the registration category or categories being applied for. The text above these sections explains who must complete the section.

#### DEFINED TERMS

Words that are underlined in this form are either defined terms and have the meanings contained in the Definition of Terms section or links to the text of Commodity Exchange Act provisions, CFTC Regulations or NFA Rules.

#### GENERAL

##### Read the Instructions and Questions Carefully

A question that is answered incorrectly because it was misread or misinterpreted can result in severe consequences, including denial or revocation of registration. Although this applies to all questions in the application, it is particularly important to the questions in the Disciplinary Information Section.

##### Rely Only on Advice from NFA Staff

A question that is answered incorrectly because of advice received from a lawyer, employer, a judge or anyone else (other than a member of NFA's Registration Investigations or Legal (RIL) staff) can result in severe consequences, including denial or revocation of registration. This also applies to all questions in the form, but is particularly important regarding the Disciplinary Information Section. If the language of a question in the Disciplinary Information Section requires disclosure of a matter, a "Yes" answer to the question is required no matter what other advice has been received from anyone other than NFA's RIL staff. Additionally, the applicant or registrant remains responsible for failures to disclose even if someone completes the form on the applicant's or registrant's behalf.

##### Update the Information on the Application

If information provided on the application changes or a matter that would have required disclosure on the application occurs after the application is filed, the new information must be promptly filed. APs and Principals should advise their Sponsors of the new information, and the Sponsor must file the update on their behalf. The failure to promptly update information can result in severe consequences, including denial or revocation of registration.

##### Compliance with Disclosure Requirements of Another Regulatory Body is not Sufficient

With some exceptions, which are described below in the Regulatory and Financial Disclosures sections, if any

question requires the provision of information, that information must be provided. In particular, if a question in the Disciplinary Information Section requires disclosure of a matter, the question must be answered "Yes" and additional documents must be provided even if the matter has been disclosed to another regulatory body such as FINRA, an exchange or a state regulator. Similarly, disclosure is required even if another regulatory body does NOT require disclosure of the same matter.

#### Call NFA with Questions

If there is any question about whether particular information must be provided, whether a particular matter must be disclosed or whether a particular question requires a "Yes" answer, call the NFA Information Center at (800) 621-3570 or (312) 781-1410. Representatives are available from 8:00 a.m. to 5:00 p.m., Central Time, Monday through Friday. If the advice of NFA staff is sought, a written record containing the date of the conversation, the name of the NFA staff person giving the advice and a description of the advice should be made during the conversation and kept in the event an issue concerning disclosure of the matter arises later.

### DISCIPLINARY INFORMATION SECTION

#### Criminal Disclosures

Some common mistakes in answering the criminal disclosure questions involve expungements, diversion programs and similar processes. The Commodity Futures Trading Commission requires a "Yes" answer even if the matter has been expunged or the records sealed, there was no adjudication or finding of guilt, the guilty plea was vacated or set aside or the matter was dismissed upon completion of the diversion program.

Another common error regarding criminal matters concerns matters that do not involve the derivatives industry. All criminal matters must be disclosed, even if a matter is unrelated to the derivatives industry, unless the case was decided in a juvenile court or under a Youth Offender law.

#### Regulatory Disclosures

Regulatory actions taken by the Commodity Futures Trading Commission, NFA or U.S. futures exchanges do not need to be disclosed since NFA is already aware of them once they are entered into NFA's BASIC system.

#### Financial Disclosures

It is not necessary to disclose arbitration awards or CFTC reparations matters unless the applicant or registrant has failed to pay an award related to a CFTC-related product or an order entered in a reparations matter.

Only adversary actions that a U.S. bankruptcy trustee files must be disclosed. Adversary actions that creditors file are not disclosable. A person named as a party to an adversary action in a bankruptcy proceeding must disclose the action, even if the person is not the bankrupt person.

### ADDITIONAL DOCUMENTS

For each matter that caused a "Yes" answer, a Disclosure Matter Page (DMP), which is accessible using NFA's DMP Filing System, must be filed. In addition to the required DMP, other documents about the matter must be provided to NFA. If court documents are unavailable, a certified letter from the court verifying that must be sent to NFA. If documents other than court documents are unavailable, a written explanation for their unavailability must be provided to NFA. Electronic copies of the documents can be uploaded using NFA's DMP Filing System or documents may be sent to NFA by email to [registration@nfa.futures.org](mailto:registration@nfa.futures.org), fax to (312) 559-3411 or mail to NFA Registration Department, 320 South Canal, Suite 2400, Chicago, IL 60606.

Providing all documents to NFA is important. Failure to do so will delay the registration process and may result in a denial of the application.

THE QUESTIONS MAY BE ANSWERED "NO" IF THE CASE WAS DECIDED IN A JUVENILE COURT OR UNDER A YOUTH OFFENDER LAW.

For each matter that requires a "Yes" answer to Questions A, B or C below, a Criminal Disclosure Matter Page (DMP) must be filed using NFA's DMP Filing System that requests:

### Instructions

---

READ THESE INSTRUCTIONS CAREFULLY BEFORE COMPLETING OR REVIEWING THE APPLICATION. THE FAILURE TO ANSWER ALL QUESTIONS COMPLETELY AND ACCURATELY OR THE OMISSION OF REQUIRED INFORMATION MAY RESULT IN THE DENIAL OR REVOCATION OF REGISTRATION.

