*For purposes of this table, Funded Investment Amount means each funded investment from an Investor in which the Investor has completed all documents required hereunder (i.e., Subscription Agreement and Investor Questionnaire), funded its purchase of Securities and DealMaker has approved the investment following its compliance review, including AML screening. For the sake of clarity, multiple investments may be aggregated in determining whether the Funded Investment Amount threshold has been met.

** Bonus shares of Class C Common Stock shall have the same terms as the Class C Common Stock issued in the Offering.

For the sake of clarity, Time-Based Bonus Shares and Large Investor Bonus Shares can be stacked together.

Fractional shares will not be distributed and share bonuses will be determined by rounding up to the nearest whole share. The Perks will all be assigned to Investors at the termination of the Offering, unless otherwise decided between the Company and the registrar/transfer agent. The date/time of the signed subscription will be used to assign Perks. DealMaker Securities LLC has not been engaged to assist in the distribution of the Bonus Shares or the Non-Equity Perks, and will not receive any compensation related to the Bonus Shares or Non-Equity Perks.

RISK FACTORS

Investing in the Securities involves a high degree of risk and may result in the loss of your entire investment. Before making an investment decision with respect to the Securities, we urge you to carefully consider the risks described in this section and other factors set forth in this Form C. The risks discussed below are not the only ones facing its business but do represent those risks that the Company believes are material to it. Additional risks and uncertainties not presently known to it or that the Company currently deems immaterial may also harm its business.

In addition to the risks specified below, the Company is subject to same risks that all companies in its business, and all companies in the economy, are exposed to. These include risks relating to economic downturns, political and economic events and technological developments (such as hacking and the ability to prevent hacking). Additionally, early-stage companies are inherently riskier than more developed companies. Prospective Investors should consult with their legal, tax and financial advisors prior to making an investment in the Securities. The Securities should only be purchased by persons who can afford to lose all of their investment.

Before investing, you should carefully read and carefully consider the following:

Risks Related to the Company's Business and Industry

We have a limited operating history upon which you can evaluate our performance, and accordingly, our prospects must be considered in light of the risks that any new company encounters.

The Company is still in an early phase and we are just beginning to implement our business plan. There can be no assurance that we will ever operate profitably. The likelihood of our success should be considered in light of the problems, expenses, difficulties, complications and delays usually encountered by early-stage companies. The Company may not be successful in attaining the objectives necessary for it to overcome these risks and uncertainties.

The amount of capital the Company is attempting to raise in this Offering may not be enough to sustain the Company's current business plan.

In order to achieve the Company's near and long-term goals, the Company may need to procure funds in addition to the amount raised in the Offering. There is no guarantee the Company will be able to raise such funds on acceptable terms or at all. If we are not able to raise sufficient capital in the future, we may not be able to execute our business plan, our continued operations may be in jeopardy and we may be forced to cease operations and sell or otherwise transfer all or substantially all of our remaining assets, which could cause an Investor to lose all or a portion of their investment.

We may face potential difficulties in obtaining capital.

We may have difficulty raising the capital needed in the future as a result of, among other factors, a lack of, or reduced, revenues from sales, as well as the inherent business risks associated with the Company and present and future market conditions. Additionally, our future sources of revenue may not be sufficient to meet our future capital requirements. As such, we may require additional funds to execute our business strategy and conduct our operations. If adequate funds are unavailable, we may be required to delay, reduce the scope of or eliminate one or more of our research, development or commercialization programs, product launches or marketing efforts, any of which may materially harm our business, financial condition and results of operations.

The Company is indirectly majority owned by its sole director and President, and he will exercise voting control.

Prior to the Offering, XPNetwork Holdings, Inc., for which Jason Hawronsky, the Company's sole director and President, is an over 20% member and controlling shareholder, and for which Louis Castle, the Company's CEO is a director, beneficially owns a majority of the outstanding equity of the Company. Subject to any fiduciary duties owed to other stockholders under Delaware law, Mr. Hawronsky may be able to exercise significant influence over matters requiring stockholder approval, including the election of directors or managers and approval of significant Company transactions, and will have significant control over the Company's management and policies. Mr. Hawronsky may have interests that are different from yours. For example, Mr. Hawronsky may support proposals and actions with which you may disagree. The concentration of ownership could delay or prevent a change in control of the Company or otherwise discourage a potential acquirer from attempting to obtain control of the Company, which in turn could reduce the price potential investors are willing to pay for the Company. In addition, Mr. Hawronsky could use his voting influence to maintain the Company's existing management, delay or prevent changes in control of the

Company, issue additional securities which may dilute you, repurchase securities of the Company, enter into transactions with related parties or support or reject other management and board proposals that are subject to stockholder approval.

We may implement new lines of business or offer new products and services within existing lines of business.

As an early-stage company, we may implement new lines of business at any time. There are substantial risks and uncertainties associated with these efforts, particularly in instances where the markets are not fully developed. In developing and marketing new lines of business and/or new products and services, we may invest significant time and resources. Initial timetables for the introduction and development of new lines of business and/or new products or services may not be achieved, and price and profitability targets may not prove feasible. We may not be successful in introducing new products and services in response to industry trends or developments in technology, or those new products may not achieve market acceptance. As a result, we could lose business, be forced to price products and services on less advantageous terms to retain or attract clients or be subject to cost increases. As a result, our business, financial condition or results of operations may be adversely affected.

The Company's business plan is based on numerous assumptions and projections that may not prove accurate.

The Company's business plan and potential growth is based upon numerous assumptions. No assurance can be given regarding the attainability of the financial projections. The Company's ability to adhere to, and implement, its business plan will depend upon the Company's ability to successfully raise funds and a variety of other factors, many of which are beyond the Company's control. Likewise, management is not bound to follow the business plan and may elect to adopt other strategies based upon unanticipated opportunities, or changes in circumstances or market conditions. All financial projections contained in the business plan are based entirely upon management's assumptions and projections and should not be considered as a forecast of actual revenues or our liquidity. Actual operating results may be materially different.

Although the Company believes the assumptions upon which the Company's business and financial projections are based have reasonable bases, the Company cannot offer any assurance that its results of operations and growth will be as contemplated. If any of the assumptions upon which these opinions and projections are based prove to be inaccurate, including growth of the economy in general and trends in our industry, these opinions and projections could be adversely affected. Prospective investors should be aware that these opinions and other projections and predictions of future performance, whether included in the business plan, or previously or subsequently communicated to prospective investors, are based on certain assumptions which are highly speculative. Such projections or opinions are not (and should not be regarded as) a representation or warranty by the Company or any other person that the overall objectives of the Company will ever be achieved or that the Company will ever achieve significant revenues or profitability. These opinions, financial projections, and any other predictions of future performance should not be relied upon by potential investors in making an investment decision in regard to this Offering.

We rely on other companies to provide services for our products.

We depend on third-party vendors to meet our contractual obligations to our customers and to conduct our operations. Our ability to meet our obligations to our customers may be adversely affected if vendors do not provide the agreed-upon services in compliance with customer requirements and in a timely and cost-effective manner. Likewise, the quality of our services may be adversely impacted if companies to whom we delegate certain services do not perform to our, and our customers', expectations. Our vendors may also be unable to quickly recover from natural disasters and other events beyond their control and may be subject to additional risks such as financial problems that limit their ability to conduct their operations. The risk of these adverse effects may be greater in circumstances where we rely on only one or two vendors for a particular service.

We rely on various intellectual property rights in order to operate our business.

The Issuer relies on certain intellectual property rights to operate its business, particularly trade secrets and licensed intellectual property. The Issuer's intellectual property rights are unregistered and may not be sufficiently broad or otherwise may not provide us a significant competitive advantage. In addition, the steps that we have taken to maintain and protect our intellectual property may not prevent it from being challenged, invalidated, circumvented or designed-around, particularly in countries where intellectual property rights are not highly developed or protected. In some circumstances, enforcement may not be available to us because an infringer has a dominant intellectual property position or for other business reasons, or countries may require compulsory licensing of our intellectual property. Our failure to obtain or maintain intellectual property rights that convey competitive advantage, adequately protect our

intellectual property or detect or prevent circumvention or unauthorized use of such property, could adversely impact our competitive position and results of operations. We also rely on nondisclosure and noncompetition agreements with employees, consultants and other parties to protect, in part, trade secrets and other proprietary rights. There can be no assurance that these agreements will adequately protect our trade secrets and other proprietary rights and will not be breached, that we will have adequate remedies for any breach, that others will not independently develop substantially equivalent proprietary information or that third parties will not otherwise gain access to our trade secrets or other proprietary rights. As we expand our business, protecting our intellectual property will become increasingly important. The protective steps we have taken may be inadequate to deter our competitors from using our proprietary information. In order to protect or enforce our intellectual property rights, we may be required to initiate litigation against third parties, such as infringement lawsuits. Also, these third parties may assert claims against us with or without provocation. These lawsuits could be expensive, take significant time and could divert management's attention from other business concerns. We cannot assure you that we will prevail in any of these potential suits or that the damages or other remedies awarded, if any, would be commercially valuable.

The Company's success depends on the experience and skill of its executive officers and key personnel.

We are dependent on our executive officers and key personnel. These persons may not devote their full time and attention to the matters of the Company. The loss of all or any of our executive officers and key personnel could harm the Company's business, financial condition, cash flow and results of operations.

Although dependent on certain key personnel, the Company does not have any key person life insurance policies on any such people.

We are dependent on certain key personnel in order to conduct our operations and execute our business plan, however, the Company has not purchased any insurance policies with respect to those individuals in the event of their death or disability. Therefore, if any of these personnel die or become disabled, the Company will not receive any compensation to assist with such person's absence. The loss of such person could negatively affect the Company and our operations. We have no way to guarantee key personnel will stay with the Company, as many states do not enforce non-competition agreements, and therefore acquiring key man insurance will not ameliorate all of the risk of relying on key personnel.

In order for the Company to compete and grow, it must attract, recruit, retain and develop the necessary personnel who have the needed experience.

Recruiting and retaining highly qualified personnel is critical to our success. These demands may require us to hire additional personnel and will require our existing management and other personnel to develop additional expertise. We face intense competition for personnel, making recruitment time-consuming and expensive. The failure to attract and retain personnel or to develop such expertise could delay or halt the development and commercialization of our product candidates. If we experience difficulties in hiring and retaining personnel in key positions, we could suffer from delays in product development, loss of customers and sales and diversion of management resources, which could adversely affect operating results. Our consultants and advisors may be employed by third parties and may have commitments under consulting or advisory contracts with third parties that may limit their availability to us, which could further delay or disrupt our product development and growth plans.

If we are unsuccessful in adding users of our video games and mobile games, or if our clients decrease their level of engagement, our revenue, financial results, and business may be significantly harmed.

We offer video games and mobile games to gamers. The amount of users of our video games and mobile games and our client's level of engagement will be critical to our success. Our financial performance will be significantly determined by our success in adding, retaining, and engaging active users of our video games and mobile games. If clients do not perceive our video games and mobile games to be enjoyable, useful, reliable, and trustworthy, we may not be able to attract or retain users or otherwise maintain or increase the frequency and duration of their engagement. There is no guarantee that we will not experience an erosion of our active client base or engagement levels in the future.

Damage to our reputation could negatively impact our business, financial condition and results of operations.

Our reputation and the quality of our brand are critical to our business and success in existing markets, and will be critical to our success as we enter new markets. Any incident that erodes consumer loyalty for our brand could significantly reduce its value and damage our business. We may be adversely affected by any negative publicity, regardless of its accuracy. Also, there has been a marked increase in the use of social media platforms and similar devices, including blogs, social media websites and other forms of internet-based communications that provide individuals with access to a broad audience of consumers and other interested persons. The availability of information on social media platforms is virtually immediate as is its impact. Information posted may be adverse to our interests or may be inaccurate, each of which may harm our performance, prospects or business. The harm may be immediate and may disseminate rapidly and broadly, without affording us an opportunity for redress or correction.

Our business could be negatively impacted by cyber security threats, attacks and other disruptions.

We may face advanced and persistent attacks on our information infrastructure where we manage and store various proprietary information and sensitive/confidential data relating to our operations. These attacks may include sophisticated malware (viruses, worms, and other malicious software programs) and phishing emails that attack our products or otherwise exploit any security vulnerabilities. These intrusions sometimes may be zero-day malware that are difficult to identify because they are not included in the signature set of commercially available antivirus scanning programs. Experienced computer programmers and hackers may be able to penetrate our network security and misappropriate or compromise our confidential information or that of our customers or other third parties, create system disruptions, or cause shutdowns. Additionally, sophisticated software and applications that we produce or procure from third parties may contain defects in design or manufacture, including “bugs” and other problems that could unexpectedly interfere with the operation of the information infrastructure. A disruption, infiltration or failure of our information infrastructure systems or any of our data centers as a result of software or hardware malfunctions, computer viruses, cyber-attacks, employee theft or misuse, power disruptions, natural disasters or accidents could cause breaches of data security, loss of critical data and performance delays, which in turn could adversely affect our business.

Security breaches of confidential customer information, or confidential employee information may adversely affect our business.

Our business requires the collection, transmission and retention of personally identifiable information, in various information technology systems that we maintain and in those maintained by third parties with whom we contract to provide services. The integrity and protection of that data is critical to us. The information, security and privacy requirements imposed by governmental regulation are increasingly demanding. Our systems may not be able to satisfy these changing requirements and customer and employee expectations or may require significant additional investments or time in order to do so. A breach in the security of our information technology systems or those of our service providers could lead to an interruption in the operation of our systems, resulting in operational inefficiencies and a loss of profits. Additionally, a significant theft, loss or misappropriation of, or access to, customers’ or other proprietary data or other breach of our information technology systems could result in fines, legal claims or proceedings.

The use of individually identifiable data by our business, our business associates and third parties is regulated at the state, federal and international levels.

The regulation of individual data is changing rapidly, and in unpredictable ways. A change in regulation could adversely affect our business, including causing our business model to no longer be viable. Costs associated with information security – such as investment in technology, the costs of compliance with consumer protection laws and costs resulting from consumer fraud – could cause our business and results of operations to suffer materially. Additionally, the success of our online operations depends upon the secure transmission of confidential information over public networks, including the use of cashless payments. The intentional or negligent actions of employees, business associates or third parties may undermine our security measures. As a result, unauthorized parties may obtain access to our data systems and misappropriate confidential data. There can be no assurance that advances in computer capabilities, new discoveries in the field of cryptography or other developments will prevent the compromise of our customer transaction processing capabilities and personal data. If any such compromise of our security or the security of information residing with our business associates or third parties were to occur, it could have a material adverse effect on our reputation, operating results and financial condition. Any compromise of our data security may materially increase the costs we incur to protect against such breaches and could subject us to additional legal risk.

The Company is not subject to Sarbanes-Oxley regulations and may lack the financial controls and procedures of public companies.

The Company may not have the internal control infrastructure that would meet the standards of a public company, including the requirements of the Sarbanes Oxley Act of 2002. As a privately held (non-public) issuer, the Company is currently not subject to the Sarbanes Oxley Act of 2002, and its financial and disclosure controls and procedures reflect its status as a development stage, non-public company. There can be no guarantee that there are no significant deficiencies or material weaknesses in the quality of the Company's financial and disclosure controls and procedures. If it were necessary to implement such financial and disclosure controls and procedures, the cost to the Company of such compliance could be substantial and could have a material adverse effect on the Company's results of operations.

