

Direct message communications we have sent to others on Wefunder to people we have connected with to communicate our project during the testing the waters phase.

Hi! Thanks so much for the follow! I'm currently developing a feature length psychological thriller film. Our campaign isn't public yet, but I wanted to personally invite you to take an early look at the opportunity and learn more about what we're building with The Thing in the Hall.

I'm excited to begin sharing this with a small group before the official launch, and I'd love to have you involved from the beginning.

Please let me know if you have any questions. I'd be happy to connect and tell you more about the project!
