INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors
Stellaris Corporation
Nashua, New Hampshire

We have reviewed the accompanying financial statements of Stellaris Corporation (the "Company"), which comprises the balance sheets as of December 31, 2025, and December 31, 2024, and the related statements of operations, stockholders' deficit, and cash flows for the years ended December 31, 2025, and December 31, 2024, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our reviews.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Going Concern

As discussed in Note 9, certain conditions indicate that the Company may be unable to continue as a going concern. The accompanying financial statements do not include any adjustments that might be necessary should the Company be unable to continue as a going concern.

Set Apart Accountancy Corp.

STELLARIS CORPORATION
NOTES TO FINANCIAL STATEMENTS
FOR YEAR ENDED TO DECEMBER 31, 2025 AND DECEMBER 31, 2024

1. NATURE OF OPERATIONS

Stellaris Corporation was incorporated on October 16, 2007, in the state of Delaware. The financial statements of Stellaris Corporation (which may be referred to as the “Company”, “we”, “us”, or “our”) are prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”). The Company’s headquarters are located in Nashua, New Hampshire.

Stellaris is an early-stage company developing a transparent, electricity-generating building-integrated photovoltaic window. The window, branded ClearPower, is intended to be used as insulated glass windows in commercial buildings for on-site electricity generation to aid in building decarbonization. The Company is anticipating marketing to building owners and developers through float glass manufacturers and window fabricator sales channels.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies is presented to assist in understanding the Company’s financial statements. The accounting policies conform to accounting principles generally accepted in the United States of America (“GAAP” and “US GAAP”).

Basis of Presentation

The accounting and reporting policies of the Company conform to accounting principles generally accepted in the United States of America (“US GAAP”). The Company has adopted the calendar year as its basis for reporting.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash includes all cash in banks. As of December 31, 2025 and 2024, the Company’s cash did not exceed FDIC insured limits.

Promissory Notes and Term Loans

Promissory notes and term loans are initially recognized at the principal amount received, net of any debt issuance costs. Interest expense is recognized using the effective interest method. The Company evaluates debt for modifications or extinguishments and derecognizes the liability when legally released from the obligation.

Income Taxes

Stellaris Corporation is a C corporation for income tax purposes. The Company accounts for income taxes under the liability method, and deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying values of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates in effect for the year in which those temporary differences are expected to be recovered or settled. A valuation allowance is provided on deferred tax assets if it is determined that it is more likely than not that the deferred tax asset will not be realized. The Company records

STELLARIS CORPORATION
NOTES TO FINANCIAL STATEMENTS
FOR YEAR ENDED TO DECEMBER 31, 2025 AND DECEMBER 31, 2024

interest, net of any applicable related income tax benefit, on potential income tax contingencies as a component of income tax expense. The Company records tax positions taken or expected to be taken in a tax return based upon the amount that is more likely than not to be realized or paid, including in connection with the resolution of any related appeals or other legal processes. Accordingly, the Company recognizes liabilities for certain unrecognized tax benefits based on the amounts that are more likely than not to be settled with the relevant taxing authority. The Company recognizes interest and/or penalties related to unrecognized tax benefits as a component of income tax expense.

Concentration of Credit Risk

The Company maintains its cash with a major financial institution located in the United States of America which it believes to be creditworthy. Balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. At times, the Company may maintain balances in excess of the federally insured limits.

Revenue Recognition

The Company recognizes revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the Company expects to be entitled to in exchange for those goods or services. In determining when and how revenue is to be recognized from contracts with customers, the Company performs the following five step analysis laid under Accounting Standard Codification ("ASC") 606, *Revenue from Contracts with Customers*: (1) identification of contract with customers, (2) determination of performance obligations, (3) measurement of the transaction price, (4) allocation of transaction price to the performance obligations, and (5) recognition of revenue when or as the company satisfies each performance obligation.

The Company's anticipated revenue streams consist primarily of the sale of ClearPower™ electricity-generating window products and related technology solutions. Revenue from product sales is expected to be recognized at a point in time when control of the products is transferred to the customer, generally upon shipment or delivery, depending on the terms of the underlying sales agreement. For the years ended December 31, 2025 and 2024, the Company generated only limited revenue from operations and continues to focus primarily on product development, commercialization, and market expansion. Revenue recognized during the periods presented was not material.