Changes in federal, state or local laws and government regulation could adversely impact our business.

The Company is subject to legislation and regulation at the federal, state and local levels. New laws and regulations may impose new and significant disclosure obligations and other operational, marketing and compliance-related obligations and requirements, which may lead to additional costs, risks of non-compliance, and diversion of our management's time and attention from strategic initiatives. Additionally, federal, state and local legislators or regulators may change current laws or regulations which could adversely impact our business. Further, court actions or regulatory proceedings could also change our rights and obligations under applicable federal, state and local laws, which cannot be predicted. Modifications to existing requirements or imposition of new requirements or limitations could have an adverse impact on our business.

We operate in a regulated environment, and if we are found to be in violation of any of the federal, state, or local laws or regulations applicable to us, our business could suffer.

We are subject to a wide range of federal, state, and local laws and regulations. The violation of these or future requirements or laws and regulations could result in administrative, civil, or criminal sanctions against us, which may include fines, a cease-and-desist order against the subject operations or even revocation or suspension of our license to operate the subject business. As a result, we may incur capital and operating expenditures and other costs to comply with these requirements and laws and regulations.

Global crises and geopolitical events, including without limitation, COVID-19 can have a significant effect on our business operations and revenue projections.

A significant outbreak of contagious diseases, such as COVID-19, in the human population could result in a widespread health crisis. Additionally, geopolitical events, such as wars or conflicts, could result in global disruptions to supplies, political uncertainty and displacement. Each of these crises could adversely affect the economies and financial markets of many countries, including the United States where we principally operate, resulting in an economic downturn that could reduce the demand for our products and services and impair our business prospects, including as a result of being unable to raise additional capital on acceptable terms, if at all.

Risks Related to the Offering

The U.S. Securities and Exchange Commission does not pass upon the merits of the Securities or the terms of the Offering, nor does it pass upon the accuracy or completeness of any Offering document or literature.

You should not rely on the fact that our Form C is accessible through the U.S. Securities and Exchange Commission's EDGAR filing system as an approval, endorsement or guarantee of compliance as it relates to this Offering. The U.S. Securities and Exchange Commission has not reviewed this Form C, nor any document or literature related to this Offering.

Neither the Offering nor the Securities have been registered under federal or state securities laws.

No governmental agency has reviewed or passed upon this Offering or the Securities. Neither the Offering nor the Securities have been registered under federal or state securities laws. Investors will not receive any of the benefits available in registered offerings, which may include access to quarterly and annual financial statements that have been audited by an independent accounting firm. Investors must therefore assess the adequacy of disclosure and the fairness of the terms of this Offering based on the information provided in this Form C and the accompanying exhibits.

The Securities are offered on a “Best Efforts” basis, and the Company may not raise the maximum amount being offered.

Since the Company is offering the Securities on a “best efforts” basis, there is no assurance that the Company will sell enough Securities to meet its capital needs. If you purchase Securities in this Offering, you will do so without any assurance that the Company will raise enough money to satisfy the full Use of Proceeds which the Company has outlined in this Form C or to meet the Company’s working capital needs.

The Company's management may have broad discretion in how the Company uses the net proceeds of the Offering.

Unless the Company has agreed to a specific use of the proceeds from the Offering, the Company’s management will have considerable discretion over the use of proceeds from the Offering. As is the case with any business, particularly one without a proven business model, it should be expected that certain expenses unforeseeable to management at this juncture will arise in the future. There can be no assurance that management's use of proceeds generated through this Offering will prove optimal or translate into revenue or profitability for the Company. You are urged to review the Use of Proceeds in this Offering Statement but to understand that the actual use of the net proceeds of this Offering may vary significantly. In all cases, you should consult with their attorneys, accountants and personal investment advisors prior to making any decision to invest in the Company. You may not have the opportunity, as part of your investment decision, to assess whether the proceeds are being used appropriately.

The Intermediary Fees paid by the Company are subject to change depending on the success of the Offering.

At the conclusion of the Offering, the Company shall pay the Intermediary a fee of eight and one-half percent (8.5%) of the dollar amount raised in the Offering. The compensation paid by the Company to the Intermediary may impact how the Company uses the net proceeds of the Offering.

The Company has the right to limit individual Investor commitment amounts based on the Company’s determination of an Investor’s sophistication.

The Company may prevent any Investor from committing more than a certain amount in this Offering based on the Company’s determination of the Investor’s sophistication and ability to assume the risk of the investment. This means that your desired investment amount may be limited or lowered based solely on the Company’s determination and not in line with relevant investment limits set forth by the Regulation CF rules. This also means that other Investors may receive larger allocations of the Offering based solely on the Company’s determination.

The Company has the right to extend the Offering Deadline and/or increase the Maximum Offering Amount.

The Company may extend the Offering Deadline and/or increase the Maximum Offering Amount beyond what is currently stated herein. For an extension of the Offering Deadline, this means that your investment may continue to be held in escrow while the Company attempts to raise the Target Offering Amount even after the Offering Deadline stated herein is reached. While you have the right to cancel your investment in the event the Company extends the Offering Deadline, if you choose to reconfirm your investment, your investment will not be accruing interest during this time and will simply be held until such time as the new Offering Deadline is reached without the Company receiving the Target Offering Amount, at which time it will be returned to you without interest or deduction, or the Company receives the Target Offering Amount, at which time it will be released to the Company to be used as set forth herein. Upon or shortly after the release of such funds to the Company, the Securities will be issued and distributed to you. For an increase in the Maximum Offering Amount, this means that additional amounts may be raised by the Company which would also increase the number of shares outstanding and dilute shareholders.

The Company may also end the Offering early.

If the Target Offering Amount is met after 21 calendar days, but before the Offering Deadline, the Company can end the Offering by providing notice to Investors at least 5 business days prior to the end of the Offering. This means your failure to participate in the Offering in a timely manner, may prevent you from being able to invest in this Offering – it also means the Company may limit the amount of capital it can raise during the Offering by ending the Offering early.

The Company has the right to conduct multiple closings during the Offering.

If the Company meets certain terms and conditions, an intermediate close (also known as a rolling close) of the Offering can occur, which will allow the Company to draw down on Investor proceeds committed and captured in the Offering during the relevant period. The Company may choose to continue the Offering thereafter. Investors should be mindful that this means they can make multiple investment commitments in the Offering, which may be subject to different cancellation rights. For example, if an intermediate close occurs and later a material change occurs as the Offering continues, Investors whose investment commitments were previously closed upon will not have the right to re-confirm their investment as it will be deemed to have been completed prior to the material change.

Risks Related to the Securities

You will not be investing directly into the Company, but into a special purpose vehicle.

Changes to the securities laws that went into effect March 15, 2021, permit us to use a “special purpose vehicle” or “SPV” in this Offering. That means that you will invest in Monarch Game Studios Holdings SPV, LLC, becoming a member of the SPV, and that investment purchases our Class C Common Stock. A condition to using an SPV is that the SPV passes on the same economic and governance rights that are set out in the Company’s Amended and Restated Certificate of Incorporation, regarding the Class C Common Stock. You will also be relying on us, as the Manager of the SPV, to make sure the SPV complies with Delaware law and functions in accordance with securities law. The structure of the SPV is explained further in the section entitled, “CAPITALIZATION AND OWNERSHIP”. The SPV will terminate and distribute the securities it holds to you, so that you may hold them directly, in certain circumstances. Due to this structure, there may be delays, complications and unexpected risks.

An investment in the Company's Securities could result in a loss of your entire investment.

An investment in the Company's Securities offered in this Offering involves a high degree of risk and you should not purchase the Securities if you cannot afford the loss of your entire investment. You may not be able to liquidate your investment for any reason in the near future.

The Securities will not be freely tradable under the Securities Act until one year from the initial purchase date. Although the Securities may be tradable under federal securities law, state securities regulations may apply, and each Investor should consult with their attorney.

You should be aware of the long-term nature of this investment. There is not now and may never be a public market for the Securities. Because the Securities have not been registered under the Securities Act or under the securities laws of any state or foreign jurisdiction, the Securities have transfer restrictions and cannot be resold in the United States except pursuant to Rule 501 of Regulation CF. It is not currently contemplated that registration under the Securities Act or other securities laws will be effected. Limitations on the transfer of the Securities may also adversely affect the price that you might be able to obtain for the Securities in a private sale. In addition, even if a trading market develops, there is absolutely no assurance that the Securities could be sold under Rule 144 or otherwise unless the Company becomes a current public reporting company with the Securities and Exchange Commission and otherwise is current in the Company’s business, financial and management information reporting, and applicable holding periods have been satisfied. Investors should be aware of the long-term nature of their investment in the Company. Each Investor in this Offering will be required to represent that they are purchasing the Securities for their own account, for investment purposes and not with a view to resale or distribution thereof.

The securities in this Offering have no protective provisions.

The Securities in this Offering have no protective provisions. As such, you will not be afforded protection, by any provision of the Securities or as a shareholder, in the event of a transaction that may adversely affect you, including a reorganization, restructuring, merger or other similar transaction involving the Company. If there is a liquidation event, or change of control for the Company, the Securities being offered do not provide you with any protection. In addition, there are no provisions attached to the Securities in the Offering that would permit you to require the Company to repurchase the Securities in the event of a takeover, recapitalization or similar transaction involving the Company.

Investors will not have voting rights.

Investors in the Securities will not have voting rights. Thus, Investors will never be able to vote upon any matters of the Company. As such, Investors will not have any influence over matters requiring stockholder approval, including the election of directors or managers and approval of significant Company transactions, nor the Company's management and policies. Moreover, those with voting rights could use their voting influence to maintain the Company's existing management, delay or prevent changes in control of the Company, issue additional securities which may dilute you, repurchase securities of the Company, enter into transactions with related parties or support or reject other management and board proposals. Additionally, investors in the Co-Issuer will indirectly hold only Class C Common Stock and are completely passive investors. As such, Investors should not purchase the Securities if they are not comfortable with this lack of voting and control.

Investors will not be entitled to any inspection or information rights other than those required by law.

Investors will not have the right to inspect the books and records of the Company or to receive financial or other information from the Company, other than as required by law. Other security holders of the Company may have such rights. Regulation CF requires only the provision of an annual report on Form C and no additional information. Additionally, there are numerous methods by which the Company can terminate annual report obligations, resulting in no information rights, contractual, statutory or otherwise, owed to Investors. This lack of information could put Investors at a disadvantage in general and with respect to other security holders, including certain security holders who have rights to periodic financial statements and updates from the Company such as quarterly unaudited financials, annual projections and budgets, and monthly progress reports, among other things.

The Securities may be significantly diluted as a consequence of subsequent equity financings.

The Company's equity securities will be subject to dilution. The Company intends to issue additional equity to employees and third-party financing sources in amounts that are uncertain at this time, and as a consequence holders of the Securities will be subject to dilution in an unpredictable amount. Such dilution may reduce the Investor's control and economic interests in the Company.

The amount of additional financing needed by the Company will depend upon several contingencies not foreseen at the time of this Offering. Generally, additional financing (whether in the form of loans or the issuance of other securities) will be intended to provide the Company with enough capital to reach the next major corporate milestone. If the funds received in any additional financing are not sufficient to meet the Company's needs, the Company may have to raise additional capital at a price unfavorable to their existing investors, including the holders of the Securities. The availability of capital is at least partially a function of capital market conditions that are beyond the control of the Company. There can be no assurance that the Company will be able to accurately predict the future capital requirements necessary for success or that additional funds will be available from any source. Failure to obtain financing on favorable terms could dilute or otherwise severely impair the value of the Securities.

Our valuation and our offering price have been established internally and are difficult to assess.

The Offering price was not established in a competitive market. We have arbitrarily set the price of the Securities with reference to the general status of the securities market and other relevant factors. The Offering price for the Securities should not be considered an indication of the actual value of the Securities and is not based on our asset value, net worth, revenues or other established criteria of value. The Company has set the price of its Class C Common Stock at \$1.00 per share plus a 3.5% Investor Processing Fee (see "Offering" for further details on this fee). The Investor Processing Fee is intended to offset transaction costs and, though this fee is counted towards the amount the Company is seeking to raise under Regulation Crowdfunding and the limit each investor may invest pursuant to Regulation Crowdfunding, we did not value it in determining our valuation. Including this fee will increase our valuation for which you are paying for shares in our Company accordingly. Valuations for companies at this stage are generally purely speculative. Our valuation has not been validated by any independent third party and may decrease precipitously in the future. It is a question of whether you, the investor, are willing to pay this price for a percentage ownership of an early-stage company. We cannot guarantee that the Securities can be resold at the Offering price or at any other price.

The Investor Processing Fee may not count toward your cost basis for tax purposes.

The IRS and/or another relevant tax authority may consider the price of the Class C Common Stock before including the Investor Processing Fee as the cost basis for determining any gain or loss at a realization event. You should discuss with your tax advisor the appropriate way to determine the relevant tax obligation.

There is no guarantee of a return on an Investor's investment.

There is no assurance that an Investor will realize a return on their investment or that they will not lose their entire investment. For this reason, each Investor should read this Form C and all Exhibits carefully and should consult with their attorney and business advisor prior to making any investment decision.

IN ADDITION TO THE RISKS LISTED ABOVE, RISKS AND UNCERTAINTIES NOT PRESENTLY KNOWN, OR WHICH WE CONSIDER IMMATERIAL AS OF THE DATE OF THIS FORM C, MAY ALSO HAVE AN ADVERSE EFFECT ON OUR BUSINESS AND RESULT IN THE TOTAL LOSS OF YOUR INVESTMENT.

THE OFFERING

An investment in the Co-Issuer will allow investors to achieve the same economic exposure, voting power and ability to assert State and Federal law rights and achieve the same disclosures as if they had invested directly in the Company. The Co-Issuer will maintain a one-to-one relationship between the number, denomination, type and rights of Company securities it owns and the number, denomination, type and rights of its securities outstanding. The Co-Issuer cannot borrow or raise funds on its own account.

The proceeds from the Offering will be received by the Co-Issuer and invested immediately in the Securities issued by the Company. The Co-Issuer will be the legal owner of the Class C Common Stock.

Investor Confirmation Process

In order to purchase the Securities, you must make a commitment to purchase by completing the subscription process hosted by the Intermediary, including complying with the Intermediary’s know your customer (KYC) and anti-money laundering (AML) policies. If an Investor makes an investment commitment under a name that is not their legal name, they may be unable to redeem their Security indefinitely, and neither the Intermediary nor the Company are required to correct any errors or omissions made by the Investor.

Investor funds will be held in escrow with a qualified third party escrow agent, Enterprise Bank and Trust (“**Escrow Agent**”) until the Target Offering Amount has been met or exceeded and one or more closings occur. Investors may cancel an investment commitment until up to 48 hours prior to the Offering Deadline or an intermediate close, using the cancellation mechanism provided by the Intermediary. If an investor does not cancel an investment commitment before the 48-hour period prior to the Offering Deadline, the funds will be released to the Issuer and the investor will receive their Securities.