THE FAILURE TO DISCLOSE A DISCIPLINARY MATTER EITHER IN AN APPLICATION OR AN UPDATE WILL RESULT IN THE IMPOSITION OF A LATE DISCLOSURE FEE IN ACCORDANCE WITH NFA REGISTRATION RULE 210(c).

Not every section applies to every applicant. Certain sections apply depending on the registration category or categories being applied for. The text above these sections explains who must complete the section.

#### DEFINED TERMS

Words that are underlined in this form are either defined terms and have the meanings contained in the Definition of Terms section or links to the text of Commodity Exchange Act provisions, CFTC Regulations or NFA Rules.

#### GENERAL

##### Read the Instructions and Questions Carefully

A question that is answered incorrectly because it was misread or misinterpreted can result in severe consequences, including denial or revocation of registration. Although this applies to all questions in the application, it is particularly important to the questions in the Disciplinary Information Section.

##### Rely Only on Advice from NFA Staff

A question that is answered incorrectly because of advice received from a lawyer, employer, a judge or anyone else (other than a member of NFA's Registration Investigations or Legal (RIL) staff) can result in severe consequences, including denial or revocation of registration. This also applies to all questions in the form, but is particularly important regarding the Disciplinary Information Section. If the language of a question in the Disciplinary Information Section requires disclosure of a matter, a "Yes" answer to the question is required no matter what other advice has been received from anyone other than NFA's RIL staff. Additionally, the applicant or registrant remains responsible for failures to disclose even if someone completes the form on the applicant's or registrant's behalf.

##### Update the Information on the Application

If information provided on the application changes or a matter that would have required disclosure on the application occurs after the application is filed, the new information must be promptly filed. APs and Principals should advise their Sponsors of the new information, and the Sponsor must file the update on their behalf. The failure to promptly update information can result in severe consequences, including denial or revocation of registration.

##### Compliance with Disclosure Requirements of Another Regulatory Body is not Sufficient

With some exceptions, which are described below in the Regulatory and Financial Disclosures sections, if any

question requires the provision of information, that information must be provided. In particular, if a question in the Disciplinary Information Section requires disclosure of a matter, the question must be answered "Yes" and additional documents must be provided even if the matter has been disclosed to another regulatory body such as FINRA, an exchange or a state regulator. Similarly, disclosure is required even if another regulatory body does NOT require disclosure of the same matter.

#### Call NFA with Questions

If there is any question about whether particular information must be provided, whether a particular matter must be disclosed or whether a particular question requires a "Yes" answer, call the NFA Information Center at (800) 621-3570 or (312) 781-1410. Representatives are available from 8:00 a.m. to 5:00 p.m., Central Time, Monday through Friday. If the advice of NFA staff is sought, a written record containing the date of the conversation, the name of the NFA staff person giving the advice and a description of the advice should be made during the conversation and kept in the event an issue concerning disclosure of the matter arises later.

### DISCIPLINARY INFORMATION SECTION

#### Criminal Disclosures

Some common mistakes in answering the criminal disclosure questions involve expungements, diversion programs and similar processes. The Commodity Futures Trading Commission requires a "Yes" answer even if the matter has been expunged or the records sealed, there was no adjudication or finding of guilt, the guilty plea was vacated or set aside or the matter was dismissed upon completion of the diversion program.

Another common error regarding criminal matters concerns matters that do not involve the derivatives industry. All criminal matters must be disclosed, even if a matter is unrelated to the derivatives industry, unless the case was decided in a juvenile court or under a Youth Offender law.

#### Regulatory Disclosures

Regulatory actions taken by the Commodity Futures Trading Commission, NFA or U.S. futures exchanges do not need to be disclosed since NFA is already aware of them once they are entered into NFA's BASIC system.

#### Financial Disclosures

It is not necessary to disclose arbitration awards or CFTC reparations matters unless the applicant or registrant has failed to pay an award related to a CFTC-related product or an order entered in a reparations matter.

Only adversary actions that a U.S. bankruptcy trustee files must be disclosed. Adversary actions that creditors file are not disclosable. A person named as a party to an adversary action in a bankruptcy proceeding must disclose the action, even if the person is not the bankrupt person.

### ADDITIONAL DOCUMENTS

For each matter that caused a "Yes" answer, a Disclosure Matter Page (DMP), which is accessible using NFA's DMP Filing System, must be filed. In addition to the required DMP, other documents about the matter must be provided to NFA. If court documents are unavailable, a certified letter from the court verifying that must be sent to NFA. If documents other than court documents are unavailable, a written explanation for their unavailability must be provided to NFA. Electronic copies of the documents can be uploaded using NFA's DMP Filing System or documents may be sent to NFA by email to [registration@nfa.futures.org](mailto:registration@nfa.futures.org), fax to (312) 559-3411 or mail to NFA Registration Department, 320 South Canal, Suite 2400, Chicago, IL 60606.

Providing all documents to NFA is important. Failure to do so will delay the registration process and may result in a denial of the application.