Fair Value of Financial Instruments

The carrying value of the Company's financial instruments included in current assets and current liabilities (such as cash and cash equivalents, restricted cash and cash equivalents, accounts receivable, accounts payable and accrued expenses approximate fair value due to the short-term nature of such instruments.

The inputs used to measure fair value are based on a hierarchy that prioritizes observable and unobservable inputs used in valuation techniques. These levels, in order of highest to lowest priority, are described below:

Level 1—Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities.

Level 2—Observable prices that are based on inputs not quoted on active markets but corroborated by market data.

Level 3—Unobservable inputs reflecting the Company's assumptions, consistent with reasonably available assumptions made by other market participants. These valuations require significant judgment.

Related Party Transactions

The Company may engage in financing arrangements with related parties, including significant shareholders or entities under common control. These transactions are reviewed and approved by management to ensure they

STELLARIS CORPORATION
NOTES TO FINANCIAL STATEMENTS
FOR YEAR ENDED TO DECEMBER 31, 2025 AND DECEMBER 31, 2024

are conducted at arm's length or under terms considered reasonable given the related party relationship and the Company's financing needs.

Loans from related parties are recognized as liabilities when cash is received or the obligation is incurred. These loans may be interest-free and may not have stated repayment terms. In such cases, if no fixed repayment schedule exists and there is no expectation or contractual requirement to repay the loan within the next twelve months, the loan is classified as a noncurrent liability in the balance sheet. If repayment is expected within twelve months or callable by the lender on demand, the loan is classified as a current liability.

Subsequent Events

The Company considers events or transactions that occur after the balance sheet date, but prior to the issuance of the financial statements to provide additional evidence relative to certain estimates or to identify matters that require additional disclosure. Subsequent events have been evaluated through the date the financial statements were issued.

3. DETAILS OF CERTAIN ASSETS AND LIABILITIES

Prepaid and other current assets consist of the following:

As of December 31,	2025	2024
Prepays	1,520	-
Total Prepays and Other Current Assets	\$ 1,520	\$ -

Other current liabilities consist of the following items:

As of December 31,	2025	2024
Accrued Expense	29,570	2,480
Payroll Liabilities	178	-
Total Other Current Liabilities	\$ 29,748	\$ 2,480

4. CAPITALIZATION AND EQUITY TRANSACTIONS

Common Stock-Voting

The Company is authorized to issue 105,000,000 shares of Common Stock-Voting at a par value of \$0.001. As of December 31, 2025, and December 31, 2024, 50,885,095 shares have been issued and are outstanding.

Common Stock-Non-Voting

The Company is authorized to issue 25,000,000 shares of Common Stock-Non-Voting at a par value of \$0.001. As of December 31, 2025, and December 31, 2024, 3,590,034 shares have been issued and are outstanding.

Series A Preferred Stock

The Company is authorized to issue 70,000,000 shares of Series A Preferred Stock at a \$0.001 par value. As of December 31, 2025, and December 31, 2024, 65,916,390 shares have been issued and are outstanding.

Crowdfunding Preferred (Non-voting)

STELLARIS CORPORATION
NOTES TO FINANCIAL STATEMENTS
FOR YEAR ENDED TO DECEMBER 31, 2025 AND DECEMBER 31, 2024

The Company is authorized to issue 25,000,000 shares of Crowdfunding Preferred Stock, par value \$0.001 per share. As of December 31, 2025 and 2024, 1,336,387 and 0 shares, respectively, were issued and outstanding.

Common Stock

- **Voting Rights:** Each share of Common Stock is entitled to one vote per share on all matters submitted to stockholders. Holders of Common Stock vote together with Preferred Stock on an as-converted basis. Common Stockholders elect two members of the Board of Directors.
- **Dividend Rights:** Holders of Common Stock are entitled to receive dividends only after any declared dividends on Preferred Stock have been paid. Dividends are payable when and if declared by the Board of Directors.
- **Liquidation Rights:** After the Series A Preferred Stock liquidation preference has been satisfied, holders of Common Stock are entitled to receive up to \$4,550,137.79 in aggregate. Any remaining assets are distributed pro-rata among holders of Common and Preferred Stock on an as-converted basis.