The Company will notify Investors when the Target Offering Amount has been reached. If the Company reaches the Target Offering Amount prior to the Offering Deadline, it may close the Offering early *provided* (i) the expedited Offering Deadline must be twenty-one (21) days from the time the Offering was opened, (ii) the Company must provide at least five (5) business days’ notice prior to the expedited Offering Deadline to the Investors and (iii) the Company continues to meet or exceed the Target Offering Amount on the date of the expedited Offering Deadline.

Material Changes

If any material change occurs related to the Offering prior to the current Offering Deadline the Company will provide notice to Investors and receive reconfirmations from Investors who have already made commitments. If an Investor does not reconfirm their investment commitment after a material change is made to the terms of the Offering within five (5) business days of receiving notice, the Investor’s investment commitment will be cancelled and the committed funds will be returned without interest or deductions. If an Investor does not cancel an investment commitment before the Target Offering Amount is reached, the funds will be released to the Company upon the closing of the Offering and the Investor will receive the Securities in exchange for their investment.

If an Investor does not reconfirm his or her investment commitment after a material change is made to the Offering, the Investor’s investment commitment will be cancelled and the committed funds will be returned.

Cancellations

Investors may cancel an investment commitment until 48 hours prior to the deadline identified in these Offering Materials, unless previously accepted as part of a rolling close.

The Company will notify investors when the Target Offering Amount has been met. If the Company reaches the Target Offering Amount prior to the deadline identified in the Offering Materials, it may close the Offering early if it provides notice about the new offering deadline at least five business days prior to such new offering deadline (absent a material change that would require an extension of the offering and reconfirmation of the investment commitment). If an investor does not cancel an investment commitment before the 48-hour period prior to the stated offering deadline, the funds will be released to the Company upon closing of the Offering and the investor will receive Securities in exchange for his or her investment.

Rolling and Early Closings

The Company may elect to undertake rolling closings, or an early closing after it has received investment interests for its Target Offering Amount. During a rolling closing, those investors that have committed funds will be provided five days' notice prior to acceptance of their subscriptions, release of funds to the Company, and issuance of the Securities to the investors. During this time, the Company may continue soliciting investors and receiving additional investment commitments. Investors should note that if investors have already received their Securities, they will not be required to reconfirm upon the filing of a material amendment to the Form C. In an early closing, the Offering will terminate upon the new target date, which must be at least five days from the date of the notice.

As an Investor in this Offering, you will be purchasing membership interests in the Co-Issuer, which will be the entity holding the Securities and which will have the rights of a stockholder of the Company. The Co-Issuer is purchasing the following Securities:

Offering Minimum: \$10,000.17

The Securities have no voting rights (either with regard to actions by the Co-Issuer or the Company’s Class C Common Stock being held by the Co-Issuer). The rights of the Class C Common Stock may be changed by an amendment to the Company’s Bylaws or the Amended and Restated Certificate of Incorporation. Investors do not have the right to vote on any such amendment.

In addition to the Subscription Agreement with the Co-Issuer and the Co-Issuer’s Operating Agreement, the primary Company documents governing voting and the rights of the Securities are the Company’s Amended and Restated Certificate of Incorporation (the “**A&R COI**”) attached as Exhibit E, the Company’s Bylaws (the “**Bylaws**”) attached as Exhibit F, together with the A&R COI, the “**Company Governing Documents**”). In addition to the foregoing restrictions, prior to making any transfer of the Securities or any capital stock into which they are convertible, such transferring Investor must either make such transfer pursuant to an effective registration statement filed with the SEC or provide the Company with an opinion of counsel reasonably satisfactory to the Company stating that a registration statement is not necessary to effect such transfer. Furthermore, upon the event of an IPO, the capital stock into which the Securities are converted will be subject to a lock-up period and may not be lent, offered, pledged, or sold for up to 180 days following such IPO.

Capitalization

The following description summarizes the most important terms of the Company's capital stock. This summary does not purport to be complete and is qualified in its entirety by the provisions of our Amended and Restated Certificate of Incorporation. For a complete description of our capital stock, you should refer to our Amended and Restated Certificate of Incorporation, and to the applicable provisions of Delaware law.

On July 22, 2026, the Company filed an Amended and Restated Certificate of Incorporation. As a result, the total number of shares that the Company is authorized to issue is 119,600,000 shares of common stock, par value \$0.00001 per share (the "**Common Stock**"), of which (i) 82,000,000 shares are designated as Class A Common Stock (the "**Class A Common Stock**"), which provide for one vote per share of Class A Common Stock; (ii) 30,600,000 shares are designated as Class B Common Stock (the "**Class B Common Stock**"), which provide for ten (10) votes per share of Class B Common Stock; and (iii) 7,000,000 shares are designated as Class C Common Stock (the "**Class C Common Stock**"), which do not provide for voting rights. In connection with the Amended and Restated Certificate of Incorporation, the Company effected a one for six stock split on all outstanding Class A Common Stock and Class B Common Stock as of such date.

As of the date of this Form C, 34,264,860 shares of Class A Common Stock and 30,600,000 shares of Class B Common Stock are issued and outstanding. There are no shares of Class C Common Stock issued and outstanding.

Outstanding Options, Safes, Convertible Notes, Warrants

As of the date of this Form C, the Company does not have any outstanding Options, Safes, Convertible Notes or Warrants.

Voting and Control

Each Investor who purchases the Securities is not entitled to vote on any matter or to call for an annual or special shareholders meeting. As a result of purchasing Securities in this Offering, the Investors will have no voting or control over any corporate matters of the Company, including additional issuance of securities, Company repurchase of securities, a sale of the Company or its significant assets, or Company transactions with related parties. Investors in the Co-Issuer will indirectly hold only the Securities (the Class C Common Stock) and are completely passive investors. Investors should not purchase the Securities if they are not comfortable with this lack of voting and control.

Dilution

The Securities do not have anti-dilution rights, which means that future equity issuances and other events will dilute the ownership percentage that Investors may eventually have in the Company. Investors should understand and expect the potential for dilution. The Investor's stake in the Company could be diluted due to the Company issuing additional shares of stock or other convertible securities to other parties. In other words, when the Company issues more shares, the percentage of the Company that you own will go down, even though the value of the Company may go up (there is no guarantee that it will). You will own a smaller piece of a larger Company (or, if the value goes down, then a smaller piece of a smaller company). This increase in number of shares outstanding could result from a stock offering (such as an initial public offering, another crowdfunding round, a venture capital round or angel investment), employees exercising stock options, or by conversion of certain instruments (e.g. convertible bonds, preferred shares or warrants) into stock. If the Company decides to issue more shares, an investor could experience value dilution, with each share being worth less than before, and control dilution, with the total percentage an investor owns being less than before. There may also be earnings dilution, with a reduction in the amount earned

What it Means to be a Minority Holder

Investors in our Class C Common Stock will have limited rights in regard to the corporate actions of the Company, including additional issuances of securities, Company repurchases of securities, a sale of the Company or its significant assets, or Company transactions with related parties.

* Investors in the \$1,000 to \$2,499 range are only eligible for the time-based incentive, since this falls below the \$2,500 entry point for the amount-based incentive.
* Investors who invest \$2,500 or more are eligible for both incentive types. In this case, the time-based bonus (based on when they invest) and the amount-based bonus (based on how much they invest) stack together. Amount-based tiers themselves do not stack, an investor only receives the percentage tied to the single highest amount-based tier they qualify for, not the sum of all tiers below it.
* Example: an investor who commits \$10,000 within the first 30 days receives the 8% time-based bonus plus the 15% amount-based bonus (not 8% + 11% + 15%), for a combined 23% in bonus shares.

7. Transfer Restrictions.

(a) "Market Stand-Off" Agreement. Each Subscriber hereby agrees that it will not, without the prior written consent of the managing underwriter or financial advisor to the Crowdfunding Issuer (as applicable), during the period commencing on the date of the final prospectus relating to the registration by the Crowdfunding Issuer of its securities under the Securities Act on a registration statement on Form S-1 or Form S-3, and ending on the date specified by the Crowdfunding Issuer and the managing underwriter (such period not to exceed one hundred eighty (180) days in the case of the initial public offering (the "IPO") or any merger with or into a special purpose acquisition vehicle ("SPAC"), or such other period as may be requested by the Crowdfunding Issuer or an underwriter or financial advisor to accommodate regulatory restrictions on (1) the publication or other distribution of research reports, and (2) analyst recommendations and opinions, including, but not limited to, the restrictions contained in FINRA Rule 2711(f)(4) or NYSE Rule 472(f)(4), or any successor provisions or amendments thereto), or ninety (90) days in the case of any registration other than the IPO, or such other period as may be requested by the Crowdfunding Issuer, its financial advisors or an underwriter to accommodate regulatory restrictions on (1) the publication or other distribution of research reports and (2) analyst recommendations and opinions, including, but not limited to, the restrictions contained in FINRA Rule 2711(f)(4) or NYSE Rule 472(f)(4), or any successor provisions or amendments thereto), (i) lend; offer; pledge; sell; contract to sell; sell any option or contract to purchase; purchase any option or contract to sell; grant any option, right, or warrant to purchase; or otherwise transfer or dispose of, directly or indirectly, any Shares (or other securities, whether such shares or any such securities are then owned by the Subscriber or are thereafter acquired) or (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities, whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of Securities, in cash, or otherwise. The foregoing provisions of this Section 7(a) shall not apply to the sale of any securities to an underwriter pursuant to an underwriting agreement, or the transfer of any securities to any trust for the direct or indirect benefit of the Subscriber or the immediate family of the Subscriber, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer shall not involve a disposition for value, and shall be applicable to the Subscribers only if all officers and directors are subject to the same restrictions. The financial advisors of the Crowdfunding Issuer or its underwriters in connection with such registration are intended third party beneficiaries of this Section 7(a) and shall have the right, power and authority to enforce the provisions hereof as though they were a party hereto. Each Subscriber further agrees to execute such agreements as may be reasonably requested by the underwriters in connection with such registration that are consistent with this Section 7(a) or that are necessary to give further effect thereto.

Without in any way limiting the representations and warranties set forth in this Agreement, the Subscriber agrees not to make any disposition of all or any portion of the Crowdfunding Issuer's Class C Common Stock or any securities which may be converted into the Crowdfunding Issuer's Class C Common Stock unless and until the transferee has agreed in writing for the benefit of the Crowdfunding Issuer to make the representations and warranties set out in Section 5 and the undertaking set out in Section 7(a) of this Agreement and:

(i) there is then in effect a registration statement under the Securities Act covering such proposed disposition, and such disposition is made in connection with such registration statement; or

ARTICLE V – DISTRIBUTIONS

Section 5.01 Distributions.

(a) In the event that any distributable cash or other assets are received by the Company from the Crowdfunding Issuer pursuant to the terms of the Securities, the Manager shall make such distributions promptly to the holders of the Interests on a one-to-one basis as if the holders of the Interests held the Securities directly. The Manager may instruct the Crowdfunding Issuer to make such distribution directly to the holders of the Interests.

(b) Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not make any distribution to Members if such distribution would violate the Delaware Act or other Applicable Law.

ARTICLE VI – TRANSFERS

No Transfer of Interests to a Person not already a Member of the Company shall be deemed completed until the prospective Transferee is admitted as a Member of the Company in accordance with Section 2.03 hereof.

(b) Notwithstanding any other provision of this Agreement (including Section 6.02), each Member agrees that it will not Transfer all or any portion of its Interests in the Company, and the Company agrees that it shall not issue any Interests:

(i) except as permitted under the Securities Act and other applicable federal or state securities or blue sky laws;

(ii) if such Transfer or issuance would affect the Company's existence or qualification as a limited liability company under the Delaware Act;

(iii) if such Transfer or issuance would cause the Company to be required to register as an investment company under the Investment Company Act of 1940, as amended; or

(iv) if such Transfer or issuance would cause the assets of the Company to be deemed "Plan Assets" as defined under the Employee Retirement Income Security Act of 1974 or its accompanying regulations or result in any "prohibited transaction" thereunder involving the Company.

(c) Any Transfer or attempted Transfer of any Interest in violation of this Agreement shall be null and void, no such Transfer shall be recorded on the Company's books, and the purported Transferee in any such Transfer shall not be treated (and the purported Transferor shall continue to be treated) as the owner of such Interest for all purposes of this Agreement.

(d) Except as provided in Section 2.05(b), no Transfer (including a permitted Transfer) of Interests to a Person not already a Member of the Company shall be deemed completed until the prospective Transferee (including a permitted Transferee) is admitted as a Member of the Company in accordance with Section 2.03(b) hereof.

(e) For the avoidance of doubt, any Transfer of a Interest permitted by this Agreement shall be deemed a sale, transfer, assignment, or other disposal of such Interest in its entirety as intended by the parties to such Transfer, and shall not be deemed a sale, transfer, assignment, or other disposal of any less than all of the rights and benefits described in the definition of the term "Interest," unless otherwise explicitly agreed to by the parties to such Transfer.

Section 6.02 Further Restrictions on Transfer.

(a) During the one-year period beginning on the date on which it acquired the Interest, a Member may not transfer such Interest except:

(ii) To an "accredited investor" within the meaning of Rule 501 of Regulation D under the Securities Act;

(iii) As part of an offering registered under the Securities Act; or

(b) Except as otherwise provided in the Delaware Act, by Applicable Law, or expressly in this Agreement, no Manager will be obligated personally for any debt, obligation, or liability of the Company, whether arising in contract, tort, or otherwise, solely by reason of being a Manager.

Section 7.02 Indemnification.

(a) To the fullest extent permitted under the Delaware Act, any Covered Person (as defined in section (c) below) shall be entitled to indemnification and reimbursement of expenses by the Crowdfunding Issuer for and against any loss, damage, claim, or expense (including attorneys' fees) (collectively, "**Losses**") whatsoever incurred by the Covered Person relating to or arising out of any act or omission or alleged acts or omissions (whether or not constituting negligence) performed or omitted by any Covered Person on behalf of the Company; provided, however, that (i) any indemnity under this Section 7.02 shall be provided by the Crowdfunding Issuer, and neither any Member nor any other Person shall have any personal liability to contribute to such indemnity by the Crowdfunding Issuer; (ii) such Covered Person acted in good faith and in a manner believed by such Covered Person to be in, or not opposed to, the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful; and (iii) such Covered Person's conduct did not constitute fraud or willful misconduct, in either case as determined by a final, nonappealable order of a court of competent jurisdiction.

(b) Upon receipt by the Company of a written undertaking by or on behalf of the Covered Person to repay such amounts if it is finally judicially determined that the Covered Person is not entitled to indemnification under this Section 7.02, the Crowdfunding Issuer shall advance, to the extent reasonably required, each Covered Person for reasonable legal or other expenses (as incurred) of such Covered Person in connection with investigating, preparing to defend, or defending any claim, lawsuit, or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this Section 7.02.

(c) For purposes of this Section 7.02, "**Covered Person**" means (i) each Member of the Company; (ii) each Manager and Officer of the Company; and (iii) each officer, director, shareholder, partner, manager, member, Affiliate, employee, agent, or representative of each Member and of each Manager.

Section 8.01 Inspection Rights. Members hereby waive any rights under the Delaware Act related to any and all rights to inspect the Company's books and records for a proper purpose and make copies thereof.

Section 8.02 Income Tax Status. It is the intent of this Company and the Members that this Company shall be treated as partnership for US, federal, state, and local income tax purposes. Neither the Manager nor any Member shall make an election for the Company to be classified as other than a partnership pursuant to Treasury Regulations Section 301.7701-3.

