Subject [Preview] Thanks for thinking this over

Hey Maverick,
I wanted to say thanks for considering participating in our crowd fund campaign. Means you're the kind of person who doesn't make this stuff a snap decision. I respect that. That's one of the main reasons we went the community route when raising capital for our brand.

If there are questions still rattling around, I'd love to answer them myself, I block off time every week to talk to folks who are thinking about backing the Duke. I've met some amazing people through these conversations thus far and can't wait to meet you.

Looking forward to it.
