Hazem Dawani

CEO & Co-founder at GigaStar
Chicago, Illinois, United States

Summary

Hazem is a passionate entrepreneur and CEO. Prior to co-founding GigaStar, served as CEO for Predata, responsible for setting go-to-market strategy and managing all aspects of the business. Seeing through a successful exit in July 2022. Prior to joining Predata in February 2018, Hazem co-founded OptionsCity Software and served as its CEO. Over the course of 10 years, the company grew to become a global leader in electronic trading solutions with offices in Chicago, NY, and London. Hazem led the business along the various growth stages, and oversaw the products' vision and the company's business development and marketing efforts until its acquisition by Vela Trading Systems in June 2017.

Hazem holds a B.S. in computer engineering from the Illinois Institute of Technology where he was a scholar in the Leadership Academy. In 2013 was recognized for the IIT Outstanding Young Alumnus Award, and joined the Board of Trustees in 2022. In 2012, Hazem was named in the Crain's Chicago Business "40 under 40" list. Hazem was also featured alongside a number of financial industry leaders in The 2015 Trading Technology 40.