Section 8.03 Tax Matters Representative.

(a) Appointment; Resignation. The Members hereby appoint the Manager as the “partnership representative” as provided in Section 6223(a) of the Code (the “**Partnership Representative**”). The Partnership Representative can be removed at any time by a vote of Members holding 85% of the Interests of the Company, and shall resign if it is no longer the Manager. In the event of the resignation or removal of the Partnership Representative, the holders of a majority of the Interests of the Company shall appoint a new Partnership Representative.

(b) Tax Examinations and Audits. The Partnership Representative is authorized and required to represent the Company (at the Company’s expense) in connection with all examinations of the Company’s affairs by any federal, state, local, or foreign taxing authority, including resulting administrative and judicial proceedings, and to expend Company funds for professional services and costs associated therewith.

The Partnership Representative shall have sole authority to act on behalf of the Company in any such examinations and any resulting administrative or judicial proceedings, and shall have sole discretion to determine whether the Company (either on its own behalf or on behalf of the Members) will contest or continue to contest any tax deficiencies assessed or proposed to be assessed by any taxing authority.

(c) US Federal Tax Proceedings. To the extent permitted by applicable law and regulations, the Partnership Representative will cause the Company to annually elect out of the partnership audit procedures set forth in Subchapter C of Chapter 63 of the Code as amended by the Bipartisan Budget Act of 2015 (the “**Revised Partnership Audit Rules**”) pursuant to Section 6221(b) of the Code. For any year in which applicable law and regulations do not permit the Company to elect out of the Revised Partnership Audit Rules, then within forty-five (45) days of any notice of final partnership adjustment, the Partnership Representative will cause the Company to elect the alternative procedure under Section 6226 of the Code, and furnish to the Internal Revenue Service and each Member (including former Members) during the year or years to which the notice of final partnership adjustment relates a statement of the Member’s share of any adjustment set forth in the notice of final partnership adjustment.

(d) Section 754 Election. The Partnership Representative shall make an election under Section 754 of the Code only with the agreement in writing of a majority of the outstanding Interests.

(e) Indemnification. The Company, through the Crowdfunding Issuer, shall defend, indemnify, and hold harmless the Partnership Representative against any and all liabilities sustained as a result of any act or decision concerning Company tax matters and within the scope of such Member’s responsibilities as Partnership Representative, so long as such act or decision was done or made in good faith and does not constitute gross negligence or willful misconduct.

Section 8.04 Tax Returns.

(a) At the expense of the Crowdfunding Issuer, the Manager will cause the preparation and timely filing (including extensions) of all tax returns required to be filed by the Company pursuant to the Code as well as all other required tax returns in each jurisdiction in which the Company owns property

or does business. As soon as reasonably possible after the end of each Fiscal Year, the Manager will deliver to each Member, Company information necessary for the preparation of such Member's federal, state, and local income tax returns for such Fiscal Year.

(b) Each Member agrees that such Member shall not treat any Company item on such Member's federal, state, foreign, or other income tax return inconsistently with the treatment of the item on the Company's return.

Section 8.05 Reports under Regulation Crowdfunding.

(a) The Manager shall provide all information necessary to the Crowdfunding Issuer for the Crowdfunding Issuer to make such ongoing reports as required by Regulation Crowdfunding.

(b) The Manager will cause the prompt distribution of any disclosure, and ongoing reports prepared by the Crowdfunding Issuer as soon as such disclosures and ongoing reports are completed by the Crowdfunding Issuer.

ARTICLE IX – DISSOLUTION AND LIQUIDATION

Section 9.01 Events of Dissolution. The Company shall be dissolved and its affairs wound up only upon the occurrence of any of the following events:

Section 9.02 Effectiveness of Dissolution. Dissolution of the Company shall be effective on the day on which the event described in Section 9.01 occurs, but the Company shall not terminate until the winding up of the Company has been completed, the assets of the Company have been distributed as provided in Section 9.03, and the Certificate of Formation shall have been cancelled as provided in Section 9.04.

Section 9.03 Liquidation. If the Company is dissolved pursuant to Section 9.01, the Company shall be liquidated and its business and affairs wound up in accordance with the Delaware Act and the following provisions:

(a) The Manager, or another Person selected by the Manager, shall act as liquidator to wind up the Company (the "**Liquidator**"). The Liquidator shall have full power and authority to distribute, sell, assign, and encumber any or all of the Company's assets and to wind up and liquidate the affairs of the Company in an orderly and business-like manner, in compliance with rules and regulations applicable to a "crowdfunding vehicle."

(b) As promptly as possible after dissolution and again after final liquidation, the Liquidator shall cause a proper accounting to be made of the Company's Securities, assets, liabilities, and operations through the last day of the calendar month in which the dissolution occurs or the final liquidation is completed, as applicable.

(c) The Liquidator shall transfer ownership of the Securities to the Interest holders.

(d) The Liquidator shall then liquidate the assets of the Company, if any, and distribute the proceeds of such liquidation in the following order of priority, unless otherwise required by mandatory provisions of Applicable Law, and with any amounts to be paid to creditors to be paid by the Crowdfunding Issuer:

(i) First, to the payment of the Company's debts and liabilities to its creditors (including Members, if applicable) and the expenses of liquidation (including sales commissions incident to any sales of assets of the Company);

(ii) Second, to the establishment of and additions to reserves that are determined by the Manager to be reasonably necessary for any contingent unforeseen liabilities or obligations of the Company; and

(iii) Third, to the Members, on a pro rata basis, in accordance with the positive balances in their respective Capital Accounts, as determined after taking into account all Capital Account adjustments for the taxable year of the Company during which the liquidation of the Company occurs.

Section 9.04 Required Filings. Upon completion of the winding up of the Company, the Liquidator shall make all necessary filings required by the Delaware Act.

Section 11.04 Waiver. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. No failure to exercise, or delay in exercising, any right, remedy, power, or privilege arising from this Agreement shall operate or be construed as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege. 5. **“Family Member”** shall mean with respect to any Founder, any natural person, the spouse, domestic partner, parents, grandparents, lineal descendants, siblings and lineal descendants of

siblings (in each case whether by blood relation or adoption) of such Founder or such Founder's spouse or domestic partner.

6. **"Founder"** means any of the following: (i) XPNetwork Holdings, Inc.; (ii) Jason Hawronsky, (iii) any Permitted Entity of either of the foregoing parties, and (iv) any Permitted Transferees of the foregoing parties or Permitted Entities.

7. **"Liquidation Event"** means (i) any Asset Transfer or Acquisition in which cash or other property is, pursuant to the express terms of the Asset Transfer or Acquisition, to be distributed to the stockholders in respect of their shares of capital stock in the Corporation or (ii) any liquidation, dissolution and winding up of the Corporation.

8. **"Parent"** of an Entity means any Entity that directly or indirectly owns or controls a majority the voting power of the voting securities or interests of such Entity.

9. **"Permitted Entity"** means with respect to a Founder, any Entity in which such Founder directly, or indirectly through one or more Permitted Transferees, has sole dispositive power and exclusive Voting Control with respect to all shares of Class A Common Stock held of record by such Entity.

10. **"Permitted Transfer"** shall mean, and be restricted to, any Transfer of a share of Class B Common Stock:

- (a) by a Founder to a Permitted Trust;
- (b) by the trustee of a Permitted Trust, to the Founder or any other Permitted Trust; or
- (c) by a Permitted Entity of a Founder to any other Permitted Entity of such Founder.

11. **"Permitted Transferee"** shall mean a transferee of shares of Class B Common Stock received in a Transfer that constitutes a Permitted Transfer.

12. **"Permitted Trust"** shall mean a bona fide trust for the benefit of a Founder or Family Members of the Founder, in each case so long as the Founder has sole dispositive power and exclusive Voting Control with respect to the shares of Class B Common Stock held by such trust.

13. **"Transfer"** of a share of Class B Common Stock shall mean any sale, assignment, transfer, conveyance, hypothecation or other transfer or disposition of such share or any legal or beneficial interest in such share, whether or not for value and whether voluntary or involuntary or by operation of law, including, without limitation, a transfer of a share of Class B Common Stock to a broker or other nominee (regardless of whether there is a corresponding change in beneficial ownership), or the transfer of, or entering into a binding agreement with respect to, Voting Control (as defined below) over such share by proxy or otherwise; *provided, however*, that the following shall *not* be considered a **"Transfer"**:

(a) the granting of a revocable proxy to officers or directors of the Corporation at the request of the Corporation's Board of Directors (the **"Board of Directors"**) in connection with actions to be taken at an annual or special meeting of stockholders;

(b) the pledge of shares of Class B Common Stock by a stockholder that creates a mere security interest in such shares pursuant to a bona fide loan or indebtedness transaction for

so long as such stockholder continues to exercise Voting Control over such pledged shares; *provided, however*, that a foreclosure on such shares or other similar action by the pledgee shall constitute a “Transfer” unless such foreclosure or similar action qualifies as a “Permitted Transfer”;

(c) the assignment, transfer, conveyance, hypothecation or other transfer or disposition of such share or any legal or beneficial interest in such share, whether or not for value and whether voluntary or involuntary or by operation of law, from one Founder, or upon such Founder’s death or Disability by such Founder’s Permitted Trust, to another Founder or the Permitted Trust of such other Founder;

(d) the granting of an irrevocable proxy pursuant to a voting agreement entered into in connection with a bona fide equity financing of the Corporation; or

(e) entering into, or reaching an agreement, arrangement or understanding regarding a support or similar voting or tender agreement (with or without granting a proxy) in connection with a Liquidation Event that has been approved by the Board of Directors.

A “Transfer” shall also be deemed to have occurred with respect to a share of Class B Common Stock beneficially held by (1) an entity that is a Permitted Entity, if there occurs any act or circumstance that causes such entity to no longer be a Permitted Entity; (2) the trustee of a Permitted Trust, if there occurs any act or circumstance that causes such trust to no longer be a Permitted Trust; (3) an entity that is a Permitted Transferee, if there occurs any act or circumstance that causes the transferring stockholder to no longer have sole dispositive power and exclusive Voting Control with respect to the shares held by such Permitted Transferee; or (4) an entity that is a Permitted Entity, if there occurs a Transfer on a cumulative basis of a majority of the voting power of the voting securities of such Entity or any direct or indirect Parent of such Entity, other than a Transfer to parties that are holders of voting securities of any such entity or Parent of such Entity.

14. “Voting Control” shall mean, with respect to a share of Class B Common Stock, the power (whether exclusive or shared) to vote or direct the voting of such share by proxy, voting agreement or otherwise.

C. Voting Rights.

1. Class A Common Stock. Except as otherwise required by law or this Certificate of Incorporation, each holder of Class A Common shall have one (1) vote in respect of each such share held by such holder of record on the books of the Corporation on all matters submitted to a vote of stockholders of the Corporation.

2. Class B Common Stock. Except as otherwise required by law or this Certificate of Incorporation, each holder of Class B Common shall have ten (10) votes in respect of each such share held by such holder of record on the books of the Corporation on all matters submitted to a vote of stockholders of the Corporation.

3. Class C Common Stock. Except as otherwise required by law, shares of Class C Common shall be non-voting.

4. Changes to the Authorized Shares. The number of authorized shares of Common Stock (or any series thereof) may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the voting power of all of the then-

outstanding shares of capital stock of the Corporation entitled to vote thereon, without a vote of the holders of the Common Stock or of any series thereof.

D. Conversion.

1. Optional Conversion of the Class B Common Stock.

(a) At the option of the holder thereof, each share of Class B Common Stock shall be convertible, at any time or from time to time, into one duly authorized, validly issued, fully paid and nonassessable share of Class A Common Stock as provided herein.

(b) Each holder of Class B Common Stock who elects to convert the same into shares of Class A Common Stock shall surrender the certificate or certificates therefor (if any), duly endorsed, at the office of the Corporation or any transfer agent for the Class B Common Stock, and shall give written notice to the Corporation at such office that such holder elects to convert the same and shall state therein the number of shares of Class B Common Stock being converted. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the certificate or certificates representing the shares of Class B Common Stock to be converted, or, if the shares are uncertificated, immediately prior to the close of business on the date that the holder delivers notice of such conversion to the Corporation's transfer agent, and the person entitled to receive the shares of Class A Common Stock issuable upon such conversion shall be treated for all purposes as the record holder of such shares of Class A Common Stock on such date. If a conversion election under this Section D(1)(b) is made in connection with an underwritten offering of the Corporation's securities pursuant to the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder, the conversion may, at the option of the holder tendering shares of Class B Common Stock for conversion, be conditioned upon the closing with the underwriters of the sale of the Corporation's securities pursuant to such offering, in which event the holders making such elections who are entitled to receive Class A Common Stock upon conversion of their Class B Common Stock shall not be deemed to have converted such shares of Class B Common Stock until immediately prior to the closing of such sale of the Corporation's securities in the offering.

2. Automatic Conversion of Class B Common Stock.

(a) Conversion Upon Transfer(s).

(i) At any time following the filing of this Certificate of Incorporation, each one share of Class B Common Stock shall automatically be converted into one fully paid and nonassessable share of Class A Common Stock upon a Transfer, other than a Permitted Transfer, of such share of Class B Common Stock.

(ii) Conversion pursuant to this Section D(2)(a) shall occur automatically without the need for any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Corporation or its transfer agent; *provided, however*, that the Corporation shall not be obligated to issue certificates (if such shares are certificated) evidencing the shares of Class A Common Stock issuable upon such conversion unless the certificates evidencing such shares of Class B Common Stock are either delivered to the Corporation or its transfer agent as provided below, or the holder notifies the Corporation or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Corporation to indemnify the Corporation from any loss incurred by it in connection with such certificates. Upon the occurrence of such automatic conversion of the Class B Common Stock to Class A Common Stock, the holders of Class B Common Stock so converted shall surrender the certificates (if such shares are certificated) representing

such shares at the office of the Corporation or any transfer agent for the Class A Common Stock. Thereupon, (A) if such shares are certificated, there shall be issued and delivered to such holder promptly at such office and in its name as shown on such surrendered certificate or certificates, a certificate or certificates for the number of shares of Class A Common Stock into which the shares of Class B Common Stock surrendered were convertible on the date on which such automatic conversion occurred or (B) if such shares are uncertificated, such shares shall be registered in book-entry form.

(b) Reservation of Stock Issuable Upon Conversion. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Class A Common Stock, solely for the purpose of effecting the conversion of the shares of the Class B Common Stock, such number of its shares of Class A Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of Class B Common Stock; and if at any time the number of authorized but unissued shares of Class A Common Stock shall not be sufficient to effect the conversion of all then-outstanding shares of Class B Common Stock, as applicable, the Corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Class A Common Stock to such number of shares as shall be sufficient for such purpose.

(c) Procedures. The Corporation may, from time to time, establish such policies and procedures relating to the conversion of the Class B Common Stock to Class A Common Stock and the general administration of this three series stock structure, including the issuance of stock certificates with respect thereto, as it may deem necessary or advisable, and may from time to time request that holders of shares of Class B Common Stock furnish certifications, affidavits or other proof to the Corporation as it deems necessary to verify the ownership of Class B Common Stock, to confirm the validity of all Transfers purported to be Permitted Transfers, and to confirm that a conversion to Class A Common Stock has not occurred. A determination by the Secretary of the Corporation that a Transfer results in a conversion to Class A Common Stock shall be conclusive and binding.

