Contractor+ helps contractors systemize and ! We're raising on Wefunder!
Orlando, Florida, United States

Summary

A passionate Entrepreneur, Tech enthusiast, Perfectionist, and a loving father.

I am a Co-Founder & Chief Technology Officer of Contractor+ (www.contractorplus.app) which helps Field Service Contractors automate their current workflow & boost productivity.

We at Contractor Plus, are building an ecosystem for Field Service Contractors that will help them streamline their process & help them scale their business. Part of the ecosystem is as follows:

A) Contractor+ App

Contractor+ App is an all-in-one app for handyman service contractors to manage their services & streamline operations. The platform allows artisans to get their entire team organized in one place. Contractor+ provides the following solutions to help increase accountability & streamline your field service business:

Client Relationship Management

Team Management

Job Scheduling, Booking & Dispatching

Accurate, Itemized Estimating

Streamlined Invoicing & Payments

Tool Tracking

Accounting

Since November 19 2020, the official launch of Contractor+ App, we got 2000+ registered users, 35 paying subscribers to our paid plans. We are getting anywhere around 50-70 new signups every day.

Contractor+ App is available to download and use totally free for both Android and iPhone.

B) Contractor+ Club

Contractor+ Club is a directory for Contractors where they can simply Add a FREE Business Listing and can generate qualified leads via local exposure.

Contractor+ Club has over 800,000 contractors business listed over 100+ categories, 50+ states & 100,000+ cities.

C) Contractor+ Works

Contractor+ Works will allow Contractors to find the right workers required to be part of their team. It is a medium connecting both Contractors & Workers and helps boost their growth.

We believe Contractor+ is a crucial tool to the success of your field service business by helping you automate & manage things on a single platform.