Non-Voting Common Stock

- **Voting Rights:** Holders of Non-Voting Common Stock do not have voting rights on general corporate matters, except in limited circumstances where approval is required under protective provisions.
- **Dividend Rights:** Holders of Non-Voting Common Stock have the same dividend rights as voting Common Stock, receiving distributions on a pro-rata basis when and if declared.
- **Liquidation Rights:** Holders of Non-Voting Common Stock participate in liquidation distributions on the same basis as voting Common Stock, after the liquidation preference of Preferred Stock has been satisfied.

Preferred Stock (Series A Preferred Stock)

- **Voting Rights:** Each share of Series A Preferred Stock votes on an as-converted basis with Common Stock on most matters. Holders of a majority of Series A Preferred Stock must approve certain corporate actions, including changes to the Certificate of Incorporation, mergers, acquisitions, asset sales, and significant borrowings. Series A Preferred holders elect two members of the Board of Directors.
- **Dividend Rights:** Series A Preferred Stockholders are entitled to non-cumulative dividends, when and if declared by the Board of Directors, and in preference to any dividends on Common Stock. If a dividend is paid on Common Stock, holders of Series A Preferred must receive an equivalent dividend on an as-converted basis.
- **Liquidation Rights:** In the event of liquidation, dissolution, or winding-up, holders of Series A Preferred Stock are entitled to receive, before any distribution to Common Stockholders, the original issue price per share (\$0.4665 per share), plus a 7% annual compounded return and any declared but unpaid dividends. After satisfying this preference, remaining assets are first allocated to Common Stockholders up to \$4,550,137.79 in total, with any further distributions allocated pro-rata among Common and Preferred Stockholders on an as-converted basis.

5. DEBT

Related Party Promissory Notes

During the years presented, the Company entered into promissory notes & loans agreements. The details of the Company's loans, notes, and the terms are as follows:

Total	\$ 103,000				\$ 58,000	\$ 45,000	\$ 103,000	\$ 18,000	\$ 77,000	\$ 81,000

As of December 31, 2025, the Company has an outstanding promissory note issued to a founder in the principal amount of \$18,000, which matured in 2022. As of the date of these financial statements, the note has not been amended or extended. However, the Company intends to negotiate and execute an amendment to extend the maturity date in the future. Since no formal amendment has been executed, the outstanding balance is classified as a current liability in accordance with ASC 470, Debt, as the Company does not have an unconditional right to defer settlement beyond 12 months.

The summary of the future maturities is as follows:

As of December 31,	2025
2026	\$ 58,000
2027	37,000
2028	8,000
2029	-
Thereafter	-
Total	\$ 103,000

6. INCOME TAXES

The provision for income taxes for the year ended December 31, 2025, and December 31, 2024, consists of the following:

For the Year Ended December 31,	2025	2024
Net Operating Loss	\$ (86,729)	\$ (69,804)
Valuation Allowance	86,729	69,804
Net Provision for Income Tax	\$ -	-

Significant components of the Company's deferred tax assets and liabilities on December 31, 2025, and December 31, 2024, are as follows:

STELLARIS CORPORATION
NOTES TO FINANCIAL STATEMENTS
FOR YEAR ENDED TO DECEMBER 31, 2025 AND DECEMBER 31, 2024

As of December 31,	2025	2024
Net Operating Loss	(265,706)	\$ (178,978)
Valuation Allowance	265,706	178,978
Total Deferred Tax Asset	\$ -	\$ -

Management assesses the available positive and negative evidence to estimate if sufficient future taxable income will be generated to use the existing deferred tax assets. On the basis of this evaluation, the Company has determined that it is more likely than not that the Company will not recognize the benefits of the federal and state net deferred tax assets, and, as a result, full valuation allowance has been set against its net deferred tax assets as of December 31, 2025 and December 31, 2024. The amount of the deferred tax asset to be realized could be adjusted if estimates of future taxable income during the carry-forward period are reduced or increased.