3. Class C Common Stock Conversion Rights. Each share of Class C Common Stock shall not be convertible into any other class or series of stock of the Corporation, *except, that*, upon the affirmative vote (or written consent in lieu of a meeting) of the holders of shares representing a majority of the voting power of all then-outstanding shares of Class A Common Stock and Class B Common Stock, voting together as a single class, all shares of Class C Common Stock may be converted into an equal number of duly authorized, validly issued, fully paid and nonassessable shares of Class A Common Stock. Upon any such conversion approved in accordance with the preceding sentence, each converting share of Class C Common Stock shall automatically become one (1) fully paid and nonassessable share of Class A Common Stock, without the need for any further action by the holder thereof.

E. Redemption. No share of Common Stock shall be redeemable at the option of the holder thereof.

ARTICLE V

In furtherance and not in limitation of the powers conferred by statute, the Board of Directors is expressly authorized to make, amend or repeal the bylaws of the Corporation. Elections of directors need not be by written ballot unless otherwise provided in the bylaws of the Corporation.

ARTICLE VI

To the fullest extent permitted by applicable law, a director of the Corporation shall not be personally liable for monetary damages for breach of fiduciary duty as a director.

Subject to any provisions in the bylaws of the Corporation related to indemnification of directors or officers of the Corporation, the Corporation shall indemnify, to the fullest extent permitted by applicable law, any director or officer of the Corporation who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (a "Proceeding") by reason of the fact that such person is or was a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any such Proceeding. The Corporation shall be required to indemnify a person in connection with a Proceeding initiated by such person only if the Proceeding was authorized by the Board of Directors.

The Corporation shall have the power to indemnify, to the extent permitted by applicable law, any employee or agent of the Corporation who was or is a party or is threatened to be made a party to any Proceeding by reason of the fact that such person is or was a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any such Proceeding.

The rights and authority conferred in this Article shall not be exclusive of any other right that any person may otherwise have or hereafter acquire. If applicable law is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by applicable law, as so amended. No amendment or repeal of this Article, or adoption of any provision of this Corporation's certificate of incorporation or a bylaw of the Corporation inconsistent with this Article, shall eliminate or reduce the effect of this Article, in respect of any matter occurring, or any Proceeding accruing or arising, or that, but for this Article, would accrue or arise, prior to such amendment, repeal or adoption of an inconsistent provision.

ARTICLE VII

Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for (A) any derivative action or proceeding brought on behalf of the Corporation, (B) any action or proceeding asserting a claim of breach of a fiduciary duty owed by any director, officer, employee or agent of the Corporation to the Corporation or the Corporation's stockholders, (C) any action or proceeding asserting a claim against the Corporation arising pursuant to any provision of the General Corporation Law or the Corporation's certificate of incorporation or bylaws, or (D) any action or proceeding asserting a claim governed by the internal affairs doctrine, in each case subject to said Court of Chancery having personal jurisdiction over the indispensable parties named as defendants therein.

ARTICLE VIII

The Corporation reserves the right to amend, alter, change or repeal any provision contained in this certificate of incorporation, in the manner now or hereafter prescribed by statute, and all rights conferred upon stockholders herein are granted subject to this reservation.

IN WITNESS WHEREOF, this Amended and Restated Certificate of Incorporation has been executed by a duly authorized officer of this corporation on July 22, 2026.

ARTICLE I
CORPORATE OFFICES

1.1 Offices

In addition to the corporation's registered office set forth in the certificate of incorporation, the Board of Directors may at any time establish the principal executive office of the corporation and other offices at any place or places where the business of the corporation may require.

ARTICLE II
MEETINGS OF STOCKHOLDERS

2.1 Place of Meetings

Meetings of stockholders shall be held at any place, within or outside the state of Delaware, as may be designated by the Board of Directors. The Board of Directors may, in its sole discretion, determine that a meeting of stockholders shall not be held at any place, but may instead be held solely by means of remote communication as authorized by the Delaware General Corporation Law. In the absence of any such designation or determination, meetings of stockholders shall be held at the principal executive office of the corporation.

2.2 Annual Meeting

The annual meeting of stockholders shall be held on such date, time and place, either within or outside the state of Delaware, as may be designated by resolution of the Board of Directors from time to time. At the meeting, directors shall be elected and any other proper business may be transacted.

2.3 Special Meeting

A special meeting of stockholders may be called at any time by the Board of Directors, the chairperson of the Board of Directors, the chief executive officer, the president or by one or more stockholders holding shares in the aggregate entitled to cast not less than 10% of the votes at that meeting.

If a special meeting is called by any person or persons other than the Board of Directors, the chairperson of the Board of Directors, the chief executive officer or the president, the request shall be in writing, specifying the time of such meeting and the general nature of the business proposed to be transacted, and shall be delivered personally or sent by registered mail or by email, fax, or other facsimile or electronic transmission to the chairperson of the Board of Directors, the chief executive officer, the president or the secretary of the corporation. No business may be transacted at such special meeting otherwise than specified in such notice. The officer receiving the request shall cause notice to be promptly given to the stockholders entitled to vote, in accordance with the provisions of Sections 2.4 and 2.5 of this Article II, that a meeting will be held at the time requested by the person or persons calling the meeting, not less than 35 nor more than 60 days after the receipt of the request. If the notice is not given within 20 days after the receipt of the request, the person or persons requesting the meeting may give the notice. Nothing contained in this paragraph of this Section 2.3 shall be construed as limiting, fixing, or affecting the time when a meeting of stockholders called by action of the Board of Directors may be held.

2.4 **Notice of Meetings of Stockholders**

All notices of meetings of stockholders shall be in writing and shall be sent or otherwise given in accordance with Section 2.5 of these bylaws not less than 10 nor more than 60 days before the date of the meeting to each stockholder entitled to vote at such meeting. The notice shall specify the place (if any), date and hour of the meeting, and in the case of a special meeting, the purpose or purposes for which the meeting is called.

2.5 **Manner of Giving Notice; Affidavit of Notice**

Written notice of any meeting of stockholders, if mailed, is given when deposited in the United States or regular mail, postage prepaid, directed to the stockholder at such stockholder's address as it appears on the records of the corporation. Without limiting how notice otherwise may be given effectively to stockholders, any notice to stockholders may be given by electronic mail or other electronic transmission, in the manner provided in Section 232 of the Delaware General Corporation Law. An affidavit of the secretary or an assistant secretary or of the transfer agent of the corporation that the notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

2.6 **Quorum**

The holders of a majority of the shares of stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of stockholders for the transaction of business except as otherwise provided by statute or by the certificate of incorporation. If, however, such quorum is not present or represented at any meeting of stockholders, then either (a) the chairperson of the meeting or (b) holders of a majority of the shares of stock entitled to vote who are present, in person or by proxy, shall have power to adjourn the meeting to another place (if any), date or time.

2.7 **Adjourned Meeting; Notice**

When a meeting is adjourned to another place (if any), date or time, unless these bylaws otherwise require, notice need not be given of the adjourned meeting if the time and place (if any), thereof and the means of remote communications (if any) by which stockholders and proxyholders may be deemed to be present and vote at such adjourned meeting, are announced at the meeting at which the adjournment is taken. At the adjourned meeting the corporation may transact any business that might have been transacted at the original meeting. If the adjournment is for more than 30 days, or if after the adjournment a new record date is fixed for the adjourned meeting, notice of the place (if any), date and time of the adjourned meeting and the means of remote communications (if any) by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

2.8 **Organization; Conduct of Business**

Such person as the Board of Directors may have designated or, in the absence of such a person, the chief executive officer, or in the chief executive officer's absence, the president or, in the president's absence, such person as may be chosen by the holders of a majority of the shares entitled to vote who are present, in person or by proxy, shall call to order any meeting of stockholders and act as chairperson of the meeting. In the absence of the secretary of the corporation, the secretary of the meeting shall be such person as the chairperson of the meeting appoints.

The chairperson of any meeting of stockholders shall determine the order of business and the procedure at the meeting, including the manner of voting and the conduct of business. The date and time of opening and closing of the polls for each matter upon which the stockholders will vote at the meeting shall be announced at the meeting.

2.9 Voting

The stockholders entitled to vote at any meeting of stockholders shall be determined in accordance with the provisions of Section 2.12 of these bylaws, subject to the provisions of Sections 217 and 218 of the Delaware General Corporation Law (relating to voting rights of fiduciaries, pledgors and joint owners of stock, and to voting trusts and other voting agreements).

Except as may otherwise be provided in the certificate of incorporation, each stockholder shall be entitled to one vote for each share of capital stock held by such stockholder. All elections shall be determined by a plurality of the votes cast, and except as otherwise required by law, all other matters shall be determined by a majority of the votes cast affirmatively or negatively.

2.10 Waiver of Notice

Whenever notice is required to be given under any provision of the Delaware General Corporation Law or of the certificate of incorporation or these bylaws, a written waiver thereof, signed by the person entitled to notice, or waiver by electronic mail or other electronic transmission by such person, whether before or after the time stated therein, shall be deemed equivalent to notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any meeting of stockholders need be specified in any written waiver of notice, or any waiver of notice by electronic transmission, unless so required by the certificate of incorporation or these bylaws.

2.11 Stockholder Action by Written Consent without a Meeting

Unless otherwise provided in the certificate of incorporation, any action required to be taken at any meeting of stockholders, or any action that may be taken at any meeting of such stockholders, may be taken without a meeting, without prior notice, and without a vote if a consent in writing, setting forth the action so taken, is (a) signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, and (b) delivered to the corporation in accordance with Section 228(a) of the Delaware General Corporation Law.

Every written consent shall bear the date of signature of each stockholder who signs the consent and no written consent shall be effective to take the corporate action(s) referred to therein unless, within 60 days of the date the earliest dated consent is delivered to the corporation, a written consent or consents signed by a sufficient number of holders to take such action(s) are delivered to the corporation in the manner prescribed in this Section. An electronic mail or other electronic transmission consenting to an action to be taken and transmitted by a stockholder or proxyholder, or by a person or persons authorized to act for a stockholder or proxyholder, shall be deemed to be written, signed and dated for purposes of this Section to the extent permitted by law. Any such consent shall be delivered in accordance with Section 228(d)(1) of the Delaware General Corporation Law.

Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in lieu of the original writing for any and all purposes for which the original writing could be used, provided that such copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing.

Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing (including by electronic mail or other electronic transmission as permitted by law). If the action which is consented to is such as would have required the filing of a certificate under any section of the Delaware General Corporation Law if such action had been voted on by stockholders at a meeting thereof, then the certificate filed under such section shall state, in lieu of any statement required by such section concerning any vote of stockholders, that written notice and written consent have been given as provided in Section 228 of the Delaware General Corporation Law.

2.12 **Record Date for Stockholder Notice; Voting; Giving Consents**

In order that the corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or entitled to express consent to corporate action in writing without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date, which shall not be more than 60 nor less than 10 days before the date of such meeting, nor more than 60 days prior to any other action.

If the Board of Directors does not so fix a record date:

(a) The record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held.

(b) The record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board of Directors is necessary, shall be the day on which the first written consent (including consent by electronic mail or other electronic transmission as permitted by law) is delivered to the corporation.

(c) The record date for determining stockholders for any other purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting, if such adjournment is for 30 days or less; *provided, however*, that the Board of Directors may fix a new record date for the adjourned meeting.

2.13 **Proxies**

Each stockholder entitled to vote at a meeting of stockholders or to express consent or dissent to corporate action in writing without a meeting may authorize another person or persons to act for such stockholder by an instrument in writing or by an electronic transmission permitted by law filed with the secretary of the corporation, but no such proxy shall be voted or acted upon after 3 years from its date, unless the proxy provides for a longer period. A proxy shall be deemed signed if the stockholder's name is placed on the proxy (whether by manual signature, typewriting, facsimile, electronic transmission or

otherwise) by the stockholder or the stockholder's attorney-in-fact. The revocability of a proxy that states on its face that it is irrevocable shall be governed by the provisions of Section 212(e) of the Delaware General Corporation Law.

ARTICLE III

DIRECTORS

3.1 Powers

Subject to the provisions of the Delaware General Corporation Law and any limitations in the certificate of incorporation or these bylaws relating to action required to be approved by the stockholders or by the outstanding shares, the business and affairs of the corporation shall be managed and all corporate powers shall be exercised by or under the direction of the Board of Directors.

3.2 Number of Directors

(a) The total number of directors constituting the entire Board of Directors (the “**Number of Authorized Directors**”) shall be fixed or changed in the manner provided in these bylaws, unless the certificate of incorporation fixes the Number of Authorized Directors, in which case the Number of Authorized Directors shall be changed only by amendment of the certificate of incorporation.

(b) Subject to Section 3.4 of these bylaws, the Number of Authorized Directors may be fixed or changed: (i) by a resolution of the Board of Directors or of the stockholders, or (ii) if applicable, by action of the incorporator(s) (which includes any person(s) acting, in accordance with the Delaware General Corporation Law, on behalf of any incorporator(s) not available to act) before the election of the initial Board of Directors. No reduction of the Number of Authorized Directors shall have the effect of removing any director before such director's term of office expires.

(c) If the Number of Authorized Directors is already fixed (whether by the certificate of incorporation, resolution of the Board of Directors or of the stockholders, action of the incorporators(s) before the election of the initial Board of Directors, or otherwise in accordance with the Delaware General Corporation Law) at the time the adoption of these bylaws is effective (the “**Effective Time**”), then the Number of Authorized Directors, until changed in accordance with this Section 3.2, is such already fixed Number of Authorized Directors.

(d) If the Number of Authorized Directors is not already fixed at the Effective Time, then: (i) if there are directors in office at the Effective Time, the Number of Authorized Directors, until changed in accordance with this Section 3.2, is the total number of directors in office at the Effective Time, or (ii) if there are no directors in office at the Effective Time, the Number of Authorized Directors, until fixed or changed in accordance with this Section 3.2, is the total number of directors on the Board of Directors as first constituted following the Effective Time (whether such directors are elected by resolution of the stockholders, action of the incorporators(s) before the election of the initial Board of Directors, or otherwise in accordance with the Delaware General Corporation Law).

3.3 Election, Qualification and Term of Office of Directors

Except as provided in Section 3.4 of these bylaws, and unless otherwise provided in the certificate of incorporation, directors shall be elected at each annual meeting of stockholders to hold office until the next annual meeting. Directors need not be stockholders unless so required by the certificate of incorporation or these bylaws, wherein other qualifications for directors may be prescribed.

Each director, including a director elected to fill a vacancy, shall hold office until such director's successor is elected and qualified or until such director's earlier resignation or removal.

Unless otherwise specified in the certificate of incorporation, elections of directors need not be by written ballot.

3.4 Resignation and Vacancies

Any director may resign at any time upon written notice to the attention of the secretary of the corporation. Notwithstanding the provisions of Section 223(a)(1) and 223(a)(2) of the Delaware General Corporation Law, any vacancy or newly created directorship may be filled by a majority of the directors then in office (including any directors that have tendered a resignation effective at a future date), though less than a quorum, or by a sole remaining director, and the directors so chosen shall hold office until the next annual election and until their successors are duly elected and shall qualify, unless sooner displaced; *provided, however*, that where such vacancy or newly created directorship occurs among the directors elected by the holders of a class or series of stock, the holders of shares of such class or series may override the action of the Board of Directors to fill such vacancy or newly created directorship by (i) voting for their own designee to fill such vacancy or newly created directorship at a meeting of the corporation's stockholders or (ii) written consent, if the consenting stockholders hold a sufficient number of shares to elect their designee at a meeting of stockholders.

