Ted Swartzbaugh

Co-Owner at Tarpestry
Sugar Grove, North Carolina, United States

Summary

Tarpestry is a brand that creates products built for the outdoors. We focus on durability, function, and aesthetics. Tarpestry has the ability for co-branding opportunities. I can help facilitate other brands and companies putting their logos and images on outdoor water repellent blankets that double as tarps. For more information about getting your brand or organization on our signature product the 'Tarpestry' please contact me at Ted@tarpestry.com

To check out more information about our product and services please check our cobranding section on our website - <https://tarpestry.com/custom/>

Taboot

Screen Printer

August 2008 - October 2010 (2 years 3 months)

Denver

Learned the skill set of screen printing. I also developed knowledge and understanding of small business operations by observing my bosses/peers as they ran and operated their small screen printing business. This job helped with my understanding of the retail market possibilities in the music industry.

Elway's Steakhouse

Head line cook

September 2008 - May 2010 (1 year 9 months)

Developed the skills of teamwork, team leading, precise cooking with precise timing under high stress environment. The craziest accomplishment at Elway's was serving over 600 patrons for Easter morning in a 3.5 hour timeframe. Thats around 3 plates a minute.