For the fiscal year ending December 31, 2025, the Company had federal cumulative net operating loss ("NOL") carryforwards of \$925,806. Utilization of some of the federal and state NOL carryforwards to reduce future income taxes will depend on the Company's ability to generate sufficient taxable income prior to the expiration of the carryforwards. The federal net operating loss carryforward is subject to an 80% limitation on taxable income, does not expire, and will carry on indefinitely.

The Company recognizes the impact of a tax position in the financial statements if that position is more likely than not to be sustained on a tax return upon examination by the relevant taxing authority, based on the technical merits of the position. As of December 31, 2025, and December 31, 2024, the Company had no unrecognized tax benefits.

The Company recognizes interest and penalties related to income tax matters in income tax expense. As of December 31, 2025, and December 31, 2024, the Company had no accrued interest and penalties related to uncertain tax positions.

7. RELATED PARTY

The Company has entered into various promissory note agreements with James B. Paull, the Company's founder and shareholder and therefore a related party.

In 2019, the Company issued promissory notes totaling \$18,000 bearing interest at 9.5% per annum. The notes matured in 2022 and remained outstanding as of December 31, 2025 and 2024. As of the date of these financial statements, the notes have not been amended or extended; however, the Company intends to negotiate an extension of the maturity date. The outstanding balance was \$18,000 as of December 31, 2025 and 2024.

In 2023, 2024, and 2025, the Company issued additional promissory notes to Mr. Paull totaling \$40,000, \$37,000, and \$8,000, respectively. These notes bear interest at 9.5% per annum and mature three years from their respective issuance dates. As of December 31, 2025, the outstanding balances were \$40,000, \$28,000, and \$8,000, respectively. As of December 31, 2024, the outstanding balances were \$40,000, \$28,000, and \$0, respectively.

Subsequent to December 31, 2025, the Company entered into additional promissory note agreements with Mr. Paull totaling \$10,700. The notes bear interest at 9.5% per annum and mature three years from their respective issuance dates.

8. COMMITMENTS AND CONTINGENCIES

Contingencies

STELLARIS CORPORATION
NOTES TO FINANCIAL STATEMENTS
FOR YEAR ENDED TO DECEMBER 31, 2025 AND DECEMBER 31, 2024

The Company's operations are subject to a variety of local and state regulations. Failure to comply with one or more of those regulations could result in fines, restrictions on its operations, or losses of permits that could result in the Company ceasing operations.

Litigation and Claims

From time to time, the Company may be involved in or exposed to litigation arising from operations in the normal course of business. As of December 31, 2025, and December 31, 2024, there were no pending or threatened lawsuits that could reasonably be expected to have a material effect on the results of the Company's operations.

9. GOING CONCERN

The accompanying financial statements have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The Company has a net operating loss of \$288,713, an operating cash flow loss of \$274,637, and liquid assets in cash of \$7,980, which is less than a year's worth of cash reserves as of December 31, 2025.

The Company's ability to continue as a going concern in the next twelve months following the date the financial statements were available to be issued depends upon its ability to produce revenues and/or obtain financing sufficient to meet current and future obligations and deploy such to produce profitable operating results.

Management has evaluated these conditions and plans to generate revenues and raise capital as needed to satisfy its capital needs. During the next twelve months, the Company intends to fund its operations through debt and/or equity financing.

There are no assurances that management will be able to raise capital on terms acceptable to the Company. If it is unable to obtain sufficient amounts of additional capital, it may be required to reduce the scope of its planned development, which could harm its business, financial condition, and operating results. The accompanying financial statements do not include any adjustments that might result from these uncertainties.

10. SUBSEQUENT EVENTS

During the period from March 3, 2026 through May 4, 2026, the Company entered into promissory note agreements with James B. Paull, the Company's founder and shareholder and therefore a related party, in the aggregate principal amount of \$10,700. The notes bear interest at 9.5% per annum and mature three years from their respective issuance dates.

The Company has evaluated subsequent events through the date the financial statements were issued, and has concluded that, other than the event described above, no additional events or transactions have occurred that would require adjustment to or disclosure in the financial statements.