If at any time, by reason of death or resignation or other cause, the corporation should have no directors in office, then any officer or any stockholder or an executor, administrator, trustee or guardian of a stockholder, or other fiduciary entrusted with like responsibility for the person or estate of a stockholder, may call a special meeting of stockholders in accordance with the provisions of the certificate of incorporation or these bylaws, or may apply to the Court of Chancery for a decree summarily ordering an election as provided in Section 211 of the Delaware General Corporation Law.

If, at the time of filling any vacancy or any newly created directorship, the directors then in office constitute less than a majority of the whole board (as constituted immediately prior to any such increase), then the Court of Chancery may, upon application of any stockholder or stockholders holding at least 10% of the total number of the shares at the time outstanding having the right to vote for such directors, summarily order an election to be held to fill any such vacancies or newly created directorships, or to replace the directors chosen by the directors then in office as aforesaid, which election shall be governed by the provisions of Section 211 of the Delaware General Corporation Law as far as applicable.

3.5 Place of Meetings; Meetings by Telephone

The Board of Directors of the corporation may hold meetings, both regular and special, either within or outside the state of Delaware.

Unless otherwise restricted by the certificate of incorporation or these bylaws, members of the Board of Directors, or any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors, or any committee, by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting.

3.6 Regular Meetings

Regular meetings of the Board of Directors may be held without notice at such time and at such place as shall from time to time be determined by the board.

3.7 **Special Meetings; Notice**

Special meetings of the Board of Directors for any purpose or purposes may be called at any time by the chairperson of the Board of Directors, the chief executive officer, the president, the secretary or any two directors.

Notice of the time and place of special meetings shall be delivered personally or by telephone to each director or sent by mail, facsimile, or electronic transmission, charges prepaid, addressed to each director at that director's address as it is shown on the records of the corporation. If the notice is mailed, it shall be deposited in the United States or regular mail at least 4 days before the time of the holding of the meeting. If the notice is delivered personally or by facsimile, electronic transmission, or telephone, it shall be delivered at least 24 hours before the time of the holding of the meeting. Any oral notice given personally or by telephone may be communicated either to the director or to a person at the office of the director who the person giving the notice has reason to believe will promptly communicate it to the director. The notice need not specify the purpose of the meeting. The notice need not specify the place of the meeting, if the meeting is to be held at the principal executive office of the corporation. Unless otherwise indicated in the notice thereof, any and all business may be transacted at a special meeting.

3.8 **Quorum**

At all meetings of the Board of Directors, a majority of the total number of directors then in office (but in no case less than 1/3 of the Number of Authorized Directors (as defined in Section 3.2 of these bylaws)) shall constitute a quorum for the transaction of business and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board of Directors, except as may be otherwise specifically provided by statute or by the certificate of incorporation. If a quorum is not present at any meeting of the Board of Directors, then the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present.

A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting.

If the certificate of incorporation provides that one or more directors shall have more or less than one vote per director on any matter, every reference in these bylaws to a majority or other proportion of the directors shall refer to a majority or other proportion of the votes of the directors.

3.9 **Waiver of Notice**

Whenever notice is required to be given under any provision of the Delaware General Corporation Law or of the certificate of incorporation or these bylaws, a written waiver thereof, signed by the person entitled to notice, or waiver by electronic mail or other electronic transmission by such person, whether before or after the time stated therein, shall be deemed equivalent to notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the directors, or members of a committee of directors, need be specified in any written waiver of notice unless so required by the certificate of incorporation or these bylaws.

3.10 **Board Action by Written Consent without a Meeting**

Unless otherwise restricted by the certificate of incorporation or these bylaws, any action required or permitted to be taken at any meeting of the Board of Directors, or of any committee thereof, may be taken without a meeting if all members of the Board of Directors or committee, as the case may be, consent thereto in writing or by electronic transmission, and the writing or writings or electronic transmission or transmissions are filed with the minutes of proceedings of the board or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in lieu of the original writing for any and all purposes for which the original writing could be used, provided that such copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing.

3.11 **Fees and Compensation of Directors**

Unless otherwise restricted by the certificate of incorporation or these bylaws, the Board of Directors shall have the authority to fix the compensation of directors. No such compensation shall preclude any director from serving the corporation in any other capacity and receiving compensation therefor.

3.12 **Approval of Loans to Officers**

The corporation may lend money to, or guarantee any obligation of, or otherwise assist any officer or other employee of the corporation or of its subsidiary, including any officer or employee who is a director of the corporation or its subsidiary, whenever, in the judgment of the Board of Directors, such loan, guaranty or assistance may reasonably be expected to benefit the corporation. The loan, guaranty or other assistance may be with or without interest and may be unsecured, or secured in such manner as the Board of Directors shall approve, including, without limitation, a pledge of shares of stock of the corporation. Nothing in this section shall be deemed to deny, limit or restrict the powers of guaranty or warranty of the corporation at common law or under any statute.

3.13 **Removal of Directors**

Unless otherwise restricted by statute, by the certificate of incorporation or by these bylaws, any director or the entire Board of Directors may be removed, with or without cause, by, and only by, the affirmative vote of the holders of the shares of the class or series of stock entitled to elect such director or directors, given either at a special meeting of such stockholders duly called for that purpose or pursuant to a written consent of stockholders, and any vacancy thereby created may be filled by the holders of that class or series of stock represented at the meeting or pursuant to written consent; *provided, however*, that if the stockholders of the corporation are entitled to cumulative voting, if less than the entire Board of Directors is to be removed, no director may be removed without cause if the votes cast against such director's removal would be sufficient to elect such director if then cumulatively voted at an election of the entire Board of Directors.

No reduction of the Number of Authorized Directors (as defined in Section 3.2 of these bylaws) shall have the effect of removing any director before such director's term of office expires.

3.14 **Chairperson of the Board of Directors**

The corporation may also have, at the discretion of the Board of Directors, a chairperson of the Board of Directors who shall not be considered an officer of the corporation.

ARTICLE IV

COMMITTEES

4.1 **Committees of Directors**

The Board of Directors may designate one or more committees, each committee to consist of one or more directors of the corporation. The Board may designate 1 or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee, the member or members present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any such absent or disqualified member. Any such committee, to the extent provided in the resolution of the Board of Directors, or in these bylaws, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the corporation, and may authorize the seal of the corporation, if any, to be affixed to all papers which may require it; but no such committee shall have the power or authority in reference to the following matters: (i) approving or adopting, or recommending to the stockholders, any action or matter expressly required by the Delaware General Corporation Law to be submitted to stockholders for approval, or (ii) adopting, amending or repealing any bylaw of the corporation.

4.2 **Committee Minutes**

Each committee shall keep regular minutes of its meetings and report the same to the Board of Directors when required.

4.3 **Meetings and Actions of Committees**

Meetings and actions of committees shall be governed by, and held and taken in accordance with, the provisions of Section 3.5 (place of meetings and meetings by telephone), Section 3.6 (regular meetings), Section 3.7 (special meetings and notice), Section 3.8 (quorum), Section 3.9 (waiver of notice), and Section 3.10 (action without a meeting) of these bylaws, with such changes in the context of such provisions as are necessary to substitute the committee and its members for the Board of Directors and its members; *provided, however*, that the time of regular meetings of committees may be determined either by resolution of the Board of Directors or by resolution of the committee, that special meetings of committees may also be called by resolution of the Board of Directors and that notice of special meetings of committees shall also be given to all alternate members, who shall have the right to attend all meetings of the committee. The Board of Directors may adopt rules for the government of any committee not inconsistent with the provisions of these bylaws.

ARTICLE V

5.1 **Officers**

The officers of the corporation shall be a president and a secretary. Any officer may resign at any time by giving written notice to the corporation. Any resignation shall take effect at the date of the receipt of that notice or at any later time specified in that notice; and, unless otherwise specified in that notice, the acceptance of the resignation shall not be necessary to make it effective. Any resignation is without prejudice to the rights (if any) of the corporation under any contract to which the officer is a party.

5.5 **Vacancies in Offices**

Any vacancy occurring in any office of the corporation shall be filled by the Board of Directors.

5.6 **Chief Executive Officer**

Subject to such supervisory powers (if any) as may be given by the Board of Directors to the chairperson of the board (if any), the chief executive officer of the corporation (if such an officer is appointed) shall, subject to the control of the Board of Directors, have general supervision, direction, and control of the business and the officers of the corporation, and shall have the general powers and duties of

management usually vested in the office of chief executive officer of a corporation and shall have such other powers and duties as may be prescribed by the Board of Directors or these bylaws.

The minutes shall show the time and place of each meeting, the names of those present at meetings of directors or committee meetings, the number of shares present or represented at meetings of stockholders, and the proceedings thereof.

The secretary shall keep, or cause to be kept, at the principal executive office of the corporation or at the office of the corporation's transfer agent or registrar, as determined by resolution of the Board of Directors, a share register, or a duplicate share register, showing the names of all stockholders and their addresses, the number and classes of shares held by each, the number and date of certificates (if any) evidencing such shares, and the number and date of cancellation of every certificate (if any) surrendered for cancellation.

The secretary shall give, or cause to be given, notice of all meetings of stockholders and of the Board of Directors required to be given by law or by these bylaws. The chief financial officer (if such an officer is appointed) shall keep and maintain, or cause to be kept and maintained, adequate and correct books and records of accounts of the properties and business transactions of the corporation, including accounts of its assets, liabilities, receipts, disbursements, gains, losses, capital, retained earnings and shares. The books of account shall at all reasonable times be open to inspection by any member of the Board of Directors.

The chief financial officer shall render to the chief executive officer, the president, or the Board of Directors, upon request, an account of all such officer's transactions as chief financial officer and of the financial condition of the corporation. The chief financial officer shall have the general powers and duties usually vested in the office of chief financial officer of a corporation and shall have such other powers and perform such other duties as may be prescribed by the Board of Directors or these bylaws.

The person serving as the chief financial officer shall also be the acting treasurer of the corporation whenever no other person is then serving in such capacity. Subject to such supervisory powers (if any) as may be given by the Board of Directors to another officer of the corporation, the chief financial officer shall supervise and direct the responsibilities of the treasurer whenever someone other than the chief financial officer is serving as treasurer of the corporation.

5.11 **Treasurer**

The treasurer (if such an officer is appointed) shall keep and maintain, or cause to be kept and maintained, adequate and correct books and records with respect to all bank accounts, deposit accounts, cash management accounts and other investment accounts of the corporation. 5.13 **Authority and Duties of Officers**

In addition to the foregoing authority and duties, all officers of the corporation shall respectively have such authority and perform such duties in the management of the business of the corporation as may be designated from time to time by the Board of Directors or the stockholders.

ARTICLE VI

INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES, AND OTHER AGENTS

6.1 **Indemnification of Directors and Officers**

The corporation shall, to the maximum extent and in the manner permitted by the Delaware General Corporation Law, indemnify each of its directors and officers against expenses (including attorneys' fees), judgments, fines, settlements and other amounts actually and reasonably incurred in connection with any proceeding, arising by reason of the fact that such person is or was an agent of the corporation. For purposes of this Section 6.1, a "director" or "officer" of the corporation includes any person (a) who is or was a director or officer of the corporation, (b) who is or was serving at the request of the corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, or (c) who was a director or officer of a corporation which was a predecessor corporation of the corporation or of another enterprise at the request of such predecessor corporation.

6.2 **Indemnification of Others**

The corporation shall have the power, to the maximum extent and in the manner permitted by the Delaware General Corporation Law, to indemnify each of its employees and agents (other than directors and officers) against expenses (including attorneys' fees), judgments, fines, settlements and other amounts actually and reasonably incurred in connection with any proceeding, arising by reason of the fact that such person is or was an agent of the corporation. For purposes of this Section 6.2, an "employee" or "agent" of the corporation (other than a director or officer) includes any person (a) who is or was an employee or agent of the corporation, (b) who is or was serving at the request of the corporation as an employee or agent of another corporation, partnership, joint venture, trust or other enterprise, or (c) who was an employee or agent of a corporation which was a predecessor corporation of the corporation or of another enterprise at the request of such predecessor corporation.

6.3 **Payment of Expenses in Advance**

Expenses incurred in defending any action or proceeding for which indemnification is required pursuant to Section 6.1 or for which indemnification is permitted pursuant to Section 6.2 following authorization thereof by the Board of Directors shall be paid by the corporation in advance of the final disposition of such action or proceeding upon receipt of an undertaking by or on behalf of the indemnified party to repay such amount if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that the indemnified party is not entitled to be indemnified as authorized in this Article VI.

6.4 **Indemnity Not Exclusive**

The indemnification provided by this Article VI shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in an official capacity and as to

action in another capacity while holding such office, to the extent that such additional rights to indemnification are authorized in the certificate of incorporation.

6.5 Insurance

The corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under the provisions of the Delaware General Corporation Law.

6.6 Conflicts

No indemnification or advance shall be made under this Article VI, except where such indemnification or advance is mandated by law or the order, judgment or decree of any court of competent jurisdiction, in any circumstance where it appears:

(a) That it would be inconsistent with a provision of the certificate of incorporation, these bylaws, a resolution of the stockholders or an agreement in effect at the time of the accrual of the alleged cause of the action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

(b) That it would be inconsistent with any condition expressly imposed by a court in approving a settlement.

ARTICLE VII

RECORDS AND REPORTS

7.1 Maintenance and Inspection of Records

The corporation shall, either at its principal executive office or at such place or places as designated by the Board of Directors, keep a record of its stockholders listing their names and addresses and the number and class of shares held by each stockholder, a copy of these bylaws as amended to date, accounting books, and other records.

Any stockholder of record, in person or by attorney or other agent, shall, upon written demand under oath stating the purpose thereof, have the right during the usual hours for business to inspect for any proper purpose the corporation's stock ledger, a list of its stockholders, and its other books and records and to make copies or extracts therefrom. A proper purpose shall mean a purpose reasonably related to such person's interest as a stockholder. In every instance where an attorney or other agent is the person who seeks the right to inspection, the demand under oath shall be accompanied by a power of attorney or such other writing that authorizes the attorney or other agent to so act on behalf of the stockholder. The demand under oath shall be directed to the corporation at its registered office in Delaware or at its principal executive office.

A complete list of stockholders entitled to vote at any meeting of stockholders, arranged in alphabetical order for each class of stock and showing the address of each such stockholder and the number of shares registered in each such stockholder's name, shall be open to the examination of any

such stockholder for a period of at least 10 days prior to the meeting in the manner provided by law. The stock list shall also be open to the examination of any stockholder during the whole time of the meeting as provided by law. This list shall presumptively determine the identity of the stockholders entitled to vote at the meeting and the number of shares held by each of them.

