SPEED Trucking and Logistics, Ltd.

Field Operations Manager

October 2006 - Present (19 years 9 months)

McConnellsburg, PA

SPEED Trucking and Logistics was formed in October 2006 to provide a service specializing in rapid response pickup and delivery in South-Central Pennsylvania. The company serviced the Crane & Aerial Lift markets across the State and throughout the US.

In 2008, SPEED Trucking shifted its focus to The Oil & Gas Industry as the Marcellus Shale Play was being developed throughout PA, WV, & Southern NY. It grew into one of Pennsylvania's Leading Oil & Gas Field Service Companies specializing in the transportation of materials to and from the drilling rigs.

In 2010, SPEED Trucking expanded its services into the field of Rig Moving. With the dedication and hard work of the drivers and staff, SPEED Trucking and Logistics will continue to be a leader in transportation servicing the Oil and Gas Industry throughout the US & Canada.

2015 was a year of transition and refocusing. With a deep and rich history in the Beer Industry, SPEED Trucking has expanded its services to include the transporting of Beer across the US. Our founder, Bill Clevenger grew up in the industry, and his family has been a wholesaler, distributor, and transporter of

Beer for over 50+ years. Bill's keen eye on shifting markets, and the rise of the Craft Beer industry, it was time to bring SPEED Trucking's first class customer service to an industry he knows all too well.

2018 continues to showcase the depth of resources Speed Trucking and Logistics, Ltd., has built over the past 12 years. The company continues to be a leader in America's Energy Industry. From providing asset based equipment to pipeline projects in the Northeast, to delivering casing, tools, and other equipment to well locations across Texas, Oklahoma, and Louisiana. We are extremely proud to be one of the premier transportation companies supporting America's Energy Revolution!!
