Friends — I just launched Rock My Reunion on WeFunder. We're raising a \$500K seed funding round and I wanted to give you first access before we go public on June 23rd. Early investors get a better valuation cap — first \$100K gets VIP terms. No money moves yet, just indicate how much you want to invest to reserve your spot. You can read the full deck and terms on the page. Here's the link: wefunder.com/rock.my.reunion.inc — means a lot to have your support.

Please click the link for a quick overview. Once again, no money is transferred now, just your interest level.

Thx!