7.2 Inspection by Directors

Any director shall have the right to examine the corporation's stock ledger, a list of its stockholders, and its other books and records for a purpose reasonably related to such person's position as a director. The Court of Chancery is hereby vested with the exclusive jurisdiction to determine whether a director is entitled to the inspection sought. The Court may summarily order the corporation to permit the director to inspect any and all books and records, the stock ledger, and the stock list and to make copies or extracts therefrom. The Court may, in its discretion, prescribe any limitations or conditions with reference to the inspection, or award such other and further relief as the Court may deem just and proper.

ARTICLE VIII

STOCK

8.1 Stock Certificates and Notices; Uncertificated Shares; Partly Paid Shares

The shares of the corporation may be certificated or uncertificated, as provided under Delaware law, and shall be entered in the books of the corporation and recorded as they are issued. Any or all of the signatures on any certificate may be a facsimile or electronic signature. In case any officer, transfer agent or registrar who has signed or whose facsimile or electronic signature has been placed upon a certificate has ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the corporation with the same effect as if such person were such officer, transfer agent or registrar at the date of issue.

Within a reasonable time after the issuance or transfer of uncertificated shares and upon the request of a stockholder, the corporation shall send to the record owner thereof a written notice that shall set forth the name of the corporation, that the corporation is organized under the laws of Delaware, the name of the stockholder, the number and class (and the designation of the series, if any) of the shares, and any restrictions on the transfer or registration of such shares of stock imposed by the corporation's certificate of incorporation, these bylaws, any agreement among stockholders or any agreement between stockholders and the corporation.

The corporation may issue the whole or any part of its shares as partly paid and subject to call for the remainder of the consideration to be paid therefor. Upon the face or back of each stock certificate (if any) issued to represent any such partly paid shares, or upon the books and records of the corporation in the case of uncertificated partly paid shares, the total amount of the consideration to be paid therefor and the amount paid thereon shall be stated. Upon the declaration of any dividend on fully paid shares, the corporation shall declare a dividend upon partly paid shares of the same class, but only upon the basis of the percentage of the consideration actually paid thereon.

8.2 Special Designation on Certificates and Notices of Issuance

If the corporation is authorized to issue more than one class of stock or more than one series of any class, then the powers, designations, preferences, and the relative, participating, optional, or other special rights of each class of stock or series thereof, and the qualifications, limitations or restrictions of such preferences and/or rights shall be set forth in full or summarized on the face or back of

the certificate or the notice of issuance of uncertificated shares used to represent such class or series of stock; *provided, however*, that, except as otherwise provided in Section 202 of the Delaware General Corporation Law, in lieu of the foregoing requirements, the corporation may state on the face or back of the certificate or the notice of issuance of uncertificated shares used to represent such class or series of stock, or in the purchase agreement for such stock, that the corporation will furnish without charge to each stockholder who so requests a statement of the powers, designations, preferences, and the relative, participating, optional, or other special rights of each class of stock or series thereof, and the qualifications, limitations or restrictions of such preferences and/or rights.

8.3 **Lost Certificates**

Except as provided in this Section 8.3, no new certificates for shares shall be issued to replace a previously issued certificate unless the latter is surrendered to the corporation and cancelled at the same time. The corporation may issue a new certificate or notice of issuance of uncertificated shares in the place of any certificate previously issued by it, alleged to have been lost, stolen or destroyed, and the corporation may require the owner of the lost, stolen or destroyed certificate, or the owner's legal representative, to give the corporation a bond sufficient to indemnify it against any claim that may be made against it on account of the alleged loss, theft or destruction of any such certificate or the issuance of such new certificate or notice of issuance of uncertificated shares.

8.4 **Dividends**

The Board of Directors, subject to any restrictions contained in (a) the Delaware General Corporation Law or (b) the certificate of incorporation, may declare and pay dividends upon the shares of the corporation's capital stock. Dividends may be paid in cash, in property, or in shares of the corporation's capital stock.

The Board of Directors may set apart out of any of the funds of the corporation available for dividends a reserve or reserves for any proper purpose and may abolish any such reserve. Such purposes shall include but not be limited to equalizing dividends, repairing or maintaining any property of the corporation, and meeting contingencies.

8.5 **Transfer of Stock**

Upon receipt by the corporation or the transfer agent of the corporation of proper transfer instructions from the record holder of uncertificated shares, or upon surrender to the corporation or the transfer agent of the corporation of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignation or authority to transfer, it shall be the duty of the corporation to issue a new certificate or, in the case of uncertificated securities and upon request, a notice of issuance of uncertificated shares, to the person entitled thereto, cancel the old certificate (if any) and record the transaction in its books.

8.6 **Stock Transfer Agreements**

The corporation shall have power to enter into and perform any agreement with any number of stockholders of any one or more classes of stock of the corporation to restrict the transfer of shares of stock of the corporation of any one or more classes owned by such stockholders in any manner not prohibited by the Delaware General Corporation Law.

8.7 Stockholders of Record

The corporation shall be entitled to recognize the exclusive right of a person recorded on its books as the owner of shares to receive dividends and to vote as such owner, shall be entitled to hold liable for calls and assessments the person recorded on its books as the owner of shares, and shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of another person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of Delaware.

8.8 Transfer Restrictions

No stockholder may sell, transfer, encumber or otherwise dispose of in any way (whether voluntary, involuntary, by operation of law, by gift or otherwise) (each, a “**Transfer**”) the shares of common stock of the corporation (except for common stock of the corporation issued or issuable upon conversion of preferred stock of the corporation) (the “**Restricted Stock**”), or any beneficial interest therein, without the prior written consent of the corporation, upon authorization thereof by the Board of Directors. The corporation may withhold consent for any legitimate corporate purpose, as determined by the Board of Directors. Examples of the basis for the corporation to withhold its consent include, without limitation: (i) if such Transfer is to a transferee identified by the corporation as a potential competitor or considered by the corporation to be unfriendly to the corporation’s interests; (ii) if such Transfer increases the risk of the corporation having a class of security held of record by 2,000 or more persons, or 500 or more persons who are not accredited investors (as such term is defined by the Securities and Exchange Commission), as described in Section 12(g) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), and any related regulations, or otherwise requiring the corporation to register any class of securities under the Exchange Act; (iii) if such Transfer would result in the loss of any federal or state securities law exemption relied upon by the corporation in connection with the initial issuance of such shares or the issuance of any other securities; (iv) if such Transfer is facilitated in any manner by any public posting, message board, trading portal, internet site, or similar method of communication, including, without limitation, any trading portal or internet site intended to facilitate secondary transfers of securities; (v) if such Transfer is to be effected in a brokered transaction; or (vi) if such Transfer represents a Transfer of less than all of the shares then held by the stockholder (and its affiliates) or is to be made to more than a single transferee.

(a) If a stockholder desires to Transfer any shares of Restricted Stock, then the stockholder shall promptly deliver a notice (the “**Transfer Notice**”) to the corporation stating (i) such stockholder’s bona fide intention to sell or transfer such shares of Restricted Stock, (ii) the number of such shares of Restricted Stock to be sold or transferred, and the basic terms and conditions of such sale or transfer, (iii) the price for which such stockholder proposes to sell or transfer such shares of Restricted Stock, (iv) the name of each proposed purchaser or transferee, and (v) proof satisfactory to the Company that the proposed sale or transfer will not violate any applicable U.S. federal, state or foreign securities laws. If the corporation consents to a Transfer pursuant to Section 8.8(a), any shares of Restricted Stock proposed to be transferred in such Transfer Notice shall first be subject to the corporation’s right of first refusal set forth in Section 8.9 of these bylaws. At the option of the corporation, the stockholder shall be obligated to pay to the corporation a reasonable transfer fee related to the costs and time of the corporation and its legal and other advisors related to any proposed Transfer.

(b) Any Transfer, or purported Transfer, of shares of Restricted Stock not made in strict compliance with this Section 8.8 shall be null and void, shall not be recorded on the books of the corporation and shall not be recognized by the corporation.

(c) The foregoing Transfer restrictions shall terminate upon the date securities of the corporation are first offered to the public pursuant to a registration statement filed with, and declared effective by, the Securities and Exchange Commission under the Securities Act of 1933, as amended (the “**Securities Act**”).

(d) Any certificates, or notices of issuance of uncertificated shares, of Restricted Stock shall bear substantially the following legend, so long as the foregoing Transfer restrictions remain in effect:

THE SHARES REPRESENTED HEREBY OR REFERENCED HEREIN ARE SUBJECT TO CERTAIN TRANSFER RESTRICTIONS AS SET FORTH IN THE BYLAWS OF THE ISSUER, A COPY OF WHICH MAY BE OBTAINED AT THE PRINCIPAL OFFICE OF THE ISSUER.

8.9 **Right of First Refusal**

No stockholder may Transfer any shares of Restricted Stock, or any beneficial interest therein, except by a Transfer that first gives the corporation a right of first refusal to purchase the shares of Restricted Stock (the “**Right of First Refusal**”) as set forth in this Section 8.9, in addition to any other restrictions or requirements under these bylaws or applicable law.

(a) If the corporation consents to a Transfer pursuant to Section 8.8(a) of these bylaws, the stockholder shall offer the shares of Restricted Stock proposed to be transferred in such Transfer to the corporation or its assignee(s) upon the same terms as specified in the Transfer Notice (or terms as similar as reasonably possible).

(b) At any time within the period ending the later of 30 days after (i) the date of receipt of the Transfer Notice, or (ii) the date that the corporation consents to a Transfer pursuant to Section 8.8(a) (the “**Election Period**”), the corporation and/or its assignee(s) may, by giving written notice to the transferring stockholder, elect to purchase any or all of the shares of Restricted Stock proposed to be transferred to any one or more of the Proposed Transferees, at the price and upon the terms set forth in such Transfer Notice, *provided* that if the price of the shares consists of no legal consideration (as, for example, in the case of a transfer by gift), the price shall be the fair market value of the shares as determined in good faith by the Board of Directors. If the price includes consideration other than cash, the cash equivalent value of the non-cash consideration shall be determined in good faith by the Board of Directors.

(c) Payment upon the exercise of the Right of First Refusal shall be made, at the election of the corporation or its assignee(s), in cash (by check or wire transfer), by cancellation of all or a portion of any outstanding indebtedness of the transferring stockholder to the corporation and/or its assignee(s), or by any combination thereof within 60 days after expiration of the Election Period, or in the manner and at the times set forth in the Transfer Notice if more favorable to the corporation and/or its assignee(s).

(d) If any of the shares of Restricted Stock proposed in the Transfer Notice to be transferred to a given Proposed Transferee are not purchased by the corporation and/or its assignee(s), then the transferring stockholder may, subject to the corporation’s consent pursuant to the Transfer restrictions set forth in Section 8.8 of these bylaws, sell or otherwise transfer any unpurchased shares of Restricted Stock to that Proposed Transferee at the price specified in the Transfer Notice, *provided* that such sale or other transfer is consummated within 60 days after the expiration or waiver of the Right of First Refusal granted to the corporation and/or its assignee(s) herein; and *provided, further*, that any such

sale or other transfer is effected in accordance with any applicable securities laws. The corporation, in consultation with its legal counsel, may require the transferring stockholder to provide an opinion of counsel evidencing compliance with applicable securities laws. If the shares described in the Transfer Notice are not transferred to the Proposed Transferee within such 60-day period, or if the transferring stockholder proposes to change the price or other terms to make them more favorable to the Proposed Transferee, a new Transfer Notice shall be given to the corporation, and the corporation and/or its assignee(s) shall again be offered the Right of First Refusal before any shares held by the transferring stockholder may be sold or otherwise transferred. All shares of Restricted Stock sold or otherwise transferred to a Proposed Transferee shall continue to be subject to the Transfer restrictions set forth in Section 8.8 and the Right of First Refusal set forth in Section 8.9 of these bylaws in the hands of such Proposed Transferee.

(e) Anything to the contrary contained herein notwithstanding, the following transactions shall be exempt from the Right of First Refusal:

(1) A stockholder's Transfer of any or all shares held during such stockholder's lifetime or on such stockholder's death by will or intestacy to such stockholder's Family Members. A person's "**Family Member**" as used herein means (i) the subject person's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships, (ii) any person sharing the subject person's household (other than a tenant or employee), (iii) a trust in which these persons have more than 50% of the beneficial interest, (iv) a foundation in which these persons (or the subject person) control the management of assets, and (v) any other entity in which these persons own more than 50% of the voting interests.

(2) A stockholder's bona fide pledge or mortgage of any shares with a commercial lending institution, *provided* that any subsequent Transfer of such shares by such institution shall be conducted in the manner set forth in these bylaws;

(3) A stockholder's Transfer of any or all of such stockholder's shares to the corporation or to any other stockholder of the corporation;

(4) A stockholder's Transfer of any or all of such stockholder's shares to a person who, at the time of such Transfer, is an officer or director of the corporation;

(5) A corporate stockholder's Transfer of any or all of such stockholder's shares pursuant to and in accordance with the terms of any merger, consolidation, reclassification of shares or capital reorganization of such corporate stockholder, or pursuant to a sale of all or substantially all of the stock or assets of such corporate stockholder;

(6) A corporate stockholder's Transfer of any or all of such stockholder's shares to any or all of its stockholders; or

(7) A Transfer by a stockholder that is a limited or general partnership to any or all of its partners or former partners in accordance with partnership interests.

In any such case, the transferee or other recipient shall receive and hold such shares subject to the Transfer restrictions set forth in Section 8.8 and the Right of First Refusal set forth in Section 8.9 of these bylaws, and there shall be no further Transfer of such shares except in accordance with these bylaws.

(f) The provisions of this Section 8.9 may be waived with respect to any Transfer either by the corporation, upon authorization thereof by the Board of Directors, or by the stockholders, upon the affirmative vote or written consent of the holders of a majority of the voting power of the corporation (excluding the votes represented by those shares to be transferred by the transferring stockholder). This Section 8.9 may be amended or repealed either by resolution of the Board of Directors or by the stockholders, upon the affirmative vote or written consent of the holders of a majority of the voting power of the corporation, but subject to any additional requirements of the certificate of incorporation.

(g) Any Transfer, or purported Transfer, of shares of Restricted Stock not made in strict compliance with this Section 8.9 shall be null and void, shall not be recorded on the books of the corporation and shall not be recognized by the corporation.

(h) The foregoing Right of First Refusal shall terminate upon the date securities of the corporation are first offered to the public pursuant to a registration statement filed with, and declared effective by, the Securities and Exchange Commission under the Securities Act.

(i) Any certificates, or notices of issuance of uncertificated shares, of Restricted Stock shall bear substantially the following legend, so long as the foregoing Right of First Refusal remains in effect:

THE SHARES REPRESENTED HEREBY OR REFERENCED HEREIN ARE
SUBJECT TO A RIGHT OF FIRST REFUSAL IN FAVOR OF THE ISSUER AND/OR
ITS ASSIGNEE(S) AS SET FORTH IN THE BYLAWS OF THE ISSUER, A COPY OF
WHICH MAY BE OBTAINED AT THE PRINCIPAL OFFICE OF THE ISSUER.

(j) To the extent this Section 8.9 conflicts with any written agreements between the corporation and the stockholder attempting to Transfer shares of Restricted Stock, such agreements shall control.

ARTICLE IX

GENERAL MATTERS

9.1 **Execution of Corporate Contracts and Instruments**

The Board of Directors may, in its discretion, determine the method and designate the signatory officer or officers, or other person or persons, to execute on behalf of the corporation any corporate instrument or document, or to sign on behalf of the corporation the corporate name, or to enter into contracts on behalf of the corporation, except as otherwise provided by law or these bylaws, and such execution or signature shall be binding upon the corporation. All checks and drafts drawn on banks or other depositories of funds to the credit of the corporation or on special accounts of the corporation shall be signed by such person or persons as the Board of Directors shall authorize so to do. 9.2 **Construction; Definitions**

Unless the context requires otherwise, the general provisions, rules of construction, and definitions in the Delaware General Corporation Law shall govern the construction of these bylaws.

Without limiting the generality of this provision, the singular number includes the plural, the plural number includes the singular, and the term “person” includes both a corporation and a natural person.

9.3 **Fiscal Year**

The fiscal year of the corporation shall be fixed by resolution of the Board of Directors and may be changed by the Board of Directors.

ARTICLE X

AMENDMENTS

The bylaws of the corporation may be adopted, amended or repealed by the stockholders entitled to vote; provided, however, that the corporation may, in its certificate of incorporation, confer the power to adopt, amend or repeal bylaws upon the directors. The fact that such power has been so conferred upon the directors shall not divest the stockholders of the power, nor limit their power to adopt, amend or repeal bylaws.

CLASS C COMMON STOCK PURCHASE AGREEMENT

This Class C Common Stock Purchase Agreement (this “*Agreement*”) is made as of this [REDACTED] day of [REDACTED], 2026 by and among Monarch Game Studios, Inc., a Delaware corporation (the “*Company*”), and Monarch Game Studios Holdings SPV, LLC, a Delaware limited liability company (the “*SPV*” or “*Purchaser*,” and together with the Company, the “*Parties*”). The Parties hereby agree as follows:

1. Purchase and Sale of Class C Common Stock.

1.1 Sale and Issuance of Class C Common Stock. Subject to the terms and conditions of this Agreement, the Purchaser agrees to purchase at the Closing and the Company agrees to sell and issue to the Purchaser at the Closing up to [REDACTED] shares of Class C Common Stock (the “*Shares*”) at a purchase price of \$1.00 per Share (the “*Price*”). The above does not include [REDACTED] bonus shares of Class C Common Stock issued to the Purchaser for no additional cost in connection with the Company’s Regulation CF offering and which are noted on Exhibit A, attached hereto and made a part hereof.

1.2 Closing. The purchase and sale of the Shares shall take place remotely via the exchange of documents and signatures on the date of this Agreement or at such other time and place as the Company and the Purchaser mutually agree upon, orally or in writing (which time and place are designated as the “*Closing*”). The Company and the Purchaser will execute counterpart signature pages to this Agreement and any other documents required by the Company (the “*Transaction Documents*”).

2. **Representations and Warranties of the Company.** The Company hereby represents and warrants to the Purchaser that the following representations are true and complete as of the date of the Closing, except as otherwise indicated:

2.1 Organization, Good Standing, Corporate Power and Qualification. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and has all power and authority required to (a) carry on its business as presently conducted and as presently proposed to be conducted, and (b) execute, deliver and perform its obligations under the Transaction Documents.

2.2 Valid Issuance of the Shares. The Shares, when issued, sold, and delivered in accordance with the terms and for the consideration set forth in this Agreement, will be duly authorized, validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on transfer under the Transaction Documents, applicable state and federal securities laws, and liens or encumbrances by or imposed by the Purchaser.

2.3 Compliance with Other Instruments. To the Company’s knowledge, the sale of the Shares will not place the Company in violation or default (a) of any provisions of the Company’s Articles of Incorporation, (b) of any judgment, order, writ or decree of any court or governmental authority, (c) under any agreement, instrument, contract, lease, note, indenture, mortgage or purchase order, or (d) of any provision of federal or state statute, rule or regulation materially applicable to the Company. The execution, delivery and performance of the Transaction Documents and the consummation of the transactions contemplated by the Transaction Documents will not result in any such violation or default, or constitute, with or without the passage of time and giving of notice, either (i) a default under any such judgment, order, writ, decree, agreement, instrument, contract, lease, note, indenture, mortgage or purchase order or (ii) an event which results in the creation of any lien, charge or encumbrance upon any assets of the Company or the suspension, revocation, forfeiture, or nonrenewal of any material permit or license applicable to the Company.

3. **Representations and Warranties of the Purchaser.** The Purchaser hereby represents and warrants to the Company as follows:

3.1 Purchase for Own Account. The Purchaser is acquiring and will hold the Shares for investment for its account only and not with a view to, or for resale in connection with, any “distribution” thereof within the meaning of the Securities Act of 1933, as amended (the “**Securities Act**”).

3.2 Access to Information. The Purchaser has been furnished with, and has had access to, all information that he/she/it considers necessary or appropriate for deciding whether to invest in the Shares, including the Company’s Articles of Incorporation, and the Purchaser has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the issuance of the Shares.

3.3 Speculative Investment. The Purchaser is aware that his/her/its investment in the Company is a speculative investment that has limited liquidity and is subject to the risk of complete loss. The Purchaser is able, without impairing his/her/its financial condition, to hold the Shares for an indefinite period and to suffer a complete loss of his investment in the Shares.

3.4 Authorization. The Purchaser has full power and authority to enter into the Transaction Documents. The Transaction Documents to which such Purchaser is a party, when executed and delivered by the Purchaser, will constitute valid and legally binding obligations of the Purchaser, enforceable in accordance with their terms, except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, and any other laws of general application relating to or affecting the enforcement of creditors’ rights generally, or (b) the effect of rules of law governing the availability of equitable remedies.

3.5 No Public Market. The Purchaser understands that no public market now exists for the Shares, and that the Company has made no assurances that a public market will ever exist for the Shares.

3.6 Residence. If the Purchaser is an individual, then the Purchaser resides in the state identified in the address of the Purchaser set forth on Exhibit A; if the Purchaser is a partnership, corporation, limited liability company or other entity, then the office or offices of the Purchaser in which its principal place of business is identified in the address or addresses of the Purchaser set forth on Exhibit A.

3.7 Bad Actor. None of the Purchaser, its principals or its affiliates (each a “**Purchaser Party**”) meet any of the disqualifying criteria described in Rule 506(d)(1)(i) through (viii) promulgated under the Securities Act (each a “Rule 506 Disqualification”).

3.8 Organization, Good Standing, Corporate Power and Qualification. The Purchaser is a limited liability company duly formed, validly existing and in good standing under the laws of the State of Delaware and has all power and authority required to (a) carry on its business as presently conducted and as presently proposed to be conducted, and (b) execute, deliver and perform its obligations under the Transaction Documents.

4. **General Provisions.**

4.1 Company Covenants. Within one (1) year of the date first set forth herein, the Company shall amend and modify its books and records to reflect the purchase of the Shares outlined herein.

4.2 Successors and Assigns. The terms and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the parties. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement.

4.3 Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of law.

4.4 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument. Counterparts may be delivered by any electronic signature complying with the U.S. federal ESIGN Act of 2000, and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

4.5 Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

4.6 Notices. All notices and communications given or made pursuant hereto shall be in writing and shall be deemed effectively given upon the earlier of actual receipt or: (a) personal delivery to the party to be notified, (b) when sent, if sent by facsimile during normal business hours of the recipient, and if not sent during normal business hours, then on the recipient's next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) business day after deposit with a nationally recognized overnight courier, freight prepaid, specifying next business day delivery, with written verification of receipt. All communications shall be sent to the respective Parties at their address as set forth on the signature page or Exhibit A, or to such address or facsimile number as subsequently modified by written notice given in accordance with this Section.

4.7 Attorneys' Fees. If any action (including arbitration) is necessary to enforce or interpret the terms of any of the Transaction Documents, the prevailing party shall be entitled to reasonable attorneys' fees, costs and necessary disbursements in addition to any other relief to which such party may be entitled. Each party shall pay all costs and expenses that it incurs with respect to the negotiation, execution, delivery, and performance of the Agreement.

4.8 Amendments and Waivers. Except as specified in this Agreement, any term of this Agreement may be amended, terminated, or waived only with the written consent of the Company and Purchaser. Any amendment or waiver effected in accordance with this Section shall be binding upon the Purchaser and each transferee of the Shares, and each future holder of all such securities, and the Company.

4.9 Severability. The invalidity or unenforceability of any provision hereof shall in no way affect the validity or enforceability of any other provision.

4.10 Delays or Omissions. No delay or omission to exercise any right, power, or remedy accruing to any party hereunder, upon any breach or default of any other party under this Agreement, shall impair any such right, power, or remedy of such non-breaching or non-defaulting party nor shall it be construed to be a waiver of any such breach or default, or an acquiescence therein, or of or in any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval on the part of any party of any breach or default under this Agreement, or any waiver on the part of any party of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement or by law or otherwise afforded to any party, shall be cumulative and not alternative.

4.11 Entire Agreement. This Agreement (including the Exhibits hereto), the Articles of Incorporation and the other Transaction Documents constitute the full and entire understanding and agreement between the parties with respect to the subject matter hereof, and any other written or oral agreement relating to the subject matter hereof existing between the parties are expressly canceled.

4.12 Securities Law Restrictions. Regardless of whether the offering and sale of Shares under this Agreement have been registered under the Securities Act or have been registered or qualified under the securities laws of any state, the Company may, at its discretion, impose restrictions upon the sale, pledge, or other transfer of the Shares if, in the judgment of the Company, such restrictions are necessary or desirable in order to achieve compliance with the Securities Act, the securities laws of any state, or any other law.

 Re: 2025 Financial Statement Audit – Monarch Game Studios, Inc.
 Las Vegas, Nevada

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Monarch Game Studios, Inc., which comprise the balance sheets as of December 31, 2025, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended, and the related notes to the financial statements. In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Monarch Game Studios, Inc. as of December 31, 2025, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are required to be independent of Monarch Game Studios, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Monarch Game Studios, Inc.'s ability to continue as a going concern.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Monarch Game Studios, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Monarch Game Studios, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2025
(AUDITED)

NOTE 1 – NATURE OF OPERATIONS

Monarch Game Studios, Inc. (which may be referred to as the “Company,” “we,” “us,” or “our”) was incorporated on December 1, 2025, in Delaware and is headquartered in Las Vegas, Nevada. The Company develops and publishes video games across mobile, PC, and console platforms, as well as digital adaptations of tabletop games. Its products are distributed through major digital platforms, including the App Store, Google Play, Steam, and console marketplaces.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (“US GAAP”). Any reference in these notes to applicable guidance is meant to refer to U.S. GAAP as found in the Accounting Standards Codification (“ASC”) and Accounting Standards Updates (“ASU”) of the Financial Accounting Standards Board (“FASB”).

Fiscal Year-End

The Company's fiscal year ends on December 31st. These financial statements cover the inception date of December 1, 2025 up to December 31, 2025.

Use of Estimates

The preparation of the financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the footnotes thereto. Actual results could differ from those estimates. It is reasonably possible that changes in estimates will occur in the near term.

Risks and Uncertainties

The Company has a limited operating history. The Company's business and operations are sensitive to general business and economic conditions in the United States. A host of factors beyond the Company's control could cause fluctuations in these conditions. Adverse conditions may include recession, downturn or otherwise, local competition or changes in consumer taste. These adverse conditions could affect the Company's financial condition and the results of its operations.

Cash and Cash Equivalents

The Company maintains its cash balances with federally insured financial institutions and, at times, balances may exceed federally insured limits. The Company considers short-term, highly liquid investments with original maturities of three months or less at the time of purchase to be cash equivalents. Cash consists of funds held in the Company's checking account. As of December 31, 2025 the Company had \$100,950 of cash and cash equivalents.

Intangible Assets

Intangible assets are stated at cost and consist primarily of capitalized software development costs related to the Company's internally developed video game platform. As of December 31, 2025, the carrying amount of intangible assets totaled \$123,458.

MONARCH GAME STUDIOS, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2025
(AUDITED)

The Company accounts for software development costs in accordance with ASC 985-20, Software—Costs of Software to Be Sold, Leased, or Otherwise Marketed. Costs incurred prior to the establishment of technological feasibility are expensed as research and development. Costs incurred subsequent to the establishment of technological feasibility and prior to the date the software is available for general release to customers are capitalized.

Capitalized software development costs are amortized on a product-by-product basis using the greater of the ratio that current gross revenues for a product bear to the total of current and anticipated future gross revenues for that product or the straight-line method over the remaining estimated economic life of the product. The estimated economic life of the software is generally expected to range from three to five years.

As of December 31, 2025, the Company's capitalized software development costs had not yet been released for sale or otherwise placed into service. Accordingly, no amortization expense was recognized during the year ended December 31, 2025.

The Company evaluates capitalized software development costs for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. In performing this assessment, management considers factors including development progress, projected revenues, technological changes, market acceptance, competition, and overall business strategy. If the unamortized capitalized costs exceed the net realizable value of the related software product, an impairment loss is recognized. Based on management's assessment, no impairment loss was recognized for the year ended December 31, 2025.

Accounts Payable

Accounts payable represent amounts due to vendors and service providers for goods received and services rendered in the ordinary course of business. The Company records accounts payable at the invoiced amount, which approximates amortized cost due to the short-term nature of these obligations. Accounts payable are classified as current liabilities as payment is generally due within one year. As of December 31, 2025, the Company had accounts payable of \$15,000.

Accrued Expenses

Accrued expenses consist primarily of a legal retainer paid to outside counsel in connection with corporate and legal matters. The retainer represents legal services received prior to year-end for which payment had not yet been made. The related amount was paid subsequent to December 31, 2025. As of December 31, 2025, the balance of the accrued expenses totaled \$13,791.

Due To Related Party

Due to related party represents amounts advanced by a related party for payment of operating expenses and development costs on behalf of the Company. The balance is unsecured, non-interest bearing, and payable on demand. The advances are recorded as a liability in accordance with ASC 405 and do not represent equity contributions.

Fair Value Measurements

Generally accepted accounting principles define fair value as the price that would be received to sell an asset or be paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price) and such principles also establish a fair value hierarchy that

MONARCH GAME STUDIOS, INC.

FOR THE YEAR ENDED DECEMBER 31, 2025
(AUDITED)

prioritizes the inputs used to measure fair value using the following definitions (from highest to lowest priority):

- Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2 – Observable inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, including quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data by correlation or other means.
- Level 3 – Prices or valuation techniques requiring inputs that are both significant to the fair value measurement and unobservable.

There were no assets or liabilities requiring fair value measurement as of December 31, 2025.

Revenue Recognition

The Company recognizes revenue in accordance with ASC 606, Revenue from Contracts with Customers. Revenue is recognized when control of promised goods or services is transferred to customers in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods or services.

For the period from December 1, 2025 (inception) through December 31, 2025, the Company had not commenced revenue-generating operations and, accordingly, did not recognize any revenue.

Organizational Costs

The Company accounts for organizational costs in accordance with ASC 720, Other Expenses. Organizational costs, including legal fees, accounting fees, incorporation fees, and other costs incurred in connection with the formation of the Company, are expensed as incurred.

Recent Accounting Pronouncements

The FASB issues ASUs to amend the authoritative literature in ASC. Management believes that those issued to date either (i) provide supplemental guidance, (ii) are technical corrections, (iii) are not applicable to us or (iv) are not expected to have a significant impact on our financial statements.
